LIT

Brighter. Better.

Suzanne Peyton, PE, C.M.
Executive Director

CLINTON
NATIONAL AIRPORT

The Role of Your Airport

Clinton National Airport (LIT) is a:

TRANSPORTATION HUB

THRIVING MARKETPLACE

ECONOMIC ENGINE

$1.7B+ IN ANNUAL ECONOMIC IMPACT

Nearly

3,000 JOBS

on airport property

Approximately

$12 MILLION

annually in state and local taxes, reinforcing that the airport is a net tax generator.

How the Airport Operates

The airport is an enterprise fund, meaning it:

GENERATES ITS OWN REVENUE

COVERS ITS OWN OPERATING EXPENSES

FUNCTIONS AS A SELF-SUSTAINING BUSINESS

Who We Are

LIT is Arkansas's primary commercial aviation hub, connecting communities across the state and beyond.

2.3M+
passengers annually

2.1K
acres

20
nonstop destinations

3
runways

6
airlines

62
AR counties served

Airlines Serving LIT

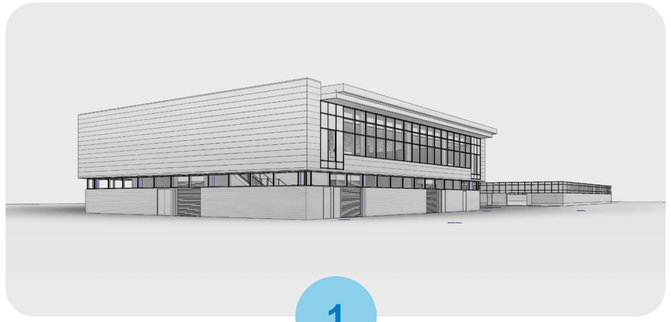
CAPITAL INVESTMENT

A Phased Approach to Modernization

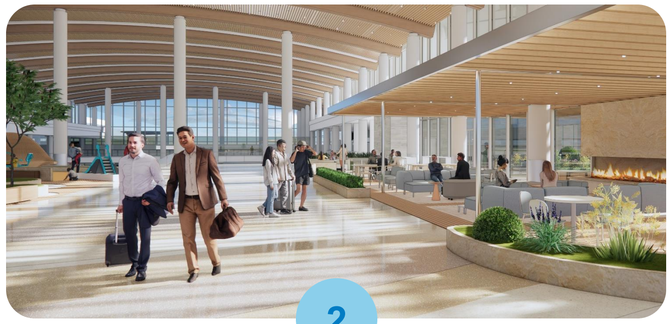


1

Central Utility Plant

$112M

Funded and under construction

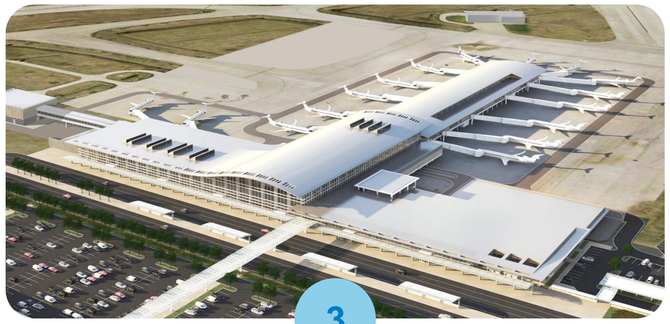


2

Arrivals Hall & Terminal Commons

$350M

Next phase to begin following completion of Central Utility Plant



3

Concourse

$200M

Estimated; funding plan in development

Estimated Investment $662,000,000

Dassault Falcon Jet

- Worldwide completion center at LIT
- Nearly 5 million square feet
- One of Arkansas's top exports

Fixed-Base Operators

Two Fixed-Base Operators (FBOs), Atlantic Aviation and Signature Aviation, provide essential services for private and corporate aircraft at Clinton National Airport. These partners support fueling, aircraft handling, and passenger amenities outside of the commercial terminal.

ATLANTIC

SIGNATURE AVIATION

Envoy Maintenance Base

- Subsidiary of American Airlines Group
- Maintenance for Embraer 175 aircraft

Businesses Behind the Experience

Commercial tenants, including hospitality, food and beverage, and retail, support passenger needs and generate non-aeronautical revenue for the airport.
