Special rates of pay may also be requested for current and new employees in these classifications when prevailing wage rates for these classifications prevent recruitment and retention of adequately skilled employees subject to the following restrictions:

(a) That applications for special rates of pay above step 4 shall have been reviewed and approved by the Office of Personnel Management after seeking the advice of the Arkansas Legislative Council.

(b) That special rates may be authorized up to the maximum authorized for the grade assigned the classification of any position listed in Section 1 of this Act.

SECTION 6. CARRY FORWARD. Any unexpended balance of the appropriation authorized for Data Processing in Item (06) of Section 3 of this Act which remains at the close of the fiscal year ending June 30, 1988, shall be carried forward and made available for the same purpose for the fiscal year ending June 30, 1989.

SECTION 7. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this Act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Purchasing Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 8. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained

in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 9. CONTRACT RESTRICTIONS. Provided further, that all contracts for professional or consultant services shall be submitted monthly to the Chief Fiscal Officer of the State for reporting to the Legislative Council.

SECTION 10. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Sixth General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1987 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1987 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1987.
