SECTION 16. GRANTS-IN-AID - CONDITIONS FOR RECEIVING FUNDS. Only locally-operated Centers and Clinics certified by the Mental Health Services Division are eligible to receive funds appropriated in Item 1 of Section 8 of this Act, and as a condition of receiving such funds they shall:

Every community support program shall use a coordinated case management system and shall provide or assure access to services for persons with long-term, severe mental illness who reside within the respective catchment area of the Center. At a minimum, each community support program shall provide assessment, diagnosis, identification of persons in need of services, case management, crisis intervention, psychiatric treatment including medication services and supervision, counseling and psychotherapy, activities of daily living, and psychosocial rehabilitation which may include services provided by day treatment programs.

Any saving made in State or Federal appropriations for regular salaries, extra help, social security and retirement matching or maintenance and general operations, and grants for approved projects, may, upon approval of the

Department of Finance and Administration, be transferred to the purchase of services for persons with long-term mental illness and in the establishment, operation and maintenance of facilities, centers or programs for this population.

SECTION 20. A medical doctor can be paid at any rate within the range specified in Section 1 herein.

SECTION 21. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this Act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Purchasing Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 22. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 23. All provisions of this Act of a general and permanent nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code Revision Commission shall incorporate the same in the Code. Act 944 of 1989 is hereby repealed.

SECTION 24. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Seventh General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1989 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1989 could work irreparable harm

upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1989.
