35 Ecology and the Department of Health are, due to unforeseen circumstances,

1 insufficient for the Department of Pollution Control and Ecology and the  
2 Department of Health to continue to provide essential governmental services;  
3 that the provisions of this act will provide the necessary monies for the  
4 Department of Pollution Control and Ecology and the Department of Health to  
5 continue such services; and that a delay in the effective date of this Act  
6 could work irreparable harm upon the proper administration and provision of  
7 essential governmental programs. Therefore, an emergency is hereby declared  
8 to exist and this Act being necessary for the immediate preservation of the  
9 public peace, health and safety shall be in full force and effect from and
