SECTION 12. EMERGENCY CLAUSE. It is found and determined by the
General Assembly that the fiscal year begins July 1, and it is efficient to
establish the Division of Land Surveys within the Office of the Commissioner
of State Lands on the same date as the fiscal year begins. If the division
were transferred at a later date, the budget for the Arkansas Geological
Commission and the Office of the Commissioner of State Lands would be
confusing and irreparably harmed. Therefore, an emergency is declared to
exist and this act being immediately necessary for the preservation of the
public peace, health and safety shall become effective on the date of its
approval by the Governor. If the bill is neither approved nor vetoed by the
Governor, it shall become effective on the expiration of the period of time
during which the Governor may veto the bill. If the bill is vetoed by the
Governor and the veto is overridden, it shall become effective on the date the
last house overrides the veto.
