28   appropriated, to the Department of Finance and Administration - Disbursing

33

34      SECTION 2. DISBURSEMENT CONTROLS. (A)  No contract may be awarded nor

35   obligations otherwise incurred in relation to the project or projects

1   described herein in excess of the State Treasury funds actually available
2   therefor as provided by law.  Provided, however, that institutions and
3   agencies listed herein shall have the authority to accept and use grants and
4   donations including Federal funds, and to use its unobligated cash income or
5   funds, or both available to it, for the purpose of supplementing the State

11      (B) The restrictions of any applicable provisions of the State Purchasing

24  testimony in the official minutes of the Arkansas Legislative Council or
25  Joint Budget Committee which relate to its passage and adoption.
26
27      SECTION 4. EMERGENCY CLAUSE.  It is found and determined by the General
28  Assembly, that the Constitution of the State of Arkansas prohibits the
29  appropriation of funds for more than a two (2) year period; that the
30  effectiveness of this Act on July 1, 2005 is essential to the operation of
31  the agency for which the appropriations in this Act are provided, and that in
32  the event of an extension of the Regular Session, the delay in the effective
33  date of this Act beyond July 1, 2005 could work irreparable harm upon the
34  proper administration and provision of essential governmental programs.
35  Therefore, an emergency is hereby declared to exist and this Act being
36  necessary for the immediate preservation of the public peace, health and

1  safety shall be in full force and effect from and after July 1, 2005.
