25 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
26

27 SECTION 1. Arkansas Code Title 15, Chapter 4 is amended to add an
28 additional subchapter to read as follows:

29 15-4-3201. Title.

30 This subchapter shall be known and may be cited as the "Nonprofit
31 Incentive Act of 2005".
32

33 15-4-3202. Legislative intent.

34 The General Assembly finds that:

35 (1) Nonprofit organizations can make a significant contribution

1 to the local economy of Arkansas communities;

2 (2) In many instances, a nonprofit organization can locate its
3 operations in any number of states, creating a situation in which an Arkansas
4 community may be in the position of competing for the location with another
5 community located out of state;

6 (3) In situations in which a nonprofit organization is
7 considering whether to locate its operations in Arkansas, it is important to
8 have an inducement to help the nonprofit organization decide to locate in
9 Arkansas; and

10 (4) The offering of incentives to a nonprofit organization
11 should occur only where the eligibility requirements in § 15-4-3204 are met.

12
13 15-4-3203. Definitions.

14 As used in this subchapter:

15 (1) "Average hourly wage" means the weekly earnings, excluding
16 overtime, bonuses, and company-paid benefits, of all new full-time permanent
17 employees hired after the date of the signed financial incentive agreement,
18 divided by the number of new full-time permanent employees, divided by forty
19 (40);

20 (2) "County or state average hourly wage" means the weighted
21 average weekly earnings for Arkansas residents in all industries, both
22 statewide and countywide, as calculated by the Arkansas Employment Security
23 Department in its most recent Annual Covered Employment and Earnings
24 publication, divided by forty (40);

25 (3) "Financial incentive agreement" means an agreement entered
26 into by an eligible nonprofit organization and the Department of Economic
27 Development to provide the organization an incentive to locate or stay in
28 Arkansas;

29 (4) "Governing authority" means the quorum court of a county or
30 the governing body of a municipality;

31 (5) "Income" means the moneys received by a nonprofit
32 organization for operations of the organization and shall include donations,
33 revenue from sales or memberships, grants, or legislative appropriations;

34 (6)(A)(i) "New full-time permanent employee" means a position or
35 job that is created pursuant to the signed financial incentive agreement and
36 which is filled by one (1) or more employees or contractual employees who

2 incentives were earned.

3 (ii) The position or job held by the employee or
4 employees shall have been filled for at least twenty-six (26) consecutive
5 weeks with an average of at least thirty (30) hours per week.

6 (B) However, in order to qualify for the incentives
7 authorized by this subchapter, a contractual employee shall be offered a
8 benefits package comparable to that of a direct employee of the nonprofit
9 organization seeking incentives under this subchapter;

10 (7) "Nonprofit organization" means an entity that has filed
11 required documents with and been approved by the Secretary of State as having
12 met the qualifications for a nonprofit organization in Arkansas and that has
13 also received a § 501(c)(3) designation from the Internal Revenue Service
14 prior to applying for the benefits afforded under this subchapter;

15 (8) "Payroll" means the total taxable wages, including overtime
16 and bonuses, paid during the preceding tax year of the eligible nonprofit
17 organization to new full-time permanent employees hired after the date of the
18 signed financial incentive agreement;

19 (9)(A) "Project" means:

20 (i) Preconstruction costs, including project
21 planning costs, architectural or engineering fees, right-of-way purchases,
22 utility extensions, site preparations, purchase of mineral rights, building
23 demolition, builders' risk insurance, capitalized start-up costs, deposits
24 and process payments on eligible machinery and equipment, and other costs
25 necessary to prepare for the start of construction;

26 (ii) Costs associated with the construction of a new
27 plant or facility, including, but not limited to, land, building, production
28 equipment, or support infrastructure;

29 (iii) Costs associated with the expansion of an
30 established plant or facility by adding to the building, production
31 equipment, or support infrastructure; or

32 (iv) Costs associated with modernization of an
33 established plant or facility through the replacement of production or
34 processing equipment or support infrastructure that improves efficiency or
35 productivity.

36 (B) "Project" does not mean:

1 (i) Expenditures for routine repair and maintenance
2 that do not result in new construction or expansion;

3 (ii) Routine operating expenditures;

4 (iii) Expenditures incurred at multiple facilities;

5 or

6 (iv) The purchase or acquisition of an existing
7 business unless there is sufficient documentation that the existing business
8 was closed and the purchase of the existing business will result in the
9 retention of the jobs that would have been lost due to the closure.

10 (C) In order to receive credit for or refunds related to
11 project costs, the costs shall be incurred within four (4) years from the
12 date the financial incentive agreement was signed by the Department of
13 Economic Development.

14 (D) Routine operating expenditures are ineligible for
15 benefits under this subchapter;

16 (10) "Project plan" means the plan submitted to the department
17 containing such information as may be required by the Director of the
18 Department of Economic Development to determine eligibility for benefits, and
19 if approved, it becomes a supplement to the financial incentive agreement;
20 and

21 (11) "Start of construction" means any activity that causes a
22 physical change to the building or property identified as the site of the
23 approved project, excluding engineering surveys, soil tests, land clearing,
24 and extension of roads and utilities to the project site.

26 15-4-3204. Eligibility.

27 (a) Only those nonprofit organizations that have a payroll of new
28 full-time permanent employees in excess of one million dollars (\$1,000,000)
29 annually may apply for and receive any benefits authorized by this
30 subchapter.

11 of Finance and Administration, the division determines that the nonprofit
12 organization is in compliance with all qualifications to receive benefits
13 under this subchapter.

14 (e) In order to receive the benefits authorized by this subchapter,
15 the nonprofit organization applying for benefits shall sign a financial
16 incentive agreement with the Department of Economic Development prior to the
17 start of any construction.

18
19 15-4-3205. Sales and use tax refund.

20 (a)(1) An application for a sales and use tax refund under this
21 subchapter shall be filed with the Department of Economic Development and
22 shall include an endorsement resolution from the governing authority of a
23 municipality or county where the nonprofit organization is or will be
24 located.

25 (2) The resolution shall:

26 (A) Endorse the applicant's participation in the sales and
27 use tax refund program; and

29 by the municipality or county.

30 (b)(1) The Director of the Department of Finance and Administration
31 shall authorize a sales and use tax refund of state and local sales and use
32 taxes, excepting the sales and use tax dedicated to the Educational Adequacy

10 a project under this section unless the items previously purchased are
11 necessary for the implementation or completion of the project.

12 (c) Subject to the approval of the Department of Economic Development,
13 a program participant may make changes in a project by written amendment to
14 the project plan filed with the department, provided that the amendment
15 complies with § 15-4-3207(h)(2).

16 (d) All claims for sales and use tax refunds under this section shall
17 be denied unless they are filed with the Revenue Division of the Department
18 of Finance and Administration within three (3) years from the date of the
19 qualified purchase or purchases.

20
21 15-4-3206. Payroll rebate.

23 Auditor of State, and the Chief Fiscal Officer of the State a fund to be
24 known as the "Economic Development Incentive Fund".

25 (b) The fund shall consist of revenues designated for this fund by the
26 Director of the Department of Finance and Administration pursuant to
27 agreements entered into by the Department of Economic Development with
28 qualified nonprofit organizations.

29 (c) After the Department of Finance and Administration has received
30 the certification of the payroll of a nonprofit organization that has entered
31 into financial incentive agreements with the Department of Economic
32 Development for the payroll rebate authorized by this section, the Director
33 of the Department of Finance and Administration shall transfer the
34 appropriate amount of money for the payroll rebate designated by the
35 financial incentive agreement from the General Revenue Fund Account of the
36 State Apportionment Fund to the Economic Development Incentive Fund.

1 (d)(1) The award of the incentive authorized by this section is at the
2 discretion of the Director of the Department of Economic Development.

3 (2) Benefits are conditioned upon the hiring of new full-time
4 permanent employees and certifying to the Department of Finance and
5 Administration that the requisite payroll thresholds have been met.

6 (3) The requisite annual payroll of one million dollars
7 (\$1,000,000) shall be reached within twenty-four (24) months of the signing
8 of the financial incentive agreement for the benefits of this section to be
9 approved.

10 (4) If the Director of the Department of Economic Development
11 and the Director of the Department of Finance and Administration find that
12 the nonprofit organization has presented compelling reasons for an extension
13 of time, the Director of the Department of Economic Development may grant an
14 extension of time not to exceed twenty-four (24) months to reach the
15 requisite annual payroll of one million dollars (\$1,000,000).

16 (5) In addition to having an annual payroll of one million
17 dollars (\$1,000,000) or more, the nonprofit organization applying for
18 benefits under this subchapter shall pay average hourly wages in excess of
19 one hundred ten percent (110%) of the lesser of the state or county average
20 wage for the county in which the organization locates or expands.

21 (6) Payments to nonprofit organizations with an annual payroll
22 in excess of one million dollars (\$1,000,000) shall be considered and may be
23 authorized by the Director of the Department of Economic Development, after
24 the Director of the Department of Economic Development has signed a financial
25 incentive agreement with the nonprofit organization, in the amount of four
26 percent (4%) of the annual payroll of the new full-time permanent employees.

27 (7) The Director of the Department of Economic Development may
28 authorize a payroll rebate for up to five (5) years.

29
30 15-4-3207. Administration.

31 (a)(1) All claims for sales and use tax refunds under § 15-4-3205
32 shall be filed annually with the Revenue Division of the Department of
33 Finance and Administration within three (3) years from the date of the
34 qualified purchase or purchases.

36 qualified purchase or purchases shall be disallowed.

1 (b)(1) The time limitation imposed by § 15-4-3205 for filing claims
2 shall be tolled if:

3 (A) A nonprofit organization fails to pay sales or use tax
4 on an item that was taxable; and

5 (B) The applicable tax is subsequently assessed as a
6 result of an audit by the Revenue Division of the Department of Finance and
7 Administration.

8 (2) All claims for sales and use tax refunds relating to an
9 audited purchase shall be entitled to a refund of interest paid on the amount
10 of tax assessed on the audited purchase if a refund is approved for the
11 purchase.

12 (c) A nonprofit organization must reach the investment threshold under
13 § 15-4-3205(b)(2) within four (4) years from the date of the signed financial
14 incentive agreement.

15 (d)(1) All claims for payroll rebates under § 15-4-3206 shall be
16 certified to the Department of Finance and Administration and shall be
17 recertified annually during the term of the financial incentive agreement.

18 (2) Failure to certify payroll figures and recertify those
19 figures annually may result in a denial of payments.

20 (3)(A) If the annual payroll of the nonprofit organization
21 applying for benefits under this subchapter is not met within twenty-four
22 (24) months after the signing of the financial incentive agreement, the
23 nonprofit organization may request in writing an extension of time to reach
24 the required payroll threshold.

25 (B) If the Director of the Department of Economic
26 Development and the Director of the Department of Finance and Administration
27 find that the nonprofit organization has presented compelling reasons for an
28 extension of time, the Director of the Department of Economic Development may
29 grant an extension of time not to exceed twenty-four (24) months.

30 (e)(1) If the annual payroll of a nonprofit organization receiving
31 benefits under this subchapter falls below the threshold for qualification in
32 a year subsequent to the one in which it initially qualified for the
33 incentive, the benefits outlined in the financial incentive agreement shall
34 be terminated unless the nonprofit organization files a written application
35 for an extension of benefits with the Department of Economic Development
36 explaining why the payroll has fallen below the level required for

1 qualification.

2 (2) The Director of the Department of Economic Development and
3 the Director of the Department of Finance and Administration may approve the
4 request for extension of time, not to exceed twenty-four (24) months, for the
5 nonprofit organization to bring the payroll back up to the requisite payroll
6 threshold amount and may approve the continuation of benefits during the
7 period the extension is granted.

8 (3) If a nonprofit organization fails to reach the payroll
9 threshold before the expiration of the twenty-four (24) months or the time
10 period established by a subsequent extension of time, the nonprofit
11 organization shall be liable for repayment of all payroll benefits previously
12 received by the nonprofit organization.

13 (f)(1) If a nonprofit organization fails to maintain the average
14 hourly wage requirements for benefits under this subchapter, the nonprofit
15 organization shall be liable for the repayment of all payroll benefits
16 previously received by the nonprofit organization.

17 (2) After a nonprofit organization has failed to maintain the
18 average hourly wage requirements, the Department of Finance and
19 Administration shall have two (2) years to collect benefits previously
20 received by the nonprofit organization or to file a lawsuit to enforce the
21 repayment provisions.

22 (g)(1) If a nonprofit organization fails to notify the Department of
23 Finance and Administration that the annual payroll of the nonprofit
24 organization has fallen below the threshold for qualification for and
25 retention of any incentive authorized by this subchapter, the nonprofit
26 organization shall be liable for the repayment of all payroll benefits that
27 were paid to the nonprofit organization after it no longer qualified for the
28 benefits.

29 (2) After a nonprofit organization has failed to notify the
30 Department of Finance and Administration that the nonprofit organization has
31 fallen below the payroll threshold, the Department of Finance and
32 Administration shall have two (2) years to collect benefits previously
33 received by the nonprofit organization or to file a lawsuit to enforce the
34 repayment provisions.

35 (3) Interest shall also be due at the rate of ten percent (10%)
36 per annum.
