SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the state’s provision of school systems that are free from the vestiges of racial discrimination is a vital part of providing a general, suitable, and efficient school system; that children who receive a quality education grow into responsible adults who create positive effects on the culture and economy of this state; that without a diligent pursuit of unitary status by the three (3) Pulaski County school districts, there is no assurance that the school districts are free of the vestiges of racial discrimination; that the state has enacted legislation to assist the Pulaski County school districts in achieving unitary status in desegregation litigation and provide assurance to the children in those districts that the promise of unitary status will be fulfilled within a reasonable amount of time; that under that legislation, the school districts filed their requests for a court order on unitary status, but the court’s docket will not permit a resolution by June 14, 2008, the stated deadline; and that this act is immediately necessary to ensure that the Pulaski County school districts diligently pursue unitary status before the end of 2008 and that the state’s provision of school systems that are free from the vestiges of racial discrimination. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
