15 "TO PERMIT CERTAIN STUDENTS COMPLETING THE TECH PREP  
16 CURRICULUM TO BE ELIGIBLE FOR THE ARKANSAS ACADEMIC  
17 CHALLENGE SCHOLARSHIP PROGRAM."

18

19 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

20

21 SECTION 1. Arkansas Code § 6-82-1001 is hereby amended to read as  
22 follows:

23 "6-82-1001. Legislative findings and declarations of public necessity.

24 The General Assembly hereby recognizes that taking the proper coursework  
25 in high school is essential for success in college. Arkansas high school  
26 students who complete the recommended precollegiate or technical preparation  
27 core curriculum score significantly higher on standardized preadmissions tests  
28 and are more likely to be successful in college. Because the State of  
29 Arkansas also benefits from the academic success of well-prepared college  
30 students, there is hereby established the Arkansas Academic Challenge  
31 Scholarship Program, a guaranteed college scholarship plan to promote academic  
32 achievement and encourage academically prepared Arkansas high school graduates  
33 to enroll in the state's colleges and universities."

34

35 SECTION 2. Arkansas Code § 6-82-1004(e) is hereby amended to read as  
36 follows:

1           "(e) The Departments of Education and Higher Education are directed to  
2 develop appropriate informational materials on the Arkansas Academic Challenge  
3 Scholarship Program and insure their distribution to Arkansas students in  
4 grades kindergarten through twelve (12) each year as part of the packet of  
5 materials on precollegiate and technical preparation distributed by the  
6 Department of Education as mandated by §§ 6-61-111, 6-61-217, 6-61-218, and 6-  
7 18-101(c)(2). This shall be accomplished through the use of school  
8 counselors."  
9

10           SECTION 3. Arkansas Code § 6-82-1005 is hereby amended to read as  
11 follows:

12           "6-82-1005. Eligibility.

13           (a) Eligibility for the Arkansas Academic Challenge Scholarship Program  
14 shall be based on the criteria set forth in this section as well as program  
15 rules and regulations adopted pursuant to this subchapter by the Department of  
16 Higher Education.

17           (b)(1) A student shall be eligible for an award from this program if he  
18 or she meets all of these criteria:

19                           (A) The recipient shall have graduated from an Arkansas  
20 high school on or after March 5, 1991, and within twenty-four (24) months of  
21 enrolling as a full-time first-time freshman at an approved institution of  
22 higher education;

23                           (B) The recipient shall have been a resident of the State  
24 of Arkansas for at least twelve (12) months prior to graduation from an  
25 Arkansas high school and the recipient's parent or parents or guardian or  
26 guardians shall have maintained Arkansas residency for the same period of  
27 time;

28                           (C) The recipient must be a citizen of the United States or  
29 be a permanent resident alien;

30                           (D) The recipient must be accepted for admission at an  
31 approved institution of higher education as a full-time first-time freshman,  
32 as defined by the Department of Higher Education, and must enroll in an  
33 approved institution within twenty-four (24) months of high school graduation;  
34 and

35                           (E) The recipient must have successfully completed the

1 precollegiate or technical preparation core curriculum established by the  
2 State Boards of Education and Higher Education pursuant to §§ 6-61-111,  
3 6-61-217, 6-61-218, and 6-18-101(c) (2). *For the purposes of this act, the*  
4 *technical preparation core curriculum shall refer to those courses reviewed by*  
5 *a peer review committee composed of high school and college faculty in the*  
6 *appropriate disciplines and equivalent to similar courses in the precollegiate*  
7 *core curriculum.*

8 (2) Further, the recipient must satisfy these criteria:

9 (A) The recipient must have achieved a grade point average  
10 of 2.5 in the set of precollegiate or technical preparation core curriculum  
11 courses; and

12 (B) The recipient must score nineteen (19) or above on the  
13 ACT Composite, or the equivalent as defined by the Department of Higher  
14 Education.

15 (3) The student must demonstrate financial need as defined by the  
16 Department of Higher Education. In calculating student financial need for  
17 applicants who graduate from an Arkansas high school after May 1, 1991, the  
18 following criteria shall be used:

19 (A) An applicant whose family includes one (1)  
20 unemancipated child under the age of twenty-one (21) shall have average family  
21 adjusted gross income over the previous two (2) years not exceeding  
22 thirty-five thousand dollars (\$35,000) per year at the time of application to  
23 the program. If the applicant is an adopted child who was at least twelve (12)  
24 years of age at the time of adoption, and the applicant's family includes one  
25 (1) unemancipated adopted child under twenty-one (21) years of age, the  
26 adoptive family's average adjusted gross income for the previous two (2) years  
27 shall not exceed forty thousand dollars (\$40,000) per year.

28 (B) An applicant whose family includes two (2)  
29 unemancipated children under the age of twenty-one (21) shall have average  
30 family adjusted gross income over the previous two (2) years not exceeding  
31 forty thousand dollars (\$40,000) per year at the time of application to the  
32 program. If the applicant is an adopted child who was at least twelve (12)  
33 years of age at the time of adoption, and the applicant's family includes two  
34 (2) unemancipated adopted children under twenty-one (21) years of age, the  
35 adoptive family's average adjusted gross income for the previous two (2) years

1 shall not exceed fifty thousand dollars (\$50,000) per year.

2 (C) An applicant whose family includes three (3) or more  
3 unemancipated children under the age of twenty-one (21) shall have average  
4 family adjusted gross income over the previous two (2) years not exceeding  
5 forty-five thousand dollars (\$45,000) per year at the time of application to  
6 the program, plus, for families with more than three (3) unemancipated  
7 children under the age of twenty-one (21), an additional five thousand dollars  
8 (\$5,000) per year for each additional child. If the applicant is an adopted  
9 child who was at least twelve (12) years of age at the time of adoption, and  
10 the applicant's family includes three (3) unemancipated adopted children under  
11 twenty-one (21) years of age, the adoptive family's average adjusted gross  
12 income for the previous two (2) years shall not exceed sixty thousand dollars  
13 (\$60,000) per year, plus, for families with more than three (3) unemancipated  
14 adopted children under the age of twenty-one (21), an additional ten thousand  
15 dollars (\$10,000) per year for each additional child.

16 (c) The Department of Higher Education is authorized to develop  
17 selection criteria through program rules and regulations which combine an  
18 applicant's ACT, or equivalent, score and grade point average in the  
19 precollegiate or technical preparation core curriculum into a selection index.  
20 Notwithstanding the provisions of subdivisions (b) (2) (A) and (b) (2) (B) of  
21 this section, this selection index shall be employed as an alternative  
22 selection process for applicants who achieve a grade point average above 2.5  
23 in the set of precollegiate or technical preparation core curriculum courses  
24 defined in subdivision (b) (1) (E) of this section, or for applicants who have  
25 an ACT Composite, or equivalent, score greater than nineteen (19).

26 (d) Starting in 1993-94, the required grade point average in the set of  
27 precollegiate or technical preparation core curriculum courses defined in  
28 subdivision (b) (1) (E) shall be 3.0, unless it is determined by the Department  
29 of Higher Education, based on review and evaluation of the program's operation  
30 in 1991-93, that this change would unduly reduce the number of low income or  
31 disadvantaged students who would otherwise be eligible for the program.

32 (e) Students who meet the provisions of subdivisions (b) (1) (A) - (C), but  
33 have not completed the precollegiate or technical preparation core curriculum  
34 defined in subdivision (b) (1) (E) by the end of the senior year of high school,  
35 shall have the grace period of twenty-four (24) months, established for this

1 purpose in subdivision (b) (1) (A) and (D), in which to make up any course or  
2 ACT score deficiencies required for program eligibility.

3 (f) The Department of Higher Education shall have the authority to  
4 adjust these financial need family income requirements on an annual basis,  
5 using the federal Consumer Price Index to make any necessary changes. Other  
6 financial need criteria necessary for the selection of recipients, including  
7 those defined as emancipated or independent by federal student aid  
8 regulations, shall be established through rules and regulations issued by the  
9 Department of Higher Education."

10

11 SECTION 4. All provisions of this act of a general and permanent nature  
12 are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code  
13 Revision Commission shall incorporate the same in the Code.

14

15 SECTION 5. If any provision of this act or the application thereof to  
16 any person or circumstance is held invalid, such invalidity shall not affect  
17 other provisions or applications of the act which can be given effect without  
18 the invalid provision or application, and to this end the provisions of this  
19 act are declared to be severable.

20

21 SECTION 6. All laws and parts of laws in conflict with this act are  
22 hereby repealed.
