15 LOCAL POLICE AND FIRE RETIREMENT SYSTEM DISABILITY  
16 RETIREMENT PROVISIONS AND FEDERAL LAW."

18  
19 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

20  
21 SECTION 1. Arkansas Code § 24-10-607 is hereby amended to read as  
22 follows:

23 "24-10-607. Disability retirement.

24 (a) (1) Any active member with five (5) years of credited service,  
25 including credited service for seventy-five percent (75%) of the two (2) years  
26 immediately preceding his disability, who becomes totally and permanently  
27 physically or mentally incapacitated for any suitable duty as an employee as a  
28 result of a personal injury or disease may be retired by the board upon  
29 written application filed with the board by or on behalf of the member. The  
30 employee shall be retired only if, after a medical examination of the member  
31 made by or under the direction of a physician or physicians designated by the  
32 board, the physician reports to the plan in writing that the member is  
33 physically or mentally totally incapacitated for the further performance of  
34 any suitable duty, that the incapacity will probably be permanent, and that  
35 the member should be retired.

36 (2) The disability annuity shall be effective the first day of

1 the calendar month next following the later of:

2 (A) His termination of active membership; and

3 (B) Six (6) months before the date the written application  
4 is filed with the board.

5 (b)(1) Upon disability retirement as provided in subsection (a) of this  
6 section, a member shall receive an annuity provided for in § 24-10-602.

7 (2) He shall have the right to elect an option provided for in  
8 §24-10-603.

9 (3) His disability retirement and annuity shall be subject to the  
10 provisions of subsection (e) of this section and to the provisions of  
11 §24-10-610.

12 (c)(1) Any active member who becomes totally and permanently physically  
13 or mentally incapacitated for any suitable duty as an employee as the result  
14 of a personal injury or disease which the board finds to have arisen out of,  
15 and in the course of, his actual performance of duty as an employee may be  
16 retired by the board upon written application filed with the board by or on  
17 behalf of the member. The employee shall be retired only if, after a medical  
18 examination of the member made by or under the direction of a physician or  
19 physicians designated by the board, the physician reports to the plan in  
20 writing that the member is physically or mentally totally incapacitated for  
21 the further performance of any suitable duty, that the incapacity will  
22 probably be permanent, and that the member should be retired.

23 (2) The disability annuity shall be effective the first day of  
24 the calendar month next following the later of:

25 (A) His termination of active membership; and

26 (B) Six (6) months before the date the written application  
27 is filed with the board.

28 (d)(1) Upon disability retirement as provided in subsection (c) of this  
29 section, a member shall receive an annuity provided for in § 24-10-602;  
30 however, for the sole purpose of computing the amount of the annuity for such  
31 retirant who does not have twenty-five (25) years of credited service in force  
32 at the beginning of the disability retirement, credited service shall be  
33 granted for the period from the date of disability retirement to the date the  
34 retirant would have completed twenty-five (25) years of credited service.

35 (2) He shall have the right to elect an option provided for in

1 §24-10-603.

2 (3) His disability retirement and annuity shall be subject to the  
3 provisions of subsection (e) of this section and to the provisions of  
4 §24-10-610.

5 (e)(1) At least one (1) time each year during the first five (5) years  
6 following a member's retirement on account of disability and at least one (1)  
7 time in each three-year period thereafter, the board may require any  
8 disability retirant who has not attained his normal retirement age to undergo  
9 a medical examination to be made by or under the direction of a physician or  
10 physicians designated by the board.

11 (2) If the retirant refuses to submit to the medical examination  
12 in any period, his disability annuity may be suspended by the board until his  
13 withdrawal of his refusal.

14 (3) If his refusal continues for one (1) year, all his rights in  
15 and to a disability annuity may be revoked by the board.

16 (4) If, upon the medical examination of the retirant, the  
17 physician reports to the board that the retirant is physically and mentally  
18 able and capable of resuming suitable duty as an employee, his disability  
19 retirement shall terminate.

20 (5) If the former disability retirant does not immediately again  
21 become an employee, then, for the purpose of determining his eligibility for  
22 any other system benefit, he shall be considered to have terminated active  
23 membership as of the time of disability retirement, but for a reason other  
24 than disability or death.

25 (6)(A) If the former disability retirant immediately again  
26 becomes an employee, he shall immediately again become a member of the system,  
27 and his credited service at the time of his disability retirement shall be  
28 restored to his credit.

29 (B) He shall be given service credit for the period he was  
30 in receipt of the disability annuity.

31 (C) Should the former disability retirant again become  
32 totally and permanently disabled within two (2) years immediately following  
33 his return to membership, the seventy-five percent (75%) credited service  
34 requirement specified in subsection (a) of this section shall be waived."  
35

1 SECTION 2. All provisions of this act of general and permanent nature  
2 are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code  
3 Revision Commission shall incorporate the same in the Code.

4

5 SECTION 3. If any provisions of this act or the application thereof to  
6 any person or circumstance is held invalid, the invalidity shall not affect  
7 other provisions or applications of the act which can be given effect without  
8 the invalid provisions or application, and to this end the provisions of this  
9 act are declared to be severable.

10

11 SECTION 4. All laws and parts of laws in conflict with this act are  
12 hereby repealed.

13

14 SECTION 5. Emergency. It is hereby found and determined by the  
15 Seventy-Ninth General Assembly of the State of Arkansas that the disability  
16 retirement provisions of the Arkansas Local Police and Fire Retirement System  
17 law conflicts with federal laws; that any conflict between federal laws and  
18 state laws leads to costly litigation and attorneys\_ fees; and that changing  
19 the laws of the state of Arkansas to eliminate these conflicts in laws will  
20 promote the more efficient and effective use of state and local government  
21 funds in Arkansas. Therefore, in order to promote the most proper expenditure  
22 of Arkansas state and local government funds, an emergency is hereby declared  
23 to exist, and this act being necessary for the immediate preservation of the  
24 public peace, health, and safety, shall be in full force and effect from and  
25 after its passage and approval.
