23
24 SECTION 7. EMERGENCY CLAUSE. It is found and determined by the
25 General Assembly of the State of Arkansas that under present law a
26 requirement for Petroleum Storage Tank Fund eligibility for reimbursement for
27 third party claims for bodily injury and property damage is the payment of
28 seven thousand five hundred dollars (\$7,500) to injured third parties by the
29 owner or operator; that if the owner or operator is discharged in bankruptcy
30 or declared insolvent, injured third parties may have no protection under the
31 law; that existing law should be changed immediately so that injured third
32 parties will be guaranteed access to the fund that is specifically designed
33 to compensate them for their injuries; and that, in addition, owners or
34 operators may not enjoy the protection originally intended by the General
35 Assembly when it initially enacted this statute unless the definition of
36 compensatory damages is clarified. Therefore, an emergency is declared to

1 exist and this act being immediately necessary for the preservation of the
2 public peace, health, and safety shall become effective on:

3 (1) The date of its approval by the Governor;

4 (2) If the bill is neither approved nor vetoed by the Governor,
5 the expiration of the period of time during which the Governor may veto the
6 bill; or

7 (3) If the bill is vetoed by the Governor and the veto is
8 overridden, the date the last house overrides the veto.
