SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that requiring a motor carrier or broker to report annually to the Arkansas Highway Commission creates an unjustified burden on the motor carrier or broker operating in the State of Arkansas; that other provisions of Arkansas law require a motor carrier or broker to report annually to other authorities; and that this act is immediately necessary because these dual reporting requirements are duplicative and need to be eliminated to reduce the duplication of government efforts. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective on:
