15	AN ACT TO AMEND VARIOUS PROVISIONS OF	
16	THE ARKANSAS CODE CONCERNING THE	
17	LICENSURE OF PROFESSIONAL ENGINEERS AND	
18	PROFESSIONAL SURVEYORS.	
19		
20		
21	BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:	
22		
23	SECTION 1. Arkansas Code §§ 17-30-101 through 17-30-103 are amended to	
24	read as follows:	
25	17-30-101. Definition.	
26	As used in this chapter, unless the context otherwise requires:	
27	(1) <u>"Board" means the State Board of Registration for</u>	
28	Professional Engineers and Land Surveyors, hereinafter provided by this	
29	chapter;	
30	(2) "Consulting engineer" means a professional engineer whose	
31	principal occupation is the independent practice of engineering, whose	
32	livelihood is obtained by offering engineering services to the public, who	
33	serves clients as an independent fiduciary, who is devoid of public,	
34 25	commercial, and product affiliation that might tend to infer a conflict of	
35	interest, and who is cognizant of his or her public and legal	

1 responsibilities, and is capable of discharging them;

2 (3)(2) "Engineer-intern" means a person who has qualified for,
3 taken, and has passed an examination in the fundamental engineering subjects,
4 as provided in this chapter;

5 (3)(A) "Firm" means any form of business entity that offers
6 professional engineering services of its licensed personnel to the public.
7 (B) "Firm" does not include an individual licensee
8 operating under his or her name.

9 (4)(A) "Practice of engineering" means any service or creative 10 work, the adequate performance of which requires engineering education, 11 training, and experience in the application of special knowledge in the 12 mathematical, physical, and engineering sciences to services or creative work such as consultation, investigation, evaluation, planning, and design of 13 14 engineering works and systems relating to the use of air, land, water, 15 municipal and regional planning, forensic services, engineering teaching of 16 advanced engineering subjects or courses related thereto, engineering 17 surveys, and the inspection of construction for the purpose of assuring 18 compliance with drawings and specifications, any of which embraces service or 19 work, either public or private, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, or projects 20 21 including such architectural work as is incidental to the practice of 22 engineering. 23 (B) A person shall be construed to practice or offer 24 practices or offers to practice engineering, within the meaning and intent of 25 this chapter, who: 26 (i) Practices any branch of the profession of

27 engineering;

(ii) By verbal claim, sign advertisement,
letterhead, card, or in any other way represents himself or herself to be an
engineer;

31 (iii) Through the use of some other title implies 32 that he or she is an engineer or that he or she is registered <u>licensed</u> under 33 this chapter; or

(iv) Holds himself or herself out as able to perform
or does perform any engineering service or work or any other service
designated by the practitioner which that is recognized as engineering.

02-06-2009 13:48 JET057

1 (C) The term "practice of engineering" shall does not 2 include persons who merely operate or maintain machinery or equipment. The practice of engineering shall does not include the 3 (D) 4 act of measuring land or drawing or reading plans or other work normally done 5 by mechanics, technicians, land professional surveyors, or draftsmen; 6 "Professional engineer" means a person who has been duly (5) 7 registered or licensed as a professional engineer by the board State Board of 8 Licensure for Professional Engineers and Professional Surveyors; and 9 (6) "Responsible charge" means direct control of, supervision of, and legal responsibility for all engineering work performed. 10 11 17-30-102. Penalties - Violations. 12 (a)(1) Any A person who shall practice practices or offer offers to 13 14 practice engineering in this state in violation of this chapter and any a 15 person using or attempting to use as his or her own the certificate of 16 registration licensure of another, who shall give gives false evidence of any 17 kind to the State Board of Registration Licensure for Professional Engineers and Land Professional Surveyors, or to any member of the board, in obtaining 18 19 a certificate of registration licensure, or who shall falsely impersonate impersonates any other practitioner or shall in any manner falsely imply 20 21 implies that he or she is registered licensed or shall violate violates any 22 of the provisions of this chapter or the rules and regulations of the board 23 shall be deemed is guilty of a misdemeanor. 24 (2) For each such offense of which he or she is convicted, 25 that the person shall be punished by: 26 (A) a A fine of not less than one hundred dollars 27 (\$100) nor more than one thousand dollars (\$1,000); 28 (B) or by imprisonment Imprisonment not to exceed 29 three (3) months; or 30 (C) by both Both fine and imprisonment. 31 (3) Each violation and each day of any violation shall 32 constitute constitutes a separate offense. 33 The following persons are guilty of a Class A misdemeanor for the (b) 34 first offense and a Class D felony for the second or any subsequent offense: 35 (1) Any A person who shall practice practices or offer 36 offers to practice engineering in this state without being registered in

1 accordance with the provisions of licensed under this chapter, or; 2 (2) any A person, firm, partnership, organization, association, corporation, or other entity using or employing the words "engineer" or 3 4 "engineering" or any modification or derivative thereof in its name or form 5 or business activity, except as authorized in this chapter, or; 6 (3) any A person presenting or attempting to use the 7 certificate of registration licensure or the seal of another, or; 8 (4) any A person who shall give gives false or forged 9 evidence of any kind to the board or to any member thereof of the board in 10 obtaining or attempting to obtain a certificate of registration licensure, 11 or; 12 (5) any A person who shall falsely impersonate any other 13 registrant impersonates a licensee of like or different name, or; 14 (6) any A person who shall attempt attempts to use an 15 expired, suspended, revoked, or nonexistent certificate of registration 16 licensure, or; 17 (7) A person who shall practice practices or offer offers 18 to practice when not qualified, or; (8) any A person who falsely claims that he or she is 19 20 registered licensed or authorized under this chapter; or 21 (9) any A person who shall violate violates any of the 22 provisions of this chapter, shall be guilty of a Class A misdemeanor for the first offense and a Class D felony for the second or any subsequent offense. 23 24 17-30-103. Injunction - Liability of board. 25 26 (a)(1) Upon proper determination that any a person has been found 27 guilty of violating the provisions of this chapter, the State Board of 28 Registration Licensure for Professional Engineers and Land Professional 29 Surveyors shall have the right to may go into file a civil suit in the proper 30 court in the jurisdiction in which the service or work is being performed. 31 (2) Upon affidavit, the board shall secure a writ of 32 injunction, without bond, restraining and prohibiting the person from 33 performance of the service or work then being done or about to commence. 34 The members of the board, acting in good faith, shall not be are (b) 35 not personally liable under this proceeding. 36

1	SECTION 2. Arkansas Code § 17-30-105 is amended to read as follows:
2	17-30-105. Exemptions.
3	This chapter shall not be construed to <u>does not</u> prevent the practice
4	by:
5	(1) Other Professions. The practice of any other legally
6	recognized profession;
7	(2) Temporary Permits.
8	(A)(i) The practice or offer to practice of engineering by
9	a person not a resident of or having no established place of business in this
10	state, provided such a <u>if the</u> person is legally qualified by registration
11	licensure to practice engineering, as defined elsewhere in this chapter, in
12	his or her own state or country.
13	(ii) An applicant may temporarily provide
14	engineering services before becoming licensed under the reciprocal and comity
15	licensure provisions of § $17-30-302(d)$ by obtaining a temporary permit.
16	(iii) The State Board of Licensure for Professional
17	Engineers and Professional Surveyors shall specify by rule the qualifications
18	necessary to obtain a temporary permit.
19	(iv) The qualifications necessary to obtain a
20	temporary permit shall be similar to those necessary for original licensure.
21	(B) Such a person shall make application An applicant for
22	a temporary permit shall submit an application for a temporary permit and for
23	reciprocal or comity licensure to the State Board of Registration for
24	Professional Engineers and Land Surveyors board in writing and, after payment
25	of a fee established by board regulation, may be granted a written permit for
26	a definite period of time to do a specific job. However, no right to
27	practice engineering shall the right to practice engineering shall not accrue
28	to such an applicant with respect to any other works not set forth in the
29	permit ; and
30	(3) Employees and Subordinates. The work of an employee or a
31	subordinate of a person holding a certificate of registration licensure under
32	this chapter, or an employee of a person practicing lawfully under
33	subdivision (2) of this section , provided such <u>if the</u> work does not include
34	final engineering designs or decisions and is done under the direct
35	supervision of and verified by a person holding a certificate of registration
36	licensure under this chapter or a person practicing lawfully under

1 subdivision (2) of this section. 2 3 SECTION 3. Arkansas Code Title 17, Chapter 30, Subchapter 2 is amended 4 to read as follows: 5 Subchapter 2 - State Board of Registration Licensure for Professional 6 Engineers and Land Professional Surveyors 7 17-30-201. Creation - Members. 8 (a) There is created a State Board of Registration Licensure for 9 Professional Engineers and Land Professional Surveyors, consisting of nine 10 (9) members to be appointed by the Governor. 11 (b)(1) Each member of the board shall be a citizen of the United 12 States, at least thirty-five (35) years of age, and shall have been a resident of this state for at least three (3) years immediately preceding his 13 14 or her appointment. 15 (2) Five (5) members shall be professional engineers of at least 16 ten (10) years' active experience, of good standing in their profession, and 17 registered licensed as professional engineers at the time of their appointments. 18 19 (3) One (1) member shall be a professional engineer and a professional surveyor of at least ten (10) years' active experience in both, 20 21 of good standing in both professions, and registered licensed as both a 22 professional engineer and a professional surveyor at the time of his or her 23 appointment. 24 (4) One (1) member shall be a professional surveyor of at least 25 ten (10) years' active experience, of good standing in his or her profession, 26 and registered licensed as a professional surveyor at the time of his or her 27 appointment. 28 (5)(A) Two (2) members of the board shall: 29 (i) Not be actively engaged as or retired as 30 professional engineers or professional surveyors; 31 (ii) Be appointed from the state at large, subject 32 to confirmation by the Senate; and 33 (iii) Be full voting members but shall not 34 participate in the grading of examinations. 35 (B) One (1) member shall represent consumers, and one (1) 36 member shall be sixty (60) years of age or older and shall represent the

1 elderly. 2 (C) The two (2) positions may not be held by the same 3 person. 4 The term of office for each member appointed shall be four (4) (c) 5 years. 6 Each member shall hold office until his or her successor shall be (d) 7 duly is appointed and qualified. 8 (e) The Governor may remove any member of the board for misconduct, 9 incompetency, or neglect of duty. 10 (f) Vacancies on the board, however created, shall be filled by the 11 Governor for the unexpired term. 12 (g) Each member of the board shall serve without compensation, except that the board member may receive expense reimbursement in accordance with 13 14 under § 25-16-901 et seq. 15 16 17-30-202. Officers and employees. 17 The State Board of Registration Licensure for Professional Engineers and Land Professional Surveyors shall: 18 19 (1) Select its own officers; and (2) Have the power to appoint an executive director who shall 20 21 serve as secretary-treasurer of the board. 22 23 17-30-203. Powers, duties, and proceedings. 24 The State Board of Registration Licensure for Professional (a) 25 Engineers and Land Professional Surveyors shall: 26 (1) Meet not less than twice a year; 27 (2) Have a seal, which among other things must be affixed to 28 every certificate of registration licensure; and 29 (3) Require that all plans, specifications, plats, and reports 30 issued by an engineer shall be stamped with a seal of a design authorized by 31 the board. 32 (b) Within the limits prescribed by this chapter, the board: 33 (1) May determine the persons entitled to be registered licensed 34 and those whose registration licenses shall be suspended or revoked; 35 (2) Shall fix the fees and renewal fees; 36 (3) Shall hold examinations for applicants for registration

1 licensure not less than twice a year; and (4) May do any and all other things necessary to its duties, 3 including the adoption of rules and regulations not inconsistent with this chapter or the Constitution and other laws. (c)(1) The board may subpoena witnesses and compel their attendance and also may require the production of books, papers, and documents. (2) Any member of the board may administer oaths or affirmations to witnesses before the board. (d) All expenses incurred by the board for the administration of this chapter are authorized to may be paid by the board. 17-30-204. Claims against board members. Any A person making a claim against a member of the State Board of Registration Licensure for Professional Engineers and Land Professional Surveyors has the burden of proving the absence of good faith. 17-30-205. Duty of Attorney General. (a) The Attorney General or his or her assistant shall act as legal advisor to the State Board of Registration Licensure for Professional Engineers and Land Professional Surveyors and render such legal assistance as may be necessary in carrying out the provisions of this chapter. (b) It shall be is the duty of the Attorney General to enforce the provisions of this chapter and to prosecute any person violating the 24 provisions of this chapter. The board may employ counsel and necessary assistance to aid in (c) the enforcement of this chapter, and the compensation and expenses therefor 27 shall be paid from the funds of the board. SECTION 4. Arkansas Code §§ 17-30-301 through 17-30-306 are amended to read as follows: 17-30-301. Registration Licensure requirement - Exceptions. No A person, unless registered licensed under the present law, shall not practice or offer to practice engineering unless that person has been registered licensed as provided in under this chapter, except that:

35 (1) An engineer-intern may engage in such a practice as an employee of or under the supervision of a registered licensed engineer; 36

HB1426

1 (2) A person holding a temporary permit under § 17-30-105(2) may 2 temporarily provide engineering services for the purpose and in the manner provided by the board when granted the temporary license not a resident of, 3 4 or having no established place of business in, this state may engage in such 5 a practice if that person is legally qualified by registration to practice 6 engineering in his or her own state, provided that the requirements for 7 registration in his or her state are comparable to the requirements in 8 Arkansas. The person shall make an application to the State Board of 9 Registration for Professional Engineers and Land Surveyors in writing and, 10 after payment of a fee established by board regulation, may be granted a 11 written permit to do a specific job for a definite period not to exceed sixty 12 (60) calendar days. The temporary permit is a courtesy extended to authorize 13 such a practice while an application for Arkansas registration is being 14 processed; 15 (3) A person may engage in such a practice if that person is 16 employed by a professional engineer and acts under his or her supervision and 17 direction: and 18 (4) A firm, association, partnership, or corporation may not 19 engage in the practice of engineering as a profession except under § 17-30-20 303 through its officers, agents, or employees and then not unless one (1) of 21 the owners or incorporators is a professional engineer and unless the 22 practice of engineering as engaged in is done under the supervision and 23 direction of a professional engineer. A firm, association, partnership, or 24 corporation may engage in the practice of engineering with relation to its 25 own property or business so long as the engineering practice is done under 26 the supervision of a professional engineer. 27 28 17-30-302. Applicant gualifications - Examination. 29 (a) Except as provided hereafter, each applicant for registration 30 licensure shall submit to an examination by the State Board of Registration 31 Licensure for Professional Engineers and Land Professional Surveyors and, if found to be qualified, shall be registered, depending on his or her education 32 33 and experience, either as:

34

- (1) A professional engineer; or
- 35 (2) An engineer-intern.

36 (b)(1)(A) A person may make application apply to be registered

<u>licensed</u> as an engineer if he or she is a graduate of an Accreditation Board for Engineering and Technology, Inc., approved engineering curriculum, or its equivalent as approved by this board, of four (4) years from a school or college approved by the board and has had four (4) years' experience in engineering work of a type satisfactory to the board.

6 (B) In its discretion, the board may consider
7 satisfactory graduate study in engineering equal to one (1) year's
8 experience.

9

(2) This subsection shall be effective July 1, 2001.

10 (c)(1) A person may make application <u>apply</u> to be registered as an 11 engineer-intern if he or she is a graduate of an approved Accreditation Board 12 for Engineering and Technology, Inc., or its equivalent as approved by this 13 board, engineering curriculum of four (4) years from a school or college 14 approved by the board.

15

(2) This subsection shall be effective July 1, 1997.

(d) The board in its discretion may waive examination of a person applying to be registered licensed as an engineer or an engineer-intern if he or she is registered licensed either as an engineer or an engineer-intraining or an engineer-intern by the registering licensing authority of any state or territory or possession of the United States or of any foreign country, provided if his or her qualifications at the time he or she was registered licensed are not less than those provided in this chapter.

23

24

17-30-303. Authorization certificates.

(a)(1) The practice, or offer to practice, for others, as defined in §
17-30-101, by individuals registered licensed under this chapter through a
corporation as officers, employees, or agents, <u>firm</u> is permitted, subject to
the provisions of this chapter, provided that <u>if</u>:

(A) One (1) or more of the corporate officers, agents,
employees, partners, members, or managers of the corporation firm designated
as being responsible for the engineering activities and decisions is a
professional engineer under this chapter or under the engineering
registration licensure law of another state, territory, or possession of the
United States or the District of Columbia;

35 (B) All personnel of the corporation <u>firm</u> who act in its
 36 behalf as professional engineers are registered <u>licensed</u> under this chapter,

1 or are persons lawfully practicing under § 17-30-105; and

2 (C) The corporation <u>firm</u> has been issued a certificate of
3 authorization by the State Board of <u>Registration Licensure</u> for Professional
4 Engineers and <u>Land</u> Professional Surveyors as hereinafter provided.

5 (2) All final drawings, specifications, plans, reports, 6 calculations, or other engineering papers or documents involving the practice 7 of engineering, as defined in this chapter, when issued or filed for public 8 record, shall be dated and bear the signature and seal of the professional 9 engineer qualified in the appropriate branch of engineering who prepared them 10 or under whose immediate direction they were prepared.

11 (b)(1) A corporation firm desiring a certificate of authorization 12 shall file with the board an application, using the form provided by the board, listing the names and addresses of all officers and board members of 13 the corporation providing all the information required by the board, and also 14 15 listing the names and addresses of the individual or individuals duly 16 registered licensed to practice engineering in this state who shall be in 17 responsible charge of the practice of engineering in the state through the 18 corporation firm, and other information, which must accompany the annual 19 renewal fee.

20 (2) In the event If there shall be is a change in any of these 21 persons during the year, such a the change shall be designated on the same 22 form and filed with the board within thirty (30) days after the effective 23 date of the change.

(3) If all of the requirements of this section are met, the
board shall issue a certificate of authorization to such a corporation the
<u>firm</u>, and the corporation shall be authorized to <u>firm may</u> contract for and to
collect fees for furnishing engineering services.

(c) The requirements of this chapter shall This chapter does not prevent a corporation <u>firm</u> from performing engineering services for the corporation <u>firm</u> itself or a subsidiary or an affiliate of the corporation <u>firm</u>.

32 (d)(1) No such <u>The corporation firm</u> shall <u>not</u> be relieved of
33 responsibility for the conduct or acts of its agents, employees, officers, or
34 partners by reason of its compliance with <u>the provisions of</u> this section.
35 (2) No <u>An</u> individual practicing engineering under <u>the provisions</u>
36 of this chapter shall not be relieved of responsibility for engineering

services performed by reason of employment or other relationship with a
 corporation <u>firm</u> holding an authorization certificate.

3 (e) A certificate of authorization shall be renewed as hereinafter
4 provided in this chapter.

5 (f) An engineer who renders occasional, part-time, or consulting 6 engineering services to or for a firm may not, for the purpose of this 7 section, be designated as being responsible for the professional activities 8 of the firm.

9 (g)(1) The Secretary of State shall not issue a certificate of 10 incorporation to an applicant or a registration as a foreign firm to a firm 11 which that includes among the objectives for which it is established any of 12 the words "engineer", "engineering", or any modification or derivation 13 thereof unless the board of registration licensure for this profession has 14 issued for the applicant a certificate of authorization or a letter 15 indicating the eligibility of the applicant to receive such a certificate.

16 (2) The firm applying shall supply such a certificate or letter 17 from the board with its application for incorporation or registration.

(h) The Secretary of State shall decline to register any trade name or
service mark which that includes such words as set forth in subsection (g) of
this section, or modifications or derivatives thereof, in its firm name or
logos except those corporations firms holding authorization certificates
issued under the provisions of this section.

23

24 17-30-304. Fees - Renewal of certificates - Disposition of funds 25 Inactive - Reinstatements.

(a) The State Board of Registration Licensure for Professional
Engineers and Land Professional Surveyors shall have the power to may
establish application fees, certificate fees, and renewal fees as it deems
necessary within the guidelines of the State of Arkansas.

30 (b) The board shall have the power and authority to may establish
31 guidelines and to require a demonstration of continuing professional
32 competency as a condition of renewal or relicensure.

33 (c) All certificates shall be renewed annually or biannually
34 <u>biennially</u> at the discretion of the board.

35 (d) The fees shall be deposited in a bank designated by the board, and 36 the officer or employee who collects the fees and disburses them shall be

12

HB1426

1	required to execute a corporate surety bond for the proper accounting
2	thereof.
3	(e)(1) A professional engineer or engineer-intern licensed under this
4	chapter who is not engaged in the practice of engineering may request that
5	the board grant him or her inactive status by placing his or her name on the
6	board's inactive roll.
7	(2) A professional engineer or engineer-intern who is granted
8	inactive status maintains the right to seek active license status at a later
9	time.
10	(3) A professional engineer whose license is inactive may return
11	to active status by:
12	(A) Notifying the board in advance of his or her intention
13	to return to active status;
14	(B) Paying the appropriate fees; and
15	(C) Meeting all requirements of the board, including
16	demonstration of professional competency.
17	(4) Inactive status shall continue so long as the license holder
18	pays the annual fee under the board's rules.
19	(f) A professional engineer or engineer-intern whose license has not
20	been renewed may have it reinstated by meeting all requirements of the board
21	<u>including:</u>
22	(1) Paying all applicable fees and penalties;
23	(2) Demonstrating continuing professional competency; and
24	(3) Reexamination.
25	
26	17-30-305. Suspension or revocation.
27	(a) The State Board of Registration <u>Licensure</u> for Professional
28	Engineers and Land Professional Surveyors shall have the power to may suspend
29	or revoke, or to refuse to issue, restore, or renew, a certificate of
30	registration licensure of, or place on probation, or fine, or reprimand, or
31	any combination of these, any professional engineer who is <u>:</u>
32	(1) found Found guilty of:
33	(1) (A) The practice of any fraud or deceit in obtaining or
34	attempting to obtain or renew a certificate of registration <u>licensure</u> or
35	certificate of authorization;
36	(2)(B) Any negligence <u>Negligence</u> , incompetency, or misconduct in

1 the practice of engineering;

2 (3) Conviction of or entry of a plea of nolo contendere to any 3 crime, under the laws of the United States or any state or territory thereof, which is a felony, whether related to practice or not, and conviction of or 4 5 entry of a plea of nolo contendere to any crime, whether a felony, 6 misdemeanor, or otherwise, an essential element of which is dishonesty or 7 which is directly related to the practice of engineering; 8 (4)(C) Failure to comply with any of the provisions of this 9 chapter or any of the rules or regulations pertaining thereto to this 10 chapter; 11 (5) (D) Discipline by another state, territory, the District of 12 Columbia, a foreign country, the United States Government, or any other governmental agency, if at least one (1) of the grounds for discipline is the 13 14 same or substantially equivalent to those contained in this section; 15 (6)(E) Failure within thirty (30) days to provide information 16 requested by the board as a result of a formal or informal complaint to the 17 board which that would indicate a violation of this chapter; 18 (7) (F) Knowingly making false statements or signing false 19 statements, certificates, or affidavits to induce payment; 20 (8) (G) Aiding or assisting another person in violating any 21 provision of this chapter or the rules or regulations pertaining thereto to 22 this chapter; 23 (9)(H) Violating any terms of probation imposed by the board, or 24 using a seal or practicing engineering while the professional engineer's 25 license is suspended, revoked, nonrenewed, or inactive; 26 (10) (I) Signing, affixing the professional engineer's seal, or 27 permitting the professional engineer's seal or signature to be affixed to any 28 specifications, reports, drawings, plans, design information, construction 29 documents, or calculations, or revisions thereof, which that have not been 30 prepared or completely checked by the professional engineer or under the 31 professional engineer's direct supervision or control; 32 (11)(J) Engaging in dishonorable, unethical, or unprofessional 33 conduct of a character likely to deceive, defraud, or harm the public; 34 (12)(K) Providing false testimony or information to the board; 35 or (13)(L) Habitual intoxication, or addiction to the use of drugs 36

02-06-2009 13:48 JET057

1	or alcohol . ; or
2	(2) Convicted of or enters a plea of nolo contendre to:
3	(A) A felony;
4	(B) A crime of which an essential element is dishonesty;
5	or
6	(C) A crime that is directly related to the practice of
7	engineering.
8	(b) In addition to any other penalty provided in this section, any <u>a</u>
9	person who violates any provision of this chapter , or any rule or regulation
10	pertaining thereto, of the board shall pay to the board a civil penalty in an
11	amount determined by the board of not more than $\frac{1}{1000}$ thousand dollars
12	(\$2,000) <u>(\$5,000)</u> for each offense.
13	(c) <u>(l)</u> The board shall have prepared and shall adopt rules of
14	professional conduct , as provided in <u>under</u> § 17-30-203 , which <u>that</u> shall be
15	made known in writing to every registrant <u>applicant</u> for registration
16	<u>licensure</u> under this chapter, and which shall be published in the roster.
17	(2) Such a The publication shall constitute due notice to
18	all registrants <u>licensees</u> .
19	(3) The board may revise and amend these rules of
20	professional conduct from time to time and shall forthwith notify each
21	$rac{{\sf registrant}}{{\sf licensee}}$ in writing of $rac{{\sf such}}{{\sf such}}$ revisions or amendments.
22	(d) The board shall have the power to may:
23	(1) Revoke a certificate of authorization;
24	(2) Suspend a certificate of authorization, for a period of time
25	not exceeding two (2) years, of any corporation \underline{firm} where one (1) or more of
26	its officers or directors have been found guilty of any conduct which <u>that</u>
27	would authorize a revocation or suspension of their certificates of
28	registration licensure under the provisions of this section;
29	(3) Place on probation for a period of time and subject to such
30	conditions as the board may specify; or
31	(4) Levy a fine in an amount not to exceed two <u>five</u> thousand
32	dollars (\$2,000) <u>(\$5,000)</u> for each count or separate offense.
33	(e) The board shall have the power to <u>may</u> discipline nonregistrants
34	$\underline{\text{nonlicensees}}$ that violate $\underline{\text{provisions}}$ of this chapter by the levy of a fine in
35	an amount not to exceed two <u>five</u> thousand dollars (\$2,000) <u>(\$5,000)</u> for each
36	offense.

1 2

17-30-306. Disciplinary action - Procedures.

3 (a) Any <u>A</u> person may prefer charges of fraud, deceit, gross
4 negligence, incompetence, misconduct, or violation of the rules of
5 professional conduct against any individual registrant <u>licensee</u> or against
6 any corporation <u>a firm</u> holding a certificate of authorization.

_

7 (b) All charges, unless dismissed by the State Board of Registration
8 Licensure for Professional Engineers and Land Professional Surveyors as
9 unfounded or trivial, or unless settled informally, shall be heard by the
10 board within six (6) months after the date on which they shall have been were
11 preferred.

12 (c)(1) The time and place for the hearings shall be fixed by the board 13 and a copy of the charges, together with a notice of the time and place of 14 hearing, shall be personally served on or mailed to the last known address of 15 the individual registrant licensee or corporation firm holding a certificate 16 of authorization at least twenty (20) days before the date fixed for the 17 hearing.

18 (2) At any the hearing, the accused individual registrant
19 licensee or corporation firm holding a certificate of authorization shall
20 have the right to may appear in person or by counsel, or both, to cross21 examine witnesses in his or her or its defense and to produce evidence and
22 witnesses in his or her or its own defense.

23 (3) If the accused person or corporation <u>firm</u> fails or refuses
24 to appear, the board may proceed to hear and determine the validity of the
25 charges.

26 (d)(1) If after such a hearing a majority of the board votes in favor 27 of sustaining the charges, the board shall may:

28

(A) reprimand Reprimand;

29	(B) refuse <u>Refuse</u> to issue, restore, or renew;
30	(C) place Place on probation for a period of time; or
31	(D) and, subject Subject to such conditions as the
32	board may specify specified by the board, suspend or revoke the individual's
33	certificate of registration <u>licensure</u> or a corporation's the firm's
34	certificate of authorization.
35	(2) In addition to or in lieu of any of the items in subdivision
36	(d)(l) of this section, the board may fine the individual or

corporation <u>firm</u> in an amount not to exceed two <u>five</u> thousand dollars
 (\$2,000) (\$5,000) for each offense.

3 (e) An individual registrant having licensee who has a certificate of 4 registration licensure or a corporation having firm that has a certificate of 5 authorization or a nonregistrant nonlicensee aggrieved by any action of the 6 board in levying a fine or denying, suspending, refusing to issue, restoring, 7 renewing, or revoking his or her certificate of registration licensure or its 8 certificate of authorization may appeal therefrom to the proper court under 9 normal civil procedures.

10 (f)(1) A penalty assessed pursuant to under § 17-30-305 shall be 11 assessed in a proceeding as provided in this section.

12 (2) Unless the amount of the penalty is paid within fifty (50) 13 days after the order becomes final, the order shall constitute a judgment and 14 shall be filed and execution issued thereon in the same manner as any other 15 judgment of a court of record.

16 (g) The board may, upon petition of an individual registrant licensee 17 or corporation firm holding a certificate of authorization, reissue a 18 certificate of registration licensure or authorization, provided that if a 19 majority of the members of the board vote in favor of such issuance. 20

21 SECTION 5. Arkansas Code §§ 17-48-101 through 17-48-102 are amended to 22 read as follows:

23 17-48-101. Definitions.

25

26

24 As used in this chapter:

(1) "Board" means the State Board of Registration for Professional Engineers and Land Surveyors;

27 (A) "Firm" means any form of business entity that offers
 28 professional surveying services of its licensed personnel to the public.
 29 (B) "Firm" does not include an individual licensee

30 <u>operating under his or her name.</u>

31 (2)(A) "Land surveying" means any service comprising the:
32 (i) Determination of the location of land boundaries
33 and land boundary corners; and
34 (ii) Preparation of:

35 (a) Plats showing the shape and areas of
 36 tracts of land and their subdivision into smaller tracts;

17

HB1426

1 (b) Plats showing the location of streets, 2 roads, and rights-of-way of tracts to give access to smaller tracts; and 3 (c) Official plats, or maps, of land thereof 4 in this state. 5 "Land surveying" shall does not include the measure of (B) 6 acreage of timber, cotton, rice, or other agricultural crops. 7 (C) A person shall be construed to practice or offer 8 practices or offers to practice land surveying who: 9 (i) Engages in land surveying for others; or 10 (ii) By verbal claim, sign, letterhead, card, 11 telephone listing, or in any other way represents himself or herself: 12 (a) To be a professional surveyor; or (b) As able to perform land surveying in this 13 14 state.; 15 (3) "Metadata" means a description of the content, ancestry and 16 source, quantity, database schema, and accuracy of digital map data; 17 (4) "Professional surveyor" means a person who, by reason of 18 special knowledge of mathematics, surveying principles and methods, and legal 19 requirements that are acquired by education or practical experience, is qualified to engage in the practice of land surveying and surveying 20 21 measurement certification; and 22 (5) "Surveying measurement certification" means providing the 23 professional service of certification or sealing of maps, documents, digital 24 files, or other data for the purpose of verifying to verify that the maps, 25 documents, digital files, or other data are authoritative professional 26 determinations based on accepted methods and principals principles of 27 surveying measurement or analysis representing or listing the following types 28 of surveying measurements: 29 (A) The configuration or contour of the earth's surface or 30 the position of fixed objects on the earth's surface; 31 (B) The position or elevation of any survey boundary or 32 control monument or reference point; and 33 (C) The alignment or elevation of any fixed works embraced 34 within the practice of professional engineering. 35 36 17-48-102. Penalties - Enforcement.

1 (a)(1) Unless a different penalty is specifically provided, any a 2 person who violates any of the provisions of this chapter shall be guilty of 3 a Class B misdemeanor. 4 (2) It shall be is the duty of all duly constituted officers of 5 the state and all of its political subdivisions to enforce the provisions of 6 this chapter and prosecute any persons violating them it. 7 (b)(1) The State Board of Registration Licensure for Professional 8 Engineers and Land Professional Surveyors is authorized to may levy a civil 9 penalty against any registered licensed engineer, professional surveyor, or 10 surveyor intern who: 11 (A) Is found guilty of: 12 (i) Any fraud Fraud or deceit in his or her practice 13 or in securing a certificate of registration licensure; or 14 (ii) Gross negligence, incompetence, or misconduct; 15 or 16 (B) Fails or refuses to comply with any laws relating to 17 the registration licensure and practice of engineers, professional surveyors, 18 or surveyor interns or any rules or regulations adopted by the board pursuant 19 to under the authority granted in such laws. 20 (2) Any civil penalty levied by the board may be in lieu of or 21 in addition to any other sanction which may be imposed by the board. 22 (3) No A civil penalty assessed by the board shall not be $\frac{1}{1}$ 23 than twenty-five dollars (\$25.00) nor more than two five thousand dollars 24 (\$2,000) (\$5,000). The Attorney General or his or her assistants shall act as legal 25 (c) 26 advisors to the board and render such legal assistance as may be necessary. The board may employ counsel to enforce this chapter, the costs to 27 (d) 28 be paid from the funds of the board. 29 30 SECTION 6. Arkansas Code §§ 17-48-104 through 17-48-105 are amended to read as follows: 31 32 17-48-104. Powers of the board. 33 (a) The State Board of Registration Licensure for Professional 34 Engineers and Land Professional Surveyors shall have the power to may adopt 35 and amend all bylaws and rules of procedure, not inconsistent with the 36 Arkansas Constitution and laws of this state or this chapter, which that may

be reasonably necessary for the proper performance of its duties and the regulations of its proceedings, meetings, records, examinations, and the conduct thereof.

4 (b) The board is authorized to may engage such technical advice and 5 counsel as necessary to review applications, conduct interviews, prepare and 6 give examinations, grade examinations, as required by this chapter, and to 7 pay for such services.

8 (c)(1) In carrying into effect the provisions of this chapter, the 9 board, under the hand of its president and the seal of the board, may 10 subpoena witnesses and compel their attendance and also may require the 11 submission of books, papers, documents, or other pertinent data, in any 12 disciplinary matter, or in any case wherever in which a violation of this 13 chapter is alleged.

14 (2) Upon failure or refusal to comply with any 15 such order of the board, or upon failure to honor its subpoena, as provided 16 in this section, the board may apply to a court of any jurisdiction to 17 enforce compliance with them.

18 (d)(1) The board is authorized in the name of the state to In the name 19 of the state, the board may apply for relief by injunction in the established 20 manner provided in cases of civil procedure, without bond, to enforce the 21 provisions of this chapter or to restrain any violation thereof.

22 <u>(2)</u> In such proceedings, it shall not be <u>is not</u> necessary to 23 allege or prove either that an adequate remedy at law does not exist or that 24 substantial or irreparable damage would result from the continued violation 25 thereof.

26 <u>(3)</u> The members of the board shall not be 27 personally liable under this procedure.

(e) The board may establish application fees, certificate fees,
renewal fees, and any other fees as it deems necessary within the guidelines
of the State of Arkansas.

31

32 33

17-48-105. Seal and signature required.

(a) Each registered <u>licensed</u> professional surveyor shall:

(1) Procure a personal seal, in form approved by the State Board
 of Registration Licensure for Professional Engineers and Land Professional
 Surveyors; and

1 (2) Affix his or her signature and the seal upon all maps, 2 plats, surveys, or other documents before the delivery thereof to any client 3 or before offering to file a record of any such map, plat, survey, or other 4 document in the office of the recorder of deeds of any county or with any 5 proper public authority.

6 (b) It shall be <u>is</u> unlawful for the recorder of deeds of any county or 7 any proper public authority to file or record any map, plat, survey, or other 8 document within the definition of land surveying, which <u>that</u> does not have 9 impressed thereon, and affixed thereto, the personal signature and seal of a 10 registered <u>licensed</u> professional surveyor by whom the map, plat, survey, or 11 other document was prepared.

12

13 SECTION 7. Arkansas Code §§ 17-48-201 through 17-48-206 are amended to 14 read as follows:

15

17-48-201. Registration required - Sole or group practice - Trainees.

16 (a)(1) It shall be is unlawful for any a person who is not a 17 professional surveyor registered licensed by the State Board of Registration Licensure for Professional Engineers and Land Professional Surveyors to hold 18 19 himself or herself out as a professional surveyor to practice or offer to 20 practice land surveying in the state, as defined in the provisions of this 21 chapter, or to use in connection with his or her name or otherwise assume or 22 advertise any title or description tending to convey the impression that he 23 or she is a professional surveyor unless the person has been registered licensed under the provisions of this chapter. 24

(2) The board shall have the power to may discipline
nonregistrants nonlicensees that violate provisions of this chapter by the
levy of a fine in an amount not to exceed two five thousand dollars (\$2,000)
(\$5,000) for each offense.

(b)(1)(A) Admission to practice land surveying and surveying
measurement certification shall be determined upon the basis of individual
personal qualifications.

(B) The right to engage in the practice of land surveying
and surveying measurement certification shall be deemed is a personal right,
based upon the qualifications of the individual, evidenced by his or her
registration license certificate, and shall is not be transferable.
(2) The term "surveying" "Surveying measurement certification"

shall not be construed to does not permit the preparation of engineering or
 architectural design documents or quantity estimate payment documents.

3 (c)(1) Any <u>A</u> professional surveyor may practice his or her profession
4 through the medium of, or as a member or employee of, a partnership, firm,
5 joint-stock association, or corporation, provided that <u>if:</u>

6 (A) all All surveys are signed and stamped with the
7 signature and seal of the professional surveyor in responsible charge; and
8 (B) The firm has complied with § 17-48-207.

9 (2) The professional surveyor signing and sealing the 10 surveys shall be personally and professionally responsible therefor, and his 11 or her participation in any form of business organization such as a 12 partnership, firm, joint-stock association, or corporation, firm either as a 13 partner, principal, or employee, shall does not limit his or her individual 14 liability.

15 (d) A surveyor intern may engage in the practice of land surveying16 only as an employee of or under the supervision of a professional surveyor.

17 (e) It shall be is unlawful for any a person to prepare, distribute, or place the public records, maps, documents, digital files, or other data 18 19 that bear or contain a seal or any certification consisting of a verbal, 20 numerical, or symbolic representation of the accuracy or precision of 21 surveying measurements as defined in § 17-48-101(-5)(4) or which that bear or 22 contain a statement of determination by an authoritative professional source 23 unless the maps, documents, digital files, or other data bear or contain the 24 seal of a professional surveyor or professional engineer practicing within 25 his or her respective discipline.

26 (f) The provisions of this chapter shall This chapter does not apply 27 to:

(1) The usual symbols and statements of the cartographic
representation of scale and direction, including, but not limited to, without
<u>limitation</u> scale ratios, scale bars, and north arrows;

31 (2) The preparation and attachment of metadata or to the 32 scientific analysis of measurement data for research by a person who is not a 33 professional surveyor or professional engineer; and

34 (3) Any <u>A</u> government agency or office in conducting its
35 statutory or constitutional duties to certify representations of spatial
36 data.

1 (g) Nothing in this chapter This chapter does not impair or reduce the 2 scope of: 3 (1) The professional practice of engineers as defined by statute 4 and rules of the board; and 5 The professional practice of professional architects as (2) 6 defined by statute and rules of the Arkansas State Board of Architects. 7 8 17-48-202. Application. (a) Application for registration <u>licensure</u> as a professional surveyor 9 10 or surveyor intern shall be made on forms provided by the State Board of 11 Registration Licensure for Professional Engineers and Land Professional 12 Surveyors to be signed and sworn to by the applicant. The forms shall contain statements made under oath, showing the 13 (b) applicant's education, experience record, references, and any other pertinent 14 15 information as determined by the board. 16 (c) All applicants shall furnish references from five (5) persons 17 having knowledge of work done by the applicant. 18 (d) Applications shall be filed with the secretary of the board and 19 shall be accompanied by an application fee of not more than thirty-five 20 dollars (\$35.00) for professional surveyor applicants and not more than ten 21 dollars (\$10.00) for professional surveyor intern applicants. 22 (e) Should the board deny the issuance of a certificate of 23 registration to any applicant, one-half (1/2) the fee paid shall be retained as 24 an examination fee. 25 26 17-48-203. Qualifications - Certification. 27 (a) Any A person who shall show shows to the satisfaction of the State 28 Board of Registration Licensure for Professional Engineers and Land 29 Professional Surveyors that he or she is a person of good character and 30 reputation and over twenty-one (21) years of age shall be eligible for registration licensure as a professional surveyor, provided that if he or she 31 32 qualifies under one (1) of the following provisions: 33 (1) A person holding a certificate of registration licensure to 34 engage in the practice of land surveying issued to him or her on the basis of 35 a written examination by proper authority of a state, territory, possession

36 of the United States, the District of Columbia, or any foreign country, based

1 on requirements and qualifications as shown on his or her application, which,
2 <u>that</u> in the opinion of the board, are equal to or higher than the
3 requirements of this chapter, may be registered <u>licensed</u> at the discretion of
4 the board;

5 (2)(A) A graduate from an approved engineering curriculum with 6 sufficient surveying courses or any a surveying technology curriculum of two 7 (2) years or more approved by the board, followed by at least two (2) years 8 of land surveying which that must be surveying experience of a character 9 satisfactory to the board, who shall have has passed a written examination 10 designed to show that he or she is qualified to practice land surveying in 11 this state, may be registered licensed, provided that if he or she is 12 otherwise qualified.

(B) Each year of teaching land surveying in an approved
engineering or surveying curriculum may be considered as equivalent to one
(1) year of land surveying experience; or

16 (3)(A) An applicant who cannot qualify under subdivision (a)(2)
17 of this section and who has six (6) years or more of active experience in
18 land surveying of a character satisfactory to the board and who shall have
19 <u>has</u> passed a written examination designed to show that he or she is qualified
20 to practice land surveying may be granted a certificate of registration
21 <u>licensure</u> to practice land surveying in this state, provided that <u>if</u> he or
22 she is otherwise qualified.

(B) Each year of satisfactory work in an approved
engineering or engineering technology curriculum majoring in surveying may be
considered as one (1) year of experience in land surveying, but not exceeding
two (2) years.

(b) Any <u>A</u> person who shall show shows to the satisfaction of the board that he or she is a person of good character shall be eligible for registration <u>licensure</u> as a surveyor intern, provided that <u>if</u> he or she qualifies under one (1) of the following provisions:

31 (1) A person holding a certificate of registration licensure as 32 a surveyor intern issued to him or her on the basis of a written examination 33 by proper authority of a state, territory, possession of the United States, 34 the District of Columbia, or any foreign country, based on requirements and 35 qualifications as shown on his or her application, which requirements and 36 qualifications, in the opinion of the board, are equal to or higher than the

requirements of this chapter, may be registered <u>licensed</u> as a surveyor intern at the discretion of the board;

3 (2) A graduate from an approved engineering curriculum with 4 sufficient surveying courses, or any surveying technology curriculum of two 5 (2) years or more, approved by the board, who shall have has passed a written 6 examination designed to show that he or she is proficient in surveying 7 fundamentals, may be registered licensed, provided that <u>if</u> he or she is 8 otherwise qualified; or

9 (3)(A) An applicant who cannot qualify under subdivision (b)(2) 10 of this section and who has four (4) years or more of active experience in 11 land surveying of a character satisfactory to the board and who shall have 12 <u>has</u> passed a written examination designed to show that he or she is 13 proficient in surveying fundamentals may be registered <u>licensed</u>, provided 14 <u>that if</u> he or she is otherwise qualified.

(B) Each year of satisfactory work in an approved
engineering or engineering technology curriculum majoring in surveying may be
considered as one (1) year of experience in land surveying, but not exceeding
two (2) years.

19

1

2

20 21 17-48-204. Expiration and renewal - Inactive status - Reinstatement.
(a) All certificates shall be renewed annually or biannually

22 <u>biennially</u> at the discretion of the State Board of Registration Licensure for
 23 Professional Engineers and Land Professional Surveyors.

(b) Certificates of registration <u>licensure</u> for professional surveyors and professional surveyor interns shall be renewed by the board to persons who are holders of certificates issued under this chapter who shall have furnished evidence satisfactory to the board of compliance with the requirements of § 17-48-206(a).

29 (c)(1)(A) Notwithstanding the provisions of subsection (b) of this 30 section, a professional surveyor or surveyor intern registered licensed under this chapter who is not engaged in the practice of land surveying may request 31 32 in writing that the board, in writing, to place his or her name on the 33 board's inactive roll, thereby granting him or her inactive status and 34 protecting his or her right to obtain a certificate of registration pursuant 35 to licensure under subsection (b) of this section at such later time as he or 36 she may wish to become engaged in the practice of land surveying.

HB1426

1	(B) Inactive status shall continue as long as the licensee
2	pays the annual fee under the board's rules.
3	(2) If upon receipt of notification the board determines that
4	the registered professional surveyor is not engaged in the practice of land
5	surveying, the registered professional surveyor will be permitted to retain
6	his or her initial certificate of registration by paying an annual
7	registration fee A professional surveyor whose license is inactive may return
8	to active status by:
9	(A) Notifying the board in advance of his or her
10	intention to return to active status;
11	(B) Paying the appropriate fees; and
12	(C) Meeting all requirements of the board, including
13	demonstration of continuing professional competency.
14	(d) In the event a registered professional surveyor or surveyor intern
15	shall fail either to apply for an annual certificate of registration or to be
16	placed on the board's inactive roll within six (6) months from the expiration
17	date of the certificate of registration last obtained pursuant to subsection
18	(b) or (c) of this section, it shall deprive him or her of the right to apply
19	for a certificate of registration or inactive status unless the board, in its
20	discretion, determines the failure to have been due to a reasonable cause. In
21	that case, in its discretion, the board may require any or all of the
22	following:
23	(1) A reinstatement fee;
24	(2) The total annual registration fees which would have been
25	paid under this section during the period when neither a certificate of
26	registration nor inactive status was maintained; or
27	(3) Successful completion of a written examination designed to
28	show that the professional surveyor is qualified to resume the practice of
29	land surveying in this state <u>A professional surveyor or surveyor intern whose</u>
30	certificate of licensure has not been renewed may have it reinstated by
31	meeting all requirements of the board, including:
32	(1) Payment of fees;
33	(2) Payment of applicable penalties;
34	(3) Demonstration of continuing professional competency; and
35	(4) Reexamination.
36	

1 17-48-205. Revocation. 2 If after a hearing the The Arkansas State Board of Registration Licensure for Professional Engineers and Land Professional Surveyors shall 3 4 revoke the license of a professional surveyor or surveyor intern if after a 5 hearing the board finds that any registered the professional surveyor or 6 surveyor intern: 7 (1) secured Secured his or her registration license 8 through the practice of fraud or deceit or through false statements made in 9 his or her application for his or her registration license in any document 10 subsequently filed or in any oral testimony subsequently given in support of 11 the applications; 12 (2) that he or she has Has been guilty of any gross negligence, incompetence, or misconduct in the practice of land surveying; 13 14 or 15 (3) that he or she has Has been convicted of any felony or 16 crime involving moral turpitude, then the board shall revoke the registration 17 of the accused. 18 19 17-48-206. Continuing education requirements. (a)(1)(A) After the expiration of the two-year period immediately 20 following the effective date of the adoption of regulations by the Arkansas 21 22 State Board of Registration Licensure for Professional Engineers and Land 23 Professional Surveyors establishing requirements of continuing education, 24 every application for renewal of a certificate of registration licensure 25 under this section shall be accompanied or supported by such evidence as the 26 board shall prescribe prescribes documenting the completion of fifteen (15) 27 hours of acceptable continuing education, approved by the board, during the 28 twelve-month period immediately preceding the date of application. 29 (B) Failure by an applicant to provide this evidence 30 shall constitute constitutes grounds for revocation, suspension, or refusal to renew the permit unless the board, in its discretion, shall determine 31 32 determines the failure to have been is due to reasonable cause or the 33 applicant was not engaged in the practice of land surveying and maintained 34 his or her initial certificate of registration as prescribed by licensure 35 under § 17-48-204(c). 36 (2)(A) In its discretion, the board may renew a certificate of

1 registration licensure despite the failure to furnish evidence of 2 satisfaction of requirements of continuing education and may issue a 3 certificate of registration licensure to an applicant who has previously 4 maintained inactive status under 17-48-204(c) upon the condition that the 5 applicant follow a particular program or schedule of continuing education. 6 (B) In issuing rules, regulations, and individual orders 7 in respect to requirements of continuing education, in its discretion the 8 board: 9 (i) May, among other things, use and rely upon 10 guidelines and pronouncements of recognized educational and professional 11 associations; 12 (ii) May prescribe content, duration, and organization of courses; 13 14 (iii) Shall take into account the accessibility to 15 applicants of such continuing education as it may require; and 16 (iv) May provide for relaxation or suspension of 17 requirements in regard to applicants who certify that they do not intend to engage in the practice of land surveyors and for instances of individual 18 19 hardship. 20 (3) In its discretion, the board may exempt registered licensed professional surveyors sixty (60) years of age or with twenty (20) or more 21 22 years' experience as practicing professional surveyors within this state from 23 the provisions of this subsection. 24 (b)(1) The board is authorized to may prescribe regulations, 25 procedures, and policies in the manner and condition under which credit shall 26 be given for participation in a program of continuing education that the 27 board may deem necessary and appropriate to maintain the highest standard of 28 proficiency in the profession of land surveying. 29 (2) Examples of programs of continuing education which will be 30 that are acceptable include, but are not limited to, without limitation 31 programs or seminars sponsored by higher educational institutions, government 32 agencies, professional organizations of registered land surveyors, and

33 34 related professions.

35 SECTION 8. Arkansas Code Title 17, Chapter 48, Subchapter 2 is amended 36 to add an additional section to read as follows:

HB1426

28

1	17-48-207. Certificates of authorization.
2	(a) A firm that practices or offers to practice surveying is required
3	to obtain a certificate of authorization from the State Board of Licensure
4	for Professional Engineers and Professional Surveyors under the board's
5	<u>rules.</u>
6	(b)(1) In order to obtain a certificate of authorization, a surveying
7	firm shall file an application with the board on a form provided by the board
8	and shall provide all information required by the board's rules.
9	(2) A firm shall file a new application with the board on a form
10	provided by the board:
11	(A) Upon renewal of the certificate of
12	authorization; and
13	(B) Within thirty (30) days of the time that any of the
14	information contained in the application form changes or differs for any
15	reason from the information contained in the original application form.
16	(3) If in the judgment of the board the application meets the
17	requirements of this chapter, the board shall issue a certificate of
18	authorization for the surveying firm.
19	(c) A certificate of authorization is not required for a firm
20	performing surveying for:
21	(1) Itself;
22	(2) The firm's parent organization; or
23	(3) A subsidiary of the firm.
24	(d)(1) A firm shall not be relieved of responsibility for the conduct
25	or acts of its agents, employees, officers, partners, members, or managers by
26	reason of its compliance with this section.
27	(2) An individual practicing surveying under this chapter shall
28	not be relieved of his or her responsibility for surveying services performed
29	by reason of employment or other relationship with a firm holding a
30	certificate of authorization.
31	(e)(1) Unless the board has first issued a certification of
32	authorization or a letter stating the eligibility of an applicant to receive
33	a certificate of authorization, the Secretary of State shall not accept
34	organization papers or issue a certificate of incorporation, licensure, or
35	authorization to a firm that includes among the objectives for which it is
36	established or within its name, the words:

1	(A) Surveyor;
2	(B) Surveying; or
3	(C) Any modification or derivation of surveyor or
4	surveying.
5	(2) The firm applying to the Secretary of State shall supply the
6	certificate of authorization or letter from the board indicating eligibility
7	for a certificate of authorization with its application for incorporation,
8	licensure, or authorization.
9	(f) The Secretary of State shall decline to license a trade name or
10	service mark that includes the words surveyor, surveying, or any modification
11	or derivation of surveyor or surveying in its firm name or logotype except in
12	the case of a firm that has a certificate of authorization under this
13	section.
14	(g) The certificate of authorization may be renewed under § 17-48-204.
15	(h) A surveyor who renders occasional, part-time or consulting
16	surveying services to or for a firm may not, for the purposes of this
17	section, be designated as being in responsible charge of the professional
18	activities of the firm unless the surveyor is an officer or owner of the
19	<u>firm.</u>
