

SENATE AMENDMENT 1 TO hb1910.

deleting on line 9 of page 3 the quotation marks (") at the end of the line;

AND

by inserting on line 10 of page 3 a new subdivision (a)(9) as follows:

"(9) Provided, however, the provisions of law in this subsection (a) regarding the selection process for members of public facilities boards after January 1, 1998 shall not apply to the selection of board members for public facilities boards which constructed and operated only public water systems and related transmission and distribution facilities prior to January 1, 1998. Public facility boards which constructed and operated only public water systems prior to January 1, 1998 shall continue to use the board member selection methods in effect for their boards prior to January 1, 1998."
