

HOUSE AMENDMENT 1 TO hb2187.

inserting an additional section immediately following Section 1 to read as follows:

"SECTION 2. FINDING. It is the finding of the General Assembly that state agencies occasionally will use public rights of way to install facilities for the transmission of public information. Principals of open government and state law require the release of such information which, on occasion, will be subject to a reasonable fee for the cost of such release. Even though this information may, on occasion, be transmitted on telecommunications facilities, nothing in this act shall be construed to classify the state as a provider of telecommunications services."
