**Amendment No. 1 to House Bill No. 2506.**

Amend House Bill No. 2506 as engrossed, H3/17/03:

Immediately following SECTION 8, add the following additional SECTION:

"SECTION 9. Arkansas Code § 17-106-108 is amended to read as follows:  
17-106-108. Examinations.

(a) Each applicant for licensure, with the exception of those who are "grandfathered" under this chapter, shall be required to pass a license examination designated and approved by the State Board of Health. Standards for acceptable performance shall be established.

(b) The board shall identify acceptable examinations such as those administered by the American Registry of Radiologic Technologists, the American Chiropractic Registry of Radiologic Technologists, or the Nuclear Medicine Technology Certification Board.

(c) An applicant who fails to pass the examination may reapply for the examination, provided that the applicant complies with the regulation established by the board.

(d) The board may accept a current certificate issued by the American Registry of Radiologic Technologists, the American Society of Clinical Pathologists, the American Chiropractic Registry of Radiologic Technologists, Cardiovascular Credentialing International, or the Nuclear Medicine Technology Certification Board, issued on the basis of an examination satisfactory to the State Board of Health, provided that the standards of that body are at least as stringent as those established by the board.

(e) The board may accept a current certificate, registration, or license as a radiologic technologist issued by another state, provided that the standards in the other state are at least as stringent as those established by the board.

(f)(1) The board shall identify acceptable examinations appropriate to the discipline for the limited licensed technologist.

(2) A study guide containing information to be included on the exam will be provided to the applicant for the examination."
