SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that adequate commercial insurance coverage at affordable rates is not available for nursing homes in this state; that lawsuits and claims that may become lawsuits threaten the financial stability of nursing homes; that patients of nursing homes do not have recourse to adequate sources of funds to redress legitimate claims for personal injury; and that existing procedures are inadequate to protect the interests of nursing homes and of those persons, primarily the elderly, who are in need of long-term care. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill;
or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.”
