

ARKANSAS SENATE
84th General Assembly - Regular Session, 2003
Amendment Form

Subtitle of Senate Bill No. 753

"AN ACT TO REAPPORTION THE ELECTORAL DISTRICTS FOR THE ARKANSAS
COURT OF APPEALS AND SET ELECTION DATES."

Amendment No. 1 to Senate Bill No. 753.

Amend Senate Bill No. 753 as originally introduced:

Delete everything after the enacting clause and substitute:

"SECTION 1. Purpose.

(a) Under Act 889 of 1999, the Arkansas Court of Appeals Apportionment Commission was created to review the electoral districts for the Court of Appeals and make a recommendation on the changes to be made effective January 1, 2004. The commission has reviewed the current districts and the data from the 2000 census, received input from judges, lawyers, and the general public, and considered the requirements and restrictions of federal and state law. Because of major shifts in population which have occurred since the current districts were created utilizing the 1970 census, a realignment of these districts is necessary.

(b) The Arkansas Court of Appeals consisted of six (6) judges when it was first created. The number of members grew to nine (9) judges in 1996, and to twelve (12) judges in 1997. However, when the new judgeships were created, no plan was made to stagger the dates of the end of the terms for each of the judges. As a result, the terms of eight (8) of the twelve (12) judges end in 2004. In order to provide for an orderly transition of members and create a reasonable level of stability on the court, it is necessary to adjust the current terms of office.

(c) It is the purpose of this act to create new electoral districts for the Arkansas Court of Appeals and to establish the dates for electing the judges within each of these districts.
