

1 INTERIM RESOLUTION 2019-006

2  
3 REQUESTING THE ARKANSAS LEGISLATIVE COUNCIL EXPRESS THAT IT HAS  
4 NO FAITH IN THE VALIDITY OF THE ELECTION RESULTS OF THE 2020  
5 PRESIDENTIAL ELECTION REPORTED BY THE STATES OF PENNSYLVANIA,  
6 WISCONSIN, MICHIGAN, AND GEORGIA; REQUESTING THAT THE UNITED  
7 STATES CONGRESS REFUSE TO ACCEPT ELECTORAL VOTES FOR THE OFFICE  
8 OF PRESIDENT OF THE UNITED STATES FROM THE STATES OF  
9 PENNSYLVANIA, WISCONSIN, MICHIGAN, AND GEORGIA IF FULL AND FAIR  
10 INVESTIGATIONS ARE NOT COMPLETED; AND REQUESTING THAT THE  
11 ARKANSAS LEGISLATIVE COUNCIL EXPRESS ITS SUPPORT FOR THE STATE OF  
12 TEXAS'S POSITION IN LITIGATION PENDING BEFORE THE UNITED STATES  
13 SUPREME COURT CONCERNING THE 2020 PRESIDENTIAL ELECTION.  
14

15 WHEREAS, the President of the United States has immense enumerated  
16 powers and serves as both the head of the executive branch of government of  
17 the United States and as Commander in Chief of the United States Armed  
18 Forces; and  
19

20 WHEREAS, the election of the President of the United States should be  
21 free and fair in order to preserve the legitimacy of the government, avoid  
22 constitutional crises, and promote the general welfare of the people of the  
23 United States; and  
24

25 WHEREAS, the legislatures of the states are delegated the primary  
26 responsibility to ensure that free and fair elections for the office of the  
27 Presidency of the United States are held under United States Constitution,  
28 Article II, Section 1, which allows each state to appoint presidential  
29 Electors in such manner as the legislature may direct; and  
30

31 WHEREAS, the United States Congress is authorized under United States  
32 Constitution, Amendment XII, and the Electoral Count Act of 1887, 24 Stat.  
33 373, to independently evaluate whether or not free and fair elections have  
34 occurred and to uphold the fundamental principle that the laws governing  
35 elections that are enacted by the legislatures of the states prior to the  
36 election are fully complied with during the election process; and

WHEREAS, historically low absentee ballot rejection rates occurred in the 2020 election despite the overwhelming new and unprecedented use of absentee ballots and mail-in votes by many different persons and organizations; and

WHEREAS, a razor-thin margin favoring Joe Biden to win the election for President of the United States was reported in the days after election day in many swing states including Pennsylvania, Wisconsin, Michigan, and Georgia, and political analyst Robert Barnes observed that President Trump would win the election if any historical absentee ballot analysis process and rejection rate was assumed; and

WHEREAS, statistically abnormal vote counts were reported in numerous states late on election night and the Biden-to-Trump ratio in reporting was ninety percent (90%) or more for some thirty-one (31) batches of votes; and

WHEREAS, the manifest lack of any absentee ballot and mail-in ballot oversight by unelected election administrators shows that the laws passed prior to election day were likely ignored and violated in numerous ways and that this violation was of significant magnitude to change the results for the election of the President of the United States; and

WHEREAS, in Pennsylvania twenty-three thousand (23,000) absentee ballots have impossible return dates, eighty-six thousand (86,000) absentee ballots are questionable, fifty thousand (50,000) votes held on forty-seven (47) Universal Serial Bus (USB) cards are missing in Delaware County, and signature matching for mail-in ballots has been rendered impossible by the destruction of ballot envelopes; and

WHEREAS, in Georgia, Matt Braynard's Voter Integrity Project estimates that twenty thousand three hundred and twelve (20,312) nonresidents cast ballots, there is video evidence of the statistical anomalies that occurred when Joe Biden overtook President Trump with eighty-nine percent (89%) of the votes counted, and for fifty-three (53) different individual batches of votes counted, Joe Biden led by the same fifty and five-hundredths percent (50.05%)

1 to forty-nine and ninety-five hundredths percent (49.95%) margin in every  
2 single batch; and  
3

4 WHEREAS, Attorney General Leslie Rutledge has announced that Arkansas  
5 joined an amicus brief filed in support of State of Texas v. Commonwealth of  
6 Pennsylvania, State of Georgia, State of Michigan, and State of Wisconsin, a  
7 legal action filed by the State of Texas with the United States Supreme Court  
8 requesting that the court provide relief, including a declaration that any  
9 electoral college votes cast by presidential electors appointed in  
10 Pennsylvania, Georgia, Michigan, and Wisconsin are in violation of the  
11 Electors Clause and United States Constitution, Fourteenth Amendment, and  
12 cannot be counted; and  
13

14 WHEREAS, on December 10, 2020, the State of Arkansas formally sought to  
15 intervene and join the Plaintiff's Bill of Complaint in State of Texas v.  
16 Commonwealth of Pennsylvania, State of Georgia, State of Michigan, and State  
17 of Wisconsin; and  
18

19 WHEREAS, a full and fair investigation of the election results,  
20 including analysis of absentee and mail-in ballot samples for compliance with  
21 state election law, is necessary to ensure a free and fair election and  
22 should be conducted by Pennsylvania, Wisconsin, Michigan, and Georgia,  
23

24 NOW THEREFORE,

25 BE IT RESOLVED BY THE ARKANSAS LEGISLATIVE COUNCIL OF THE NINETY-SECOND  
26 GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
27

28 THAT the Arkansas Legislative Council has no faith in the validity of  
29 the results of the 2020 presidential election reported by the states of  
30 Pennsylvania, Wisconsin, Michigan, and Georgia.  
31

32 BE IT FURTHER RESOLVED THAT if a full and fair investigation is not  
33 completed, the Arkansas Legislative Council requests that the United States  
34 Congress sitting in joint session refuse to accept electoral votes for the  
35 office of President of the United States from the states of Pennsylvania,  
36 Wisconsin, Michigan, and Georgia.
