August 23, 2022

Senator Terry Rice, Chair  
Representative Jeff Wardlaw, Chair  
Arkansas Legislative Council  
Committee Room, A, Big Mac Building  
Little Rock, AR 72201

Dear Senator Rice and Representative Wardlaw:

The following report is submitted in accordance with A.C.A. § 25-1-110, “Cost-effectiveness of state-owned vehicles” and A.C.A. § 22-8-101 “Registration of state-owned motor vehicles.” The report covers two vehicle years (April 2020 – March 2021 and April 2021 – March 2022) and contains information on the utilization of state-owned vehicles by the agencies, boards, and commissions of the State of Arkansas. This information includes the number of miles driven by state-owned vehicles for individual agencies, size of agency fleets, and amount paid in personal mileage reimbursement.

“Special purpose” classifications include law enforcement, emergency, and vehicles configured for specialized maintenance functions. Vehicles driven less than 10,000 miles in a vehicle year are considered underutilized. Agencies found to have underutilized state vehicles are asked to submit a written justification for this low utilization to the Department of Finance and Administration – Office of Administration Services (DFA-OAS).

Information for this report was submitted by state agencies, boards, and commissions through the State Agency Vehicle Application (SAVA). If you have any questions, please feel free to contact me, (501) 682-5229.

Sincerely,

Melanie M. Hazeslip, Administrator  
DFA Office of Administrative Services
