Good afternoon Ms. Amos,

Attached is the 4th quarter 2019 calendar year Employee and Relative Disclosure Report compiled by the Department of Transformation and Shared Services - Office of Personnel Management.

We have been working on some formatting changes and other updates since transformation. This report is going to look different than past reports for previous quarters. All of the information is still listed, and a new tab has been added at the bottom that lists all of the business areas that are exempt from disclosure reporting.

We have separated the reports for Higher Ed and those under the purview of the Class & Comp Act and Transformation and Efficiencies Act. ADHE will be sending a separate report disclosing employees with relatives at institutions of higher education.

Please contact me if you have any questions or need any additional information.

Thank you,

Shelly Edwards
