Date: April 14, 2022

During the 3<sup>rd</sup> quarter of Fiscal Year 2022, the Arkansas Securities Department collected a total of \$7,300.00 assessed from orders. The total amount was deposited into the Investor Education Fund. A list of the orders is provided on the attached spreadsheet. No settlements or agreements directed payments to a specific entity. Copies of the orders are available on the Department's website at [www.securities.arkansas.gov](http://www.securities.arkansas.gov) under the legal section.

Pursuant to the Arkansas Securities Act, fines paid for violations involving the Securities Act are deposited into the Investor Education Fund, until the total amount of fines collected reaches \$150,000.00 for each fiscal year. Securities Act fine money in excess of \$150,000.00 collected in any one year is designated as general revenues. All funds collected for violations of the Fair Mortgage Lending Act are directed to general revenue.

During the 3<sup>rd</sup> quarter, the Department spent \$2,967.46 from the Investor Education Fund on promotional items. In addition, the Department awarded \$2,500.00 in grants and aid to public schools to fund educational activities centered on financial literacy. The Investor Education Program made 1 presentation to approximately 55 persons during this quarter. These presentations focused on financial literacy and functions of the Arkansas Securities Department. Throughout the 3<sup>rd</sup> quarter, the Investor Education Program continued its partnership with Economics Arkansas to host a program for middle school students at Dunbar Magnet Middle School in Little Rock. This program is designed to instruct the students on matters of financial literacy. There are approximately 22 students participating in the program.
