Legislative Council Members:

We, your Executive Subcommittee of the Arkansas Legislative Council, met at 12:00 p.m. on Thursday, March 15, 2012 in room 205 of the State Capitol.

The subcommittee discussed the process of taking applications for the Director of the Bureau of Legislative Research. **Representative Moore made a motion to open the job advertisement to a national search with the National Conference of State Legislators (NCSL). The motion was seconded and carried without objection.**

The subcommittee also discussed a letter concerning legislative requests for information from state agencies. The letter will be sent to all members of the General Assembly from the Legislative Council co-chairs.

The subcommittee heard a report from the Director of the Bureau of Legislative Research concerning meeting attendance forms and the possibility of Wi-Fi access in the legislative committee rooms located at the Fifth Floor, One Capitol Mall. There was discussion by the subcommittee on both of these issues.

Respectfully submitted,

---
