A Message From the Commissioner

Having spent over 30 years in the insurance industry as a producer and small business owner, it is my distinct honor to present my first annual report as Commissioner of the "new" Arkansas Insurance Department (AID). A "new" philosophy has been installed at AID. While our agency is primarily one of consumer protection, we understand there is a delicate balance between regulation and encouraging the growth of business. Responsibility and common sense is the new order of the day.

We are still committed to protecting consumers, but AID is equally committed to being pro-business and pro-producer. Ensuring that insurers are solvent and capable of paying claims, remaining vigilant against fraud, and safeguarding a fair and lawful market is beneficial to both the businesses we regulate and the hardworking Arkansas consumers for whom we work.

As part of our new philosophy, we are committed to lessening the hassles producers have previously encountered from the state. For example, we are in the process of improving our pre-licensing education program - bringing it up to date by putting courses online and giving producers the freedom of not having to sit in a classroom.

Since becoming Insurance Commissioner in January, I have been asked several times about my goals for AID, and what my emphasis will be. Those are very easy questions to answer as my goal and my emphasis are one and the same:

- To lessen the regulatory hassles and grow the insurance and finance business in our state, and
- To make sure everyone across the nation knows that Arkansas is open for business.

I hope upon review of the information contained in this report, you will agree that our professionals at AID do an excellent job of representing the people of Arkansas, while working to ensure the insurance industry in our state continues to grow, adding important jobs that will grow Arkansas's economy

It is my pleasure to serve you.

Mission Statement

The purpose of the State Insurance Department is to serve and protect the public interest by the equitable enforcement of the state's laws and regulations affecting the insurance industry.

The primary mission of the State Insurance Department shall be consumer protection through insurer solvency and market conduct regulation, and fraud prosecution and deterrence.

History of Insurance Commissioners

AUDITORS OF STATE

The work of the Insurance Department was formerly placed by law in the office of the Auditor of State. The "Insurance Bureau" was established in the Auditor's office by the Act of April 25, 1873, the Auditor being charged by same with the execution of the laws of the state relating to insurance.

The General Assembly of 1917, by Act No. 190, approved March 7, 1917, on account of the greatly increased volume of work required to be done by the insurance department, separated same from the office of the Auditor of State and created the State Insurance Department. The head of the Insurance Department shall be an Insurance Commissioner appointed by the Governor with the advice and consent of the Senate. The Insurance Commissioner shall enforce the provisions of the Arkansas Insurance Code and shall execute the duties imposed upon him or her by the Arkansas Insurance Code.

The Arkansas Insurance Department is accredited by the NAIC. To achieve this accreditation, the Department must meet stringent national standards that demonstrate it effectively regulates insurance companies for solvency. The Arkansas Insurance Department views accreditation by the NAIC as an important part of our commitment to the citizens of Arkansas. Accreditation standards enable us to provide expanded consumer protections and to institute and maintain the highest standards in financial regulation. NAIC repeats the accreditation review every five years to confirm that the Department continues to meet all requirements. The Department was most recently accredited in March 2011.

AID Divisions and Programs

ADMINISTRATION

501-371-2620

insurance.administration@arkansas.gov

The Administration Division oversees the overall operations of Arkansas Insurance Department (AID), establishes Department policy, handles media inquiries, security, and coordinates consumer protection and outreach activities. Each of the divisions work collectively to ensure the Department's mission of consumer protection is fulfilled. This staff of approximately 200 highly skilled and dedicated employees is committed to serving the citizens of Arkansas every day.

ACCOUNTING

501-371-2605

insurance.accounting@arkansas.gov

The Accounting Division collects and oversees fees and premium taxes from all insurance companies conducting business in the State of Arkansas. These fees not only fund AID (no monies are received from the state's General Revenue Fund), but the taxes are also used to contribute to the state's Police and Firemen Pension Funds, and General Revenue. The division handles all purchasing and accounts payable for AID, as well as the development of budgets.

COMPLIANCE

501-371-2800

insurance.LnH@arkansas.gov insurance.PnC@arkansas.gov

Life & Health (L&H) is responsible for the review and approval of life and health forms, rates, and advertising. L&H must approve premiums for individual health policies, and must ensure that benefits on health policies provide an acceptable relationship to the premiums charged. L&H reviews contracts for guaranteed interest policies, including life and annuity and variable contracts, equity indexed annuities, funeral insurance, credit life and disability, individual and group health plans, long-term care, Medicare supplements and supplemental benefits contracts, as well as contracts for health maintenance organizations (HMOs).

Property & Casualty (P&C) is responsible for monitoring and regulating rate and form filing activities. All insurance companies transacting business in the State of Arkansas for surety, workers' compensation, and all other property and casualty coverage must submit their forms to P&C for approval. The forms are then reviewed to ensure compliance with state law. For most lines of insurance, Arkansas is considered a "competitive rating state" and, as such, requests for rate changes are effective 20 days after they are filed unless those changes are excessive, inadequate, or unfairly discriminatory.

CONSUMER SERVICES

501-371-2640 or 800-852-5494

insurance.consumers@arkansas.gov

The Consumer Services Division (CSD) assists insurance consumers with complaints and inquiries regarding insurance companies, producers, and adjusters. CSD investigates all complaints, working with the insurance company and the consumer to determine the appropriate course of action. CSD travels statewide to provide educational information and materials, and in the event of significant storm damage, travels to damaged areas to assist homeowners with filing claims and procuring emergency living expenses.

CRIMINAL INVESTIGATION

501-371-2790 or 866-660-0888

insurance.fraud@arkansas.gov

The Criminal Investigation Division (CID) receives hundreds of referrals of suspected fraud each year. CID investigates and prosecutes all categories of insurance fraud. Investigations that result in a finding of a criminal violation are referred to the appropriate prosecuting attorney's office.

FINANCE

501-371-2665

insurance.finance@arkansas.gov

The primary goal of the Finance Division is to protect insurance consumers through effective solvency regulation by monitoring the financial condition of all domestic and foreign insurance companies operating in the state; conducting financial and market conduct examinations; reviewing other financial information and reports filed by insurance entities, such as business plans, reinsurance agreements, merger and acquisition documents, company formation documents,

market research and feasibility studies; reviews and approves the licensing of insurers, captives, risk retention groups, surplus lines, charitable annuities, continuing care facilities, motor clubs, reinsurance intermediaries, service contract providers, and accredited/trusteed reinsurers; examines prepaid funeral contracts and conducts financial examinations of licensees' trust funds and custodial accounts; and oversees statutory security deposits of insurance companies.

HEALTH INSURANCE PREMIUM RATE REVIEW 501-683-3146

insurance.hirr@arkansas.gov

The Health Insurance Premium Rate Review Division (HIRRD) was created in 2010 for the purpose of protecting consumers and employers from unreasonable health insurance premium rate increases. With funding through the Department of Health and Human Services (HHS), HIRRD has endeavored to create a health insurance education, outreach and training unit to improve the health insurance rate review and reporting process. The development of an Arkansas All-Payer Claims Database (APCD), in collaboration with the Arkansas Center for Health Improvement (ACHI), is a HIRRD project which will ultimately provide medical pricing information to support consumers and other stakeholders when making health-care decisions. Additionally, pursuant to Act 1233 of 2015, AID is charged with implementing further healthcare transparency initiatives. HIRRD will be the division primarily responsible for these efforts.

HUMAN RESOURCES

501-371-2818 insurance.human.resources@arkansas.gov

The Human Resources Division is responsible for the recruiting and hiring process, benefits, compensation and retirement, employee training and development, compliance with employment laws and regulations, and personnel budget preparation and management.

INFORMATION SYSTEMS

501-371-2657

insurance.information.systems@arkansas.gov

The Information Systems Division (IS) keeps AID operating effectively and efficiently in the ever-changing world of technology. This is achieved through the IS strategy of leveraging up-to-date, state of the art software and systems technology to continually increase productivity. The result is minimal growth in the number of AID staff in the face of continued growth in the size of the regulated industry and revenue.

LEGAL 501-371-2820 insurance.legal@arkansas.gov

The Legal Division represents AID, participating in numerous investigations, market conduct examinations, drafting legislation, rules, bulletins, directives, legal opinions, and investigating consumer complaints. Division attorneys represent the Commissioner and AID staff in lawsuits or other proceedings, administrative hearings and court appeals pertaining to alleged licensee insurance code or rule violations by a licensee, and insurance company acquisitions, mergers, reinsurance agreements and similar transactions. Prior to each Legislative Session, the Division prepares the recommendations of the Commissioner as to amendments or supplementation of laws affecting insurance and as to matters affecting the Department to be addressed in the next Legislative Session. Legislation passed during the most recent non-budget session can be viewed at www.insurance.arkansas.gov/Legal/Bulletins/9-2015.pdf.

LICENSE 501-371-2750 insurance.license@arkansas.gov

The Licensing Division is responsible for the licensing of resident and nonresident producers, adjusters, title agents, and business entities that are soliciting, selling or negotiating insurance in the State of Arkansas. License oversees the producer examinations and investigates all resident applicants by reviewing Arkansas State Police records. It also ensures that necessary laws are followed regarding license renewals and continuing education.

LIQUIDATION

501-371-2776

insurance.liquidation@arkansas.gov

The Liquidation Division, acting on behalf of the Insurance Commissioner as Receiver, manages the day to day affairs of insolvent insurance company estates and insolvent prepaid funeral benefit trusts. Although the Liquidation Division performs certain functions on behalf of the Commissioner, individuals employed with this division are not employed by the State of Arkansas and are not considered state employees. Liquidation does not receive any funding from the State

of Arkansas. Liquidation administers the Arkansas Life and Health Insurance Guaranty Association (ALHIGA) and the Arkansas Property & Casualty Guaranty Fund (APCGF). During 2014, APCGF paid over \$2,029,922 to adjust, settle or litigate claims and recovered over \$1,284,150 as a result of twenty non-domestic and one domestic insurance company receiverships. During 2014, ALHIGA provided benefits to Arkansas insureds and claimants totaling more than \$1,364,670 and recovered over \$4,320,220 as a result of two domestic and five non-domestic insurance company receiverships.

PUBLIC EMPLOYEE CLAIMS

501-371-2700 insurance.public.employee.claims@arkansas.gov

The Public Employee Claims Division (PECD) is responsible for the investigation and management of more than 3,800 workers' compensation claims filed each year for Arkansas state employees. Workers' compensation coverage is also provided for emergency service volunteers who are accidentally injured while performing services under the call and supervision of the State of Arkansas. PECD encourages state agencies to implement safety programs, hoping to reduce the number of injuries suffered by state employees. PECD personnel give presentations to several audiences each year. The prevention of injuries helps in three areas: 1) improving the quality of life of employees; 2) helping agencies with staffing issues; and 3) reducing workers' compensation costs for the taxpayers of the State of Arkansas.

REGULATORY HEALTH LINK

501-683-4170

insurance.rhld@arkansas.gov

The Regulatory Health Link Division (RHLD) was established in accordance with the Patient Protection and Affordable Care Act (PPACA) of 2010. RHLD is responsible for recommending for certification and monitoring health insurance plans sold through the Arkansas Health Insurance Marketplace (AHIM) and the Federally Facilitated Marketplace (FFM), and licensing and training for Marketplace producers and other assisters.

RISK MANAGEMENT

501-371-2690 insurance.risk.management@arkansas.gov

The Risk Management Division (Risk) was established to minimize the cost of insurance and surety bonding to Arkansas state agencies, and to analyze and make recommendations on loss control and safety programs in an effort to protect state assets. In 2004, Risk assumed the responsibility of providing insurance coverage, consulting, and loss control services to public schools that choose to participate in the Public School Property and Vehicle Insurance Trust Fund. Property inspections and appraisals are conducted on approximately 5,500 state owned and leased structures, and 2,500 school district structures with insured values of \$13 billion. A vehicle safety program covering 5,500 state agency and 5,000 public school vehicles has been in effect for many years, resulting in improved loss ratios. Risk also offers on-site advanced defensive driver training at no cost to state agencies and participating schools.

${\it SENIOR\ HEALTH\ INSURANCE\ INFORMATION\ PROGRAM}$

insurance.SHIIP@arkansas.gov

501-371-2782 or 800-224-6330

The job of the Senior Health Insurance Information Program (SHIIP) is to help Arkansans save money and make informed decisions about Medicare. SHIIP recruits and trains a volunteer network throughout the state to provide in-person information, assistance, and presentations as well as help at community events and health fairs. SHIIP produces the Medicare Basic Toolkit and Bridging the Gap publications, both of which are available on the SHIIP website: http://insurance.arkansas.gov/shiip.htm. In addition, SHIIP staff and volunteers assist Medicare beneficiaries with applications for Medicare subsidy programs such as the Medicare Savings Programs and Extra Help, enabling recipients to save thousands of dollars annually on Medicare premiums and co-pays.
