To: Senator Mary Anne Salmon, and Co-Chair
Representative Tommy Lee Baker, Co-Chair
Arkansas Legislative Council
State Capitol, Room 315
Little Rock, Arkansas 72201

Dear Mrs. Salmon and Mr. Baker:

This Letter is in fulfillment of Section 10 of Act 29 of 2010 requiring Arkansas Rehabilitation Services to report to the Arkansas Legislative Council, regarding vocational rehabilitation counselors employed by ARS, who are eligible for and have enrolled in the division's Forgiveness of Student Loan program incentive. The program has been very successful in enhancing the division's ability to recruit and retain vocational rehabilitation counselors. You may recall that eligible ARS vocational rehabilitation counselors may elect to enroll each calendar year in the student loan forgiveness benefit for a total of 5 years and \$10,000 in loan payback assistance. As part of the benefit's program obligation, every two years a VR counselor is employed at ARS the division will retire 1 year of the eligible student loan.

On June 7, 2011, notification of the program benefit was sent out to every ARS counselor and district manager throughout the state. Notification was included in the agency newsletter and ads were placed in university newspapers of all 3 graduate vocational rehabilitation programs located within the state. Additionally, as program administrator, I have conducted eligibility awareness presentations in each of the division's 19 field offices located throughout the state.

Currently there are 14 counselors taking advantage of the employee benefit. For the period July 1, 2010 - December 31, 2010, 6 vocational rehabilitation counselors enrolled

in the program. For the period January 1, 2011 – July 30, 2011, 8 vocational rehabilitation counselors enrolled in the program.

Thank you for the opportunity to provide this status report to the Legislative Council for your generous support of this program. If you have any questions, please let me know and I will gladly provide additional information for your consideration.

Sincerely,

Student Loan Payback Program

The Arkansas Department of Career Education's Arkansas Rehabilitation Services Division's **Student Loan Payback Program** was established during the 2007 session of the Arkansas General Assembly. Its purpose is to provide an incentive to qualified vocational rehabilitation counselors who are considering employment with the State of Arkansas.

In accordance with guidelines issued by the federal Rehabilitation Services Administration, **ARS vocational counselors are required to have an approved master's degree in counseling or a related field, qualification as a Certified Rehabilitation Counselor, or be eligible to sit for the CRC exam.** In order to assist individuals in achieving these requirements, the student loan program offers assistance with repayment of loans incurred in pursuit of a master's in rehabilitation counseling, sociology, psychology, or a related field.

The Student Loan Payback Program is available to Arkansas Rehabilitation Services' vocational counselors who have been determined eligible under the following rules.

1. A counselor must satisfactorily complete the six-month probationary employment period, as certified by the Commissioner of Arkansas Rehabilitation Services.
2. An eligible counselor who wishes to apply to participate in the Program shall submit to Human Resources:
 - a. A completed Student Loan Program Request form
 - b. An original statement and/or correspondence from the student loan creditor, dated within 30 days of the request. The proof of loan document must indicate the original loan disbursement dates.

Student Loan Payback Program

- c. A completed Student Loan Program Contract signed by the requesting counselor and his immediate supervisor. In the contract, the counselor will agree to:
 - i. *Remain in the employ of ARS for a term that equals two (2) years for each year that the Program makes a payment on the counselor's student loan; and*
 - ii. *Reimburse the Program the full amount of any loan payment(s) made under the Program in the event that the counselor resigns his position with ARS or is terminated by ARS for cause before the term of the contract expires.*
3. A loan eligible for the Program must have been incurred in the pursuit of a master's degree in rehabilitation counseling, psychology, sociology, or social work required for employment with ARS.
4. The amount of payment(s) made directly to the counselor's student loan creditor may not exceed two thousand dollars (\$2,000.00) per year.
5. Cumulative loan payments made for any counselor may not exceed the lesser of ten thousand dollars (\$10,000.00) or the amount of the balance due on the loan.

Program rules, applications, contracts, and other information are available by contacting the Arkansas Rehabilitation Services' Program Director for Alternative Financing Program/Student Loan Payback Program at 501-296-1600 for questions or further information, or by logging on to www.arsinfo.org.
