It includes provisions focused on students with disabilities known as Pre-Employment Transition Services. WIOA urges vocational rehabilitation programs to partner and coordinate with local education agencies for the provisions of pre-employment transition services. The objective of this contract is to build employment opportunities for students with disabilities both on and off campus during the school year. It aims to teach work behaviors, habits, and skills in naturally occurring settings that will promote competitive integrated employment for students once they exit the secondary school setting. The scope includes students with documented disabilities who are at least 14 years of age and/or are still in school up to age 21.	06/30/2021
