Re: Clarification for previously submitted request and approval for purchase the 40 acre tract of land at 750 Lafayette 16, Lewisville (Lafayette County), Arkansas

Dear Ms. Fecher:

The Arkansas Department of Human Services, Division of Youth Services submitted justification for purchase of the 40 acre tract of land at 750 Lafayette 16, Lewisville, Arkansas. The buildings on this land are already owned and operated by DHS as the Lewisville Juvenile Treatment Facility. In this justification DHS stated the appraisal value of the 40 acres of land and all structures is \$350,000. The 40 acres of land only was valued at \$105,000 according to the appraisal.

This letter is to clarify that DHS entered into an offer and acceptance agreement with Farmer's Bank and Trust for \$105,000 to purchase the 40 acre tract of land only. The offer was accepted by Senator Bruce Maloch on behalf of the company as acting Vice-Chairman and General Council. All preceding justifications submitted by DYS and approved by the Division of Building Authority, The Office of Transformation and the Governor's office, delineate the purchase price and value of the 40 acre tract of land to be \$105,000.

The Arkansas Department of Human Services, hereinafter referred to as Buyer, herewith submits to the Farmers Bank & Trust Company, hereinafter referred to as Seller, this offer to purchase the below described Property for the sum of \$105,000.00, hereinafter referred to as Purchase Price, subject to approval of the Governor of Arkansas and the seller, and subject to the following terms and conditions:

1. Closing date will occur at a mutually acceptable date to be agreed upon by both parties;
2. Seller shall allow the Buyer, or any of its agents, the right to enter upon the Property during the term of this Offer and Acceptance to make inspections of the Property. Buyer shall repair any damage made to the Property as a result of the inspections made. Buyer shall give reasonable notice to the Seller of its intent to enter upon the Property. Buyer shall have ten calendar days (review period) from date of Seller's Agreement to the Offer and Acceptance, to conduct feasibility analyses, and to determine if the Property is suitable, both physically and economically, for redevelopment. If the Buyer determines that the Property is not suitable for any reason or for no reason at all and at the Buyer's sole and absolute discretion, then the Buyer has the absolute right to terminate this Contract. In the event that no notice to accept the Property is given to the Seller at the conclusion of the review period, then this offer and acceptance will be considered to be terminated. In the event that notice is given to accept the Property, such acceptance is conditioned upon approval of the Governor.
3. a) Seller shall furnish to Buyer, at Seller's expense, a current commitment for owner title insurance policy of the described Property in an amount equal to the Purchase Price within ten calendar days after acceptance of this Offer and Acceptance. Seller shall have the title insurance policy delivered to Buyer prior to closing and pay the premium at closing. Seller shall deliver the policy in enough time to allow the Buyer

b) Buyer shall have the right to inspect the title commitment. Written notice by Buyer that the title is unmerchantable or of any other unsatisfactory title condition shown by the title commitment shall be signed by or on behalf of Buyer and given to Seller prior to closing.

c) Within three calendar days of Seller's acceptance of this Offer and Acceptance, Seller shall provide to Buyer true copies of any and all leases(s) and survey(s) in Seller's possession pertaining to the Property and shall disclose to Buyer all easements, liens or other instruments not shown by the public records of which Seller has actual knowledge. Seller shall disclose to Buyer within three calendar days after acceptance of this Offer and Acceptance, any information known to Seller that would affect the value of the Property including but not limited to litigation, environmental contamination, building restrictions, zoning, soil conditions, environmental studies, flood plain or floodway existence, and any other conditions. Seller shall cooperate with the Buyer in obtaining permits, consents, easements, and other legal processes affecting the Property necessary for Buyer to purchase the Property. Buyer shall have the right to inspect the Property to determine if any third party(s) has any right in the Property not shown by the public records (such as an unrecorded easement, unrecorded lease, or boundary line discrepancy). Written notice of any unsatisfactory condition(s) disclosed by Seller or revealed by such inspection shall be signed by or on behalf of Buyer and given to Seller.

d) If Seller receives notice the title is unmerchantable or any other unsatisfactory title condition(s) as provided in the subsections above, Seller shall use immediate and reasonable effort to correct said unsatisfactory title conditions(s). Buyer may waive objection to said unsatisfactory title condition or Buyer may terminate this Contract.

4. Seller will deliver at closing a general warranty deed free and clear of all liens and encumbrances;

7. Seller and Buyer will be responsible for their shares of closing costs and each will be responsible for their own attorney's fees;

8. Seller will cause any personal property now stored on the premises to be removed prior to delivery of possession;

10. Buyer shall be entitled to possession of Property as of closing;

11. Seller assures that all liens against the premises and all money owed on the

12. Seller assures that there does not exist any unrecorded right of way for roadway, utilities or other matters;

13. Seller assures that there are no money judgments entered by a court against the Seller which constitute a lien on the Seller's real Property;

14. Seller assures that there are no unrecorded contracts of sale or options to purchase, or both, affecting title to the Property. Seller shall not without the prior written consent of Buyer enter into any new leases or occupancy agreements for space at the Property;

15. Seller will not terminate or enter into any renewal, extension, modification or replacement of any existing Service Contract(s) or enter into any new employment, maintenance, service, supply or other agreement relating to the Lafayette Property that is not terminable on ten days' notice or less without the express written permission of Buyer.

16. Buyer will provide a survey of the Property;

17. Seller shall disclose to the Buyer any environmental hazards contained within or existing on the Property. Prior to closing Seller agrees at its sole expense to remove from the Property, and to repair any damage associated with such removal, any medical waste, radioactive materials or hazardous materials. Seller shall indemnify Buyer and hold Buyer harmless from and against all claims, demands, liabilities, expenses (including but not limited to reasonable attorneys' fees and costs), loss or damage of any nature whatsoever rising directly or indirectly out of such hazards.

18. Seller has received no notice alleging or claiming any violation of zoning, health, environmental, or other laws, rules or regulations affecting the Property and Seller has no knowledge of any such violations and will promptly notify Buyer if prior to closing, Seller receives such notice.

Mr. Crump:

Pursuant to your request and in compliance with the Uniform Standards of Professional Appraisal Practice, I have performed an appraisal of the market value for the ±40 acres of land located in Lafayette County, Arkansas. Based upon inspection of the property and review and analysis of the information I was able to extract from the market, my opinion of market value for the fee simple interest in the subject property as of June 12, 2019, the effective date of this appraisal, is:

**** Three Hundred Fifty Thousand Dollars ****
\$350,000.00 (rounded)

Please note that this appraisal was performed under a hypothetical condition that the structural improvements located on the property and the ancillary improvements associated with those improvements do not exist. Contained within the body of the following narrative appraisal report you will find my opinions and conclusions. In the addendum of the report you will find supporting data on which my opinions are based. Thank you for the opportunity to assist you in this matter. I have retained a file of all working documents, etc. Should further review be required, please feel free to contact me.

Skye/Rich,

Please review Ark. Code Ann. 21-1-403(a)(2) – DHS will need to seek additional disclosure approvals from ALC and Governor since DHS is contracting with a constitutional officer.

The DHS letter to DBA regarding the request to purchase can make additional reference to seeking Governor approval regarding the disclosure so that you don't have to do a separate request under 21-1-403 and one for the purchase under 22-6-601; however DHS will need to handle all of the elements involving the disclosure/approval to/from ALC and OSP.

Skye,

The list below are the documents Wes needs to review (they are in the procedures attachment above). While I did see the O/A, I was unable to open the appraisal and I don't know if the oath of the appraiser was attached to it.

Wes should be able to tell you if he has them or not. Also, Wes will get the flood plain review from our Design Review Section on the property.

Once he has all of the documents, then he will provide them to Anne Laidlaw who will then provide her recommendation and all documentation to the Governor's Office.

I don't know if DHS has done this, but if not, then DHS will need to send a request letter addressed to Anne Laidlaw regarding the justification for the purchase and that DHS is in compliance with 22-9-204. Typically, the letters are sent from the Agency Directors, but it can be sent from the Director's designee. All documents should be sent to Wes Lacewell who then reviews them and provides them to Anne (or get with you on any questions he has). #6 below will not apply since this is a purchase of land and the structures belong to DHS.

Agencies shall certify to the DBA Director by providing justification for the proposed purchase and include a statement as to whether the agency is in compliance with the mandates of ACA § 22-9-104. The certification letter shall be accompanied with the following documentation:

1. Offer and acceptance* (O/A);
2. Current appraisal of the property and the appraiser's oath;
3. E098-04 disclosure forms;
4. Title commitment (seller's expense/§ 25-16-706; title insurance agent's license/§ 23-103-301); and
5. Any documentation from the Office of the Attorney General (§ 25-16-706).
6. If an agency is proposing to purchase a building, the agency shall provide documentation or a statement, or both, that §22-3-2005 is being complied with by providing documentation or a statement:
 - (i) The building met the design and construction standards for a comparable building at the time of its construction; or
 - (ii) Major renovation of the building met the standard for energy and water efficiency that was applicable for a comparable building at the time of the major renovation.
 - (iii) (i) or (ii) above do not apply if the building has historic, architectural or cultural significance; is acquired by devise or gift or purchased for demolition.

Wes can contact you regarding any documents that he does not have regarding DHS' request.
