This is a federal grant awarded by the U.S. Department of Health and Human Services, Children's Bureau, to be utilized by states for court improvement purposes. The Children's Bureau schedules national meetings from time to time and requests that each state create a team of participants and travel to the meetings, suggesting that CIP grant funds be utilized. This year they requested a team of about 8 people each in Washington, D.C. in April, and now another team of 8 in Minneapolis in September. Our participation at such meetings is expected and, more importantly, beneficial, and also fulfills the purposes of the CIP grant.
