August 7, 2020

The Honorable David Wallace, Chair The Honorable Jim Wooten, Chair Arkansas Legislative Council – Personnel Subcommittee State Capitol Building Little Rock, AR 72201

Dear Senator Wallace and Representative Wooten:

The Division of Higher Education (DHE) submits a request for continuation of differentials for FY21. The requested differentials are attached.

DHE is requesting continuation of the following:

- In accordance with Arkansas Code §21-5-1412, continuation of Certification Differentials for 2 institutions with a total cost for FY20 of \$72,575 utilized by 35 employees
- In accordance with Arkansas Code §21-5-1411, continuation of Shift Differentials for 12 institutions with a total cost for FY20 of \$901,509 utilized by 728 employees

After review of the requests, DHE recommends the approval of the continuation of these previously approved differentials for FY21. The continuations were not submitted to the Bureau of Legislative Research (BLR) in May due to being submitted to DHE after that time. Your consideration of this request is greatly appreciated.

Sincerely.

Maria Markham, Ph. D.
