6. Facts in support of the petition attached herein are:

On 3/6/2017 DHS/DCFS Family Service Worker Specialist/Investigator [redacted] received a Priority 1 referral from the Arkansas Child Abuse Hotline with an allegation of Neglect, Newborn-Illegal Substance Exposure to [redacted] by her mother [redacted]. The allegation alleges [redacted] was positive for BZO, OXY, and THC at time of birth.

Investigator [redacted] which is the residence of [redacted]. The home was not appropriate for a newborn to be living in as there are other issues and concerns with persons residing at this residence.

Investigator Goff went to Johnson County Regional Medical Hospital in Clarksville, AR. to observe [redacted] stated she did test positive for benzos, oxy, and THC at the birth of [redacted]. She admitted she did not have a prescription for the benzos or the oxy. [redacted] stated when she leaves the hospital with [redacted] they are going to her boyfriend [redacted] and her boyfriend [redacted] house. [redacted] stated Aaron is the father of [redacted]. Investigator [redacted] asked [redacted] what she knew of [redacted]. [redacted] stated she knows [redacted] does not have her children in the home with her and that she has an open case with DHS. [redacted] stated [redacted] does get visitation with the children. Investigator [redacted] advised [redacted] that the [redacted] home was not appropriate for a two day old infant to be living in. [redacted] asked if she could take [redacted] which [redacted]
