7	BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
8	
9	SECTION 1. DO NOT CODIFY. Legislative findings and intent.
10	(a) The General Assembly finds that:
11	(1) The Arkansas Tax Reform and Relief Legislative Task Force
12	was charged with:
13	(A) Examining and identifying areas of potential tax
14	reform within the tax laws; and
15	(B) Recommending legislation to the General Assembly to:
16	(i) Modernize and simplify the Arkansas tax code;
17	(ii) Make Arkansas's tax laws competitive with tax
18	laws in other states;
19	(iii) Create jobs; and
20	(iv) Ensure fairness to all taxpayers;
21	(2) The state's income tax laws should be amended to modernize
22	and simplify the tax code, increase Arkansas's competitiveness, create jobs,
23	and ensure fairness to all taxpayers;
24	(3) The inability to effectively collect any Arkansas sales or
25	use tax from remote sellers who deliver tangible personal property, other
26	property subject to Arkansas sales and use tax, or services directly into the
27	state is seriously eroding the sales and use tax base of this state, causing
28	revenue losses and imminent harm to the state through the loss of critical
29	funding for state and local services;
30	(4) The harm from the loss of revenue is especially serious in
31	Arkansas because sales and use tax revenue is essential in funding state and
32	<u>local services;</u>
33	(5) Despite the fact that a use tax is owed on tangible personal
34	property, certain other property, or services delivered for use in this
35	state, many remote sellers actively market sales as tax-free or as
36	transactions not subject to sales and use tax;

1	(6) The structural advantages of remote sellers, including the
2	absence of point-of-sale tax collection and the general growth of online
3	retail, make clear that further erosion of this state's sales and use tax
4	base is likely to occur in the near future;
5	(7) Remote sellers that make a substantial number of deliveries
6	into Arkansas or collect large gross revenues from Arkansas benefit
7	extensively from this state's market, economy, and infrastructure;
8	(8) In contrast with the increasing harm caused to the state by
9	the exemption of remote sellers from sales and use tax collection duties, the
10	costs of such collection have decreased because advanced computing and
11	software options have made it neither difficult nor burdensome for remote
12	sellers to collect and remit sales and use taxes associated with sales of
13	goods and services to residents of this state;
14	(9) The United States Supreme Court recently upheld the ability
15	of states to compel out-of-state sellers with no physical presence in the
16	state to collect state sales and use taxes; and
17	(10) Any savings realized by the state through tax reforms
18	should be dedicated to reducing the tax burden for Arkansas taxpayers.
19	(b) It is the intent of the General Assembly to:
20	(1) Reform Arkansas tax laws to modernize and simplify the tax
21	code, increase the state's competitiveness, create jobs, and ensure fairness
22	to all taxpayers;
23	(2) Offset any revenue savings realized through tax reform with
24	corresponding changes to reduce the tax burden for Arkansas taxpayers;
25	(3) Gradually reduce the tax burden on Arkansas taxpayers in a
26	fiscally responsible manner; and
27	(4) Act on the recommendation of the Arkansas Tax Reform and
28	Relief Legislative Task Force to repeal the throwback rule for business
29	income when the state's budget would allow for that change to be enacted in a
30	fiscally responsible manner.

- 26 the state;
- 27 (b) The individual's service is performed both within and
- 28 without the state, but the service performed without the state is incidental
- 29 to the individual's service within the state; or
- 30 (c) Some of the service is performed in the state and (1)
- 31 the base of operations or, if there is no base of operations, the place from
- 32 which the service is directed or controlled is in the state, or (2) the base
- 33 of operations or the place from which the service is directed or controlled
- 34 is not in any state in which some part of the service is performed, but the
- 35 individual's residence is in this state.

 7 computed on an annual basis by adding the value of the property on the first
- 8 day of the taxable year and the value on the last day of the taxable year and
- 9 dividing the sum by two (2).
- 10 (2) If averaging on this basis does not properly reflect average
- 11 value, the Director of the Department of Finance and Administration may
- 12 require averaging on a more frequent basis.
- 13 (3) The taxpayer may elect to average on a more frequent basis.
- 14 (4) When averaging on a more frequent basis is required by the

- $30\,$ $\,$ method which properly reflects the value may be adopted by the director or by
- 31 the taxpayer when approved in writing by the director.
- 32 (B) Once approved, such other method of valuation must be
- 33 used on all subsequent returns unless the taxpayer receives prior approval
- 34 from the director or unless the director requires a different method of
- 35 valuation.
- 36 (f) Location of Real Property and Tangible Personal Property Owned by

1 or Rented to the Taxpayer. 2 (1) Except as described in subdivision (f)(2) of this section, 3 real property and tangible personal property owned by or rented to the 4 taxpayer is considered to be located within this state if it is physically 5 located, situated, or used within this state. 6 (2)(A) Transportation property is included in the numerator of 7 the property factor to the extent that the property is used in this state. (B) The extent an aircraft will be deemed to be used in 8 9 this state and the amount of value that is to be included in the numerator of 10 this state's property factor is determined by multiplying the average value 11 of the aircraft by a fraction, the numerator of which is the number of 12 landings of the aircraft in this state and the denominator of which is the total number of landings of the aircraft everywhere. 13 14 (C) If the extent of the use of any transportation 15 property within this state cannot be determined, then the property will be 16 deemed to be used wholly in the state in which the property has its principal 17 base of operations. 18 (D) A motor vehicle will be deemed to be used wholly in 19 the state in which it is registered. 20 (g) Location of Loans. 21 (1)(A) A loan is considered to be located within this state if 22 it is properly assigned to a regular place of business of the taxpayer within 23 this state. 24 (B) A loan is properly assigned to the regular place of business with which it has a preponderance of substantive contacts. 25 26 (2)(A) A loan assigned by the taxpayer to a regular place of 27 business without the state shall be presumed to have been properly assigned 28 if: 29 (i) The taxpayer has assigned, in the regular course 30 of its business, such loan on its records to a regular place of business consistent with federal or state regulatory requirements; 31 32 (ii) Such assignment on its records is based upon 33 substantive contacts of the loan to such regular place of business; and 34 (iii) The taxpayer uses said records reflecting 35 assignment of loans for the filing of all state and local tax returns for which an assignment of loans to a regular place of business is required. 36

 2
    provided in subdivisions (g)(1)(B) and (g)(2)(A) of this section may be
 3

    place without this state which is not a regular place of business, it shall
15
16
    be presumed, subject to rebuttal by the taxpayer on a showing supported by
17
    the preponderance of evidence, that the preponderance of substantive contacts
18
    regarding the loan occurred within this state, if, at the time the loan was
19
    made, the taxpayer's commercial domicile, as defined by § 26-51-1402(3), was
20
    within this state.
21
                 (4)(A) To determine the state in which the preponderance of
22
    substantive contacts relating to a loan have occurred, the facts and

11	(c) Sections 20-25 of this act are effective on the first day of the

13	(d) If the emergency clause in Section 28 of this act fails, Sections
14	17-19 of this act are effective on the first day of the calendar quarter
15	following the effective date of this act.
16	
17	SECTION 28. EMERGENCY CLAUSE. It is found and determined by the
18	General Assembly of the State of Arkansas that the income tax structure for
19	Arkansas residents is too complicated in comparison with the income tax
20	structure in surrounding states; that this complexity prevents Arkansas from
21	being competitive with surrounding states in the region; that the State of
22	Arkansas will be prevented from seeking the remittance of sales and use tax
23	on the ever-expanding online tax base absent an immediate change in the law
24	allowing for the collection of sales and use tax by remote sellers and
25	marketplace facilitators; and that this act is immediately necessary because
26	it is in the best interests of the state to increase Arkansas's ability to
27	compete in the region by simplifying the tax laws and dedicating as much
28	funding as is economically possible and prudent to relieve the tax burden
29	suffered by taxpayers in the state. Therefore, an emergency is declared to
30	exist, and Sections 17-19 of this act being necessary for the preservation of
31	the public peace, health, and safety shall become effective on July 1, 2019.
