These funding estimates are estimates based on currently available data. Actual funding allocations may be different from the above estimates. The data contained in this document is for information purposes only.

Arkansas's Estimated Stimulus Funding Line Item Descriptions

State Fiscal Stabilization Fund - This fund is a special grant program established under the ARRA. This fund will contribute to both government services and education programs. The state of Arkansas will receive approximately \$443,830,000 from this program. The ARRA requires that the Governor use at least 81.8% of the state's allocation to support elementary, secondary education, and higher education. This translates to about \$363,053,000 in additional funds that would be used to fund Arkansas's elementary, secondary, and postsecondary schools. The remaining 18.2% (\$80,777,000) can be used for public safety and government services which can include assistance for elementary, secondary, and higher education for modernization, renovation, repairs, or repairs that are consistent with a recognized green building rating system.

Title I - A Grants to Local Education Agencies - These grants currently provide supplementary educational related services to low-achieving and other pupils attending pre-kindergarten through the 12th grade. These grants are targeted towards schools with high concentrations of pupils from low-income families.

Title I - School Improvement Grants - These grants will provide additional funding for the modernization, renovation, and repair of existing schools. These grants are targeted towards schools with high concentrations of pupils from low-income families.

Individuals with Disabilities Education Act (IDEA) Grants - These grants currently provide additional support for special education and related services for children with disabilities. This additional funding will be conditional upon local educational agencies providing free appropriate public education to each eligible child with a disability.

Education Technology Grants - These grants are currently provided to state educational agencies and local educational agencies to increase access to educational technology, support the integration of technology into instruction, enhance technological literacy, and support technology-related professional development of teachers.

Education for Homeless Children & Youth - This program is designed to address the problems that homeless children and youth have faced in enrolling, attending, and succeeding in school.

Federal Work-Study Program - This program provides part-time jobs for undergraduate and graduate students with financial need, allowing them to earn money to help pay education expenses. The program encourages community service work and work related to the recipient's course of study.

National Endowment for the Arts Grants - These grants will be used to fund arts projects and activities which preserve jobs in the nonprofit arts sector threatened by declines in philanthropic and other support during the current economic downturn.

Vocational Rehabilitation Program - This program delivers vocational rehabilitation services to veterans with service-connected disabilities. These services provide support for injured soldiers, sailors, airmen, and other veterans with disabilities as they transition from military service to an alternative form of employment.

School Lunch Equipment Program - This program will provide assistance to schools for the purchase of lunch room equipment through the National School Lunch Program.

Child Care & Development Block Grant - This grant program provides assistance to low-income families for child care services.

Head Start Program - This program provides grants to local public and private non-profit and for-profit agencies to provide comprehensive child development services to economically disadvantaged children and families, with a special focus on helping preschoolers develop the early reading and math skills they need to be successful in school.

Workforce Investment Act-Adult - This program provides states with funding for adult career development opportunities in the form of workforce education and development programs.

Workforce Investment Act-Youth - This program provides states with funding for out-of-school youth career development opportunities in the form of education and workforce development programs.

Dislocated Workers Program - This program offers employment and training for eligible workers who have become unemployed due to no fault of their own or have received official notice of a layoff. This program provides these individuals with individualized re-employment services.

Unemployment Insurance State Administrative Grants - This grant program helps states operate their unemployment insurance programs, which provide temporary income support to unemployed workers.

Employment Services - This line item will increase federal funds for Arkansas's unemployment insurance and employment services operations.

Community Services Block Grant - This program provides assistance to States and local communities to assist with the reduction of poverty and to revitalize low-income communities. The grant funds initiatives to change conditions that perpetuate poverty, such as unemployment, inadequate housing, poor nutrition, and lack of educational opportunity.

Community Development Block Grants - This program provides grants to ensure decent affordable housing, to provide services to the most vulnerable communities, and to create jobs through the expansion and retention of businesses.

SNAP Administration - This line item will provide funds to the state for the administration of the Supplemental Nutrition Assistance Program (Food Stamps).

Emergency Food Program (TEFAP) - This program provides help to supplement the diets of low-income needy persons, including elderly people, by providing them with emergency food and nutrition assistance.

Emergency Food & Shelter Program - This program was created through the McKinney-Vento Homeless Assistance Act and is designed to supplement and expand ongoing efforts to provide shelter, food and supportive services for the nation's hungry, homeless, and people affected by economic crisis.

Elderly Nutrition Program - This program will provide funding for two senior nutrition programs: congregate meals and home-delivered meals. Both of these services are offered to seniors at no cost through this program.

Community Service for Older Americans - This program is a community service and work based training program for older workers. The program provides subsidized, part-time, community service work based training for low-income persons age 55 or older who have poor employment prospects.

Independent Living Programs - These programs support projects that provide independent living services and projects that demonstrate ways to expand and improve these services. The purpose of the program is to maximize the leadership, empowerment, independence and productivity of individuals with disabilities and to integrate these individuals into the mainstream of American society.

Public Housing Capital Fund - This program provides annual funds to Public Housing Agencies for the development, financing, and modernization of public housing developments and for management improvements.

Homelessness Prevention Program - This program provides rental assistance, utility assistance, and supportive services directly related to the prevention of homelessness to eligible individuals and families who are in danger of eviction, foreclosure or homelessness or are currently homeless.

Tax Credit Assistance Program- This program provides grant funding for capital investment in Low Income Housing Tax Credit (LIHTC) projects. The LIHTC Program is an indirect Federal subsidy used to finance the development of affordable rental housing for low-income households.

Temporary Assistance to Needy Families (TANF) - The TANF program provides temporary financial assistance for pregnant women and families with one or more dependent children. TANF provides financial assistance to help pay for food, shelter, utilities, and expenses other than medical.

Foster Care/Adoption Assistance - This assistance program provides funds to states for children who need placement outside their homes in a foster family home or in an institution. The program also assists states with the costs of foster care maintenance for eligible children.

Immunization Program - This program will provide funding to prevent vaccine-preventable diseases by making sure children and adults receive the vaccines they need.

Community Health Centers - This program will fund community health centers to support critically needed health care services, renovations and repairs, and investments in health information technology.

Medicaid Disproportionate Share Hospital - This program is designed to provide safety net funding to hospitals that serve large numbers of Medicaid and uninsured patients.

Medicaid FMAP - These line items refer to the Federal Medical Assistance Percentage (FMAP) or the federal government's share of a state's expenditures for Medicaid. The FMAP for the State of Arkansas will increase by 6.2% for the Recession Adjustment Period from October 1, 2008 to December 28, 2010. ARRA specifies that an additional FMAP increase will be available to states based on the state's unemployment level.

Child Support Enforcement Program - This grant program is designed to enhance the well-being of children by assuring that assistance in obtaining support, including financial and medical, is available to children through locating parents, establishing paternity, establishing support obligations, and monitoring and enforcing those obligations.

Byrne Justice Assistance Grants - This grant program allows states and local governments to support a broad range of activities to prevent and control crime based on local needs and conditions.

Crime Victims Assistance Program - This program provides funds for demonstration projects, training, and technical assistance services to eligible crime victim assistance programs, financial support of services to victims of Federal crime, and provides funding and other support following cases of terrorism or mass violence.

Internet Crimes Against Children Program - This program provides funding used to investigate and prevent the sexual exploitation of children online.

Violence Against Women Program - This program will provide additional resources to address and combat cases of domestic violence, rape, and sexual assault, including providing transitional housing assistance.

Highways & Bridges Improvement Grant - This grant program will make funds available to states for highway and transportation improvements.

Transit Capital Grants - This program will provide financing for the acquisition, construction, reconstruction, improvement of facilities, equipment, and operations in mass public transportation services.

Clean Water State Revolving Funds - This program provides funds for water quality protection projects in the form of wastewater treatment, non-point source pollution control, and watershed and estuary management.

Drinking Water State Revolving Funds - This program finances infrastructure improvements for drinking water systems. The funds are targeted towards small and disadvantaged communities and to programs that encourage pollution prevention as a tool for ensuring safe drinking water.

Energy Efficiency & Conservation Grants - This program provides grants to local governments, states, territories, and Indian tribes, to fund projects that reduce energy use and fossil fuel emissions, and that improve energy efficiency.

Weatherization Program - This program provides funds to low-income families to permanently reduce their energy bills by making their homes more energy efficient.

State Energy Program - This line item will provide additional grants to states to address their energy priorities and program funding to adopt emerging renewable energy and energy efficiency technologies.

Maintenance of Effort - Under the American Recovery and Reinvestment Act, a maintenance of effort requirement exists for several programs. A maintenance of effort requirement is a federal requirement that grant recipients and/or sub-recipients have to maintain a certain level of state/local fiscal effort to be eligible for full participation in federal grant funding. The programs that include a maintenance of effort requirement are: the State Fiscal Stabilization Fund, Title I funds, IDEA funds, Child Care Development Block Grants, Medicaid, Highway & Bridge Improvements, and Transit Capital Grants.

These funding sources currently represent the majority of the funding that is anticipated under the current stimulus package. Not all programs may be included in the estimate presented above. Additional competitive grants the State may receive and funds that would flow directly to individuals such as Food Stamps, Pell Grants, and tax cuts are not included in this estimate.

In most cases, the program descriptions above have been adapted from the corresponding program website.

**SUMMARY OF STATE EMPLOYEE SALARIES AND BENEFITS LEGISLATION
87th GENERAL ASSEMBLY, 2009**

UNIFORM CLASSIFICATION AND COMPENSATION PLAN

Act 688 (SB437)

- Amends the Uniform Classification and Compensation Act, making the following major changes:

- Revises the state classification system, updating the job titles and grades of all classified positions.
- Establishes a new compensation structure comprised of two pay plans:

Career Service pay plan, with 30 grades and five pay levels covering most classified positions and many previously non-classified positions; and

Professional & Executive pay plan, with 22 grades and three pay levels covering some higher level classified positions and converts most of the previously non-classified positions to the classification system.

- Establishes new or revises compensation provisions that consolidates special language to provide uniformity across agencies and institutions for:
 - Salary administration grids;
 - Position growth pools;
 - Hazardous duty and maximum security facility duty pay;
 - Certification or education pay;
 - Shift differential for evening, night, and weekend shift work; and
 - On-call or stand-by pay provisions.

- Authorizes the implementation of the pay plans for the 2009-2010 Fiscal Year to include the adjustment of employee's salaries to the entry level or from 1 to 5 percent increase, depending on years of state employment.

- Authorizes a 2.3% general increase in salaries for the 2010-2011 Fiscal Year.

- Retains and refines the existing employee compensation provisions for:
 - Special entry rates;
 - Promotions and demotions;
 - Merit pay increases;
 - Second language pay;
 - Expansion of the Office of Personnel Management position pool to 400 positions for the surrender pool (250 Career Service and 150 Professional & Executive positions)
 - Establishes other centralized position pools:
 - A central growth pool of 300 positions to be accessed by state agencies only;
 - A transitional pool of 50 positions (25 Career Service and 25 Professional & Executive positions) to allow for a 180 day training period to plan for retirements and terminations; and
 - A 400 position Pay Plan study pool (250 Career Service and 150 Professional & Executive positions) for the 2009-2010 fiscal year only for any necessary adjustments related to the Pay Plan implementation.

- Other personnel related provisions:

- Provides a total appropriation of \$106.2 million for FY2010 for the Temporary Assistance To Needy Families (TANF) Block Grant Paying appropriation which is funded by general revenue and federal TANF Block Grant funds and includes the following increases: for the Arkansas Transitional Employment Assistance Program Operations - an increase of \$33.4 million to allow DWS to expend remaining TANF Block Grant balances and assume the eligibility determination and cash assistance payment responsibilities, and the American Recovery and Reinvestment Act (ARRA) for an increase of \$6.2 million related to increased costs due to the ARRA.
- Transfers the base level appropriation of \$1,082,554 for FY2010 for the Workforce Investment Board to the Department.
- Provides the following increases/changes for the federally funded Unemployment Benefits and Expenses - Cash appropriation: a reallocation of \$33.5 million from the maintenance and operations line items to a combined "Operations" appropriation described above, disaster relief payments for an increase of \$3 million to support potential Disaster Relief Payments the agency may receive, for ESD - Special Fund - discontinues the \$100,000 ESD Special Fund line item that is a duplicate appropriation to the Excess Unemployment Benefits/Expenses appropriation, Federal Employees Benefits Payments for an increase of \$125 million to pay for extended or emergency unemployment benefits which are expected to increase, and for U I Benefits - Taxable Employers for increase of \$100 million to provide for the costs and expenses of increased unemployment benefit payments based on FY2009 expenditures.
- Provides a new American Recovery and Reinvestment Act of 2009 (ARRA) appropriation for FY2010 funded by the ARRA in the amount of \$375.13 million which provides \$363.88 million for Federal Employees Benefit Payments, \$7.5 million for Training Allowances, and \$3.75 million for Payments to

Participant Contractors which is reimbursement to private and nonprofit employers for costs incurred to train individuals who are economically disadvantaged, unemployed, and underemployed.

- Provides a new REED ACT FUNDS - ARRA appropriation for FY2010 in the amount of \$59,969,332 for unemployment insurance benefits, payment of Department salaries, matching and maintenance and general operations related to the costs and expenses of ARRA Unemployment Modernization.
- Limits the New Hire Registry carry forward authority to funding only, rather than appropriation and funding, due to the passage of Amendment 86 to the Arkansas Constitution which limits appropriations to one year.
- Modifies the "Transfer of TANF Block Grants Funds" special language to require \$7.5 million in TANF Block Grant funds be transferred directly to the Department of Education Public School Fund Account to be used solely for the Arkansas Better Chance Program. This change eliminates an unnecessary fund transfer to the Department of Human Services, Division of Child Care and Early Childhood Education (DHS - DCCECE).
- Adds a new section of language that instructs the Department to use \$50.4 million of the additional Reed Act - ARRA funds for Unemployment Insurance (UI) benefits and the remainder, \$9.6 million, for the costs of the UI Modernization provisions adopted pursuant to the ARRA - Stimulus Act of 2009.
