If Arkansas Tech University cancels the current contract for food service and chooses to operate the food service with University employees, the President, upon authorization of the Board of Trustees, is allowed to utilize the contingent positions contained in Section 1 of this Act, provided he or she has obtained approval from the Department of Higher Education and the Chief Fiscal Officer of the State, who has sought prior review by the Arkansas Legislative Council.

SECTION 11. RESTRICTIONS. The appropriation provided in Section 9 of

this Act shall be subject to and made available only upon approval and certification of the four-year nursing program at Arkansas Tech University by the appropriate body. In the event that the four-year nursing program at Arkansas Tech University is approved and certified, the appropriation made in Section 9 of this Act shall be used only for providing a satellite nursing program for those Institutions of Higher Education and Vocational Technical Schools which are located in the area of Arkansas Tech University who formally request to Arkansas Tech University to initiate a satellite nursing program.

SECTION 15. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Seventh General Assembly, that the Constitution of the State of

Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1989 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1989 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1989.
