The Revenue Division of the Department of Finance and Administration, the Employment Security Division of the Department of Labor, the University of Arkansas at Little Rock, the University of Arkansas at Fayetteville, the Arkansas Industrial Development Commission and any other state agency, board, commission, department, institution, college, university or authority, shall make data, information, statistics, or other records of information, available to the Department of Finance and Administration. SECTION 21. TRANSFER OF FUNDS. In order that the Department of Finance and Administration may ensure efficient and effective messenger service, whether it be with state employees or private vendors, the Department is hereby authorized to transfer between the characters of Maintenance and Operation, Regular Salaries and Personal Services Matching, amounts as deemed necessary to provide said service.

SECTION 22. LOANS TO MARKETING AND REDISTRIBUTION. In the event the

monies available in the Property Sale Holding Fund are not adequate during any month of each year of the fiscal biennium ending June 30, 1991, to meet the payroll commitments of the Department of Finance and Administration - Management Services Division - Marketing and Redistribution, for Regular Salaries and Personal Services Matching, as provided in Section 5 of this Act, the Chief Fiscal Officer of the State is hereby authorized to make loans, from time to time as needed, from the Budget Stabilization Trust Fund to the Property Sale Holding Fund to provide the monies required to meet the payroll and Personal Services Matching requirements for any such month. Provided that, if, at the end of each fiscal year, the Property Sale Holding Fund did not receive sufficient income to repay the entire amount of any such monies borrowed from the Budget Stabilization Trust Fund for the purposes, as authorized herein, the Chief Fiscal Officer of the State is hereby authorized to transfer from the State Central Services Fund such amount as is necessary to reimburse the Budget Stabilization Trust Fund in behalf of loans made to the Property Sale Holding Fund to reimburse the Budget Stabilization Trust Fund for the amount of any such loan remaining unpaid at the end of each fiscal year.

SECTION 24. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative

Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 25. All provisions of this Act of a general and permanent nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code Revision Commission shall incorporate the same in the Code. Act 857 of 1989 is hereby repealed.

SECTION 26. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Seventh General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1989 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1989 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1989.
