SECTION 26. TRANSFER PROVISION. If at any time during the 1989-91 biennium, savings are accomplished in the appropriation provided for "European Trade", "Far East Trade/Industrial Recruitment" and "Regular Salaries" in Section 3 of this Act, such appropriation savings may be transferred to the appropriations made for "Maintenance and General Operations" in Section 3 of this Act. In addition, if at any time during the 1989-91 biennium, savings are accomplished in the appropriation provided for "Maintenance and General Operations" in Section 3 of this Act, such appropriation savings may be transferred to the appropriation for "European Trade" and "Far East Trade/Industrial Recruitment" in Section 3 of this Act.

SECTION 27. CARRY FORWARD. The unexpended balances of appropriation provided for the expenditures of federal funds as provided for in Section 8 of this Act on June 30, 1990, shall be carried forward and made available for expenditures for the same purpose for the fiscal year ending June 30, 1991.

SECTION 28. TRANSFER PROVISION. After receiving approval from the Chief Fiscal Officer of the State, the Director of the Arkansas Industrial Development Commission is authorized to transfer appropriation from any line

item appropriation authorized in Section 8 of this Act to any other line item authorized in Section 8 of this Act and any line item appropriation authorized in Section 5 of this Act to any other line item authorized in Section 5 of this Act.

SECTION 29. The flexibility provided to the Arkansas Industrial Development Commission by Section 27 and Section 28 of this Act shall be used only when necessary to carry out the Community Development Block Grant Program.

SECTION 30. There is hereby established a pool of thirteen (13) positions entitled State Economic Developer III to be assigned to the Arkansas Industrial Development Commission which will be used to reclassify personnel from State Economic Developer I and/or State Economic Developer II. To obtain a position from the pool, Arkansas Industrial Development Commission must seek a review by the Arkansas Legislative Council, obtain approval from the Office of Personnel Management and must surrender the position being reclassified to the pool. This will ensure that the total positions available to be filled does not exceed the number authorized in the Agency's appropriation Act.

SECTION 31. CONTRACTUAL SERVICES. (A) The Arkansas Industrial Development Commission is hereby authorized to engage the services of no more than five contract employees for the purpose of promoting the development of Asian industry in Arkansas and the export sale of Arkansas agriculture and manufactured products.

SECTION 32. The funds appropriated in Item (06) of Section 3 shall be for the exclusive purpose of developing trade opportunities, and potential industrial prospects within the various countries collectively known as the Far East, and shall not be transferable to other programs within the Department. Further be it provided that the funds set aside in this Section shall not be used for the purposes of paying regular salaries, extra help, or payroll matching but may be used for all other costs associated with the effective and efficient carrying out of this program.

SECTION 33. LEGISLATIVE INTENT. It is the intent of this Act that the

Arkansas Industrial Development Commission shall open Arkansas Offices in Europe and Asia for the purpose of promoting the export of Arkansas industrial and farm products and the development of Asian and European industry in Arkansas. The Arkansas Industrial Development Commission shall report on the progress of these offices annually to the Legislative Council, the Legislative Joint Audit Committee and the Governor, and shall furnish a copy of such annual report to each member of the General Assembly.

SECTION 34. It is the intent of the General Assembly that the Arkansas Industrial Development Commission work to establish the following recommendations within the constraints of this appropriation:

(a) Identify problem areas within the State that are not conducive or compatible to industrial growth and development.

(b) Create a special task force to target those problem areas and attempt to rectify the problems.

(c) Establish a data base of regional industrial cross-references of various industries within each county, such as industrial purchasing data, demographics, geographics, etc., and maintain the data on a county by county basis.

(d) Establish a statewide master computer linkage to access computer data bases maintained by State agencies and institutions as well as private entities, and to facilitate communication between local communities, higher education institutions, the Arkansas Industrial Development Commission and other appropriate entities.

(e) Stress self-help efforts on the local level.

(f) Develop a plan for industrial growth and development from within the State.

(g) Enhance the lines of communication among existing industrial development programs.

(h) Initiate pilot projects to act as the seeds for industrial development within Arkansas.

(i) Address the problems of educational deficiencies, job skill deficiencies, transportation deficiencies and basic needs within this State on a statewide level as well as local and regional levels.

SECTION 35. After receiving approval from the Chief Fiscal Officer of

the State, the Director of the Arkansas Industrial Development Commission is authorized to transfer appropriation from any line item appropriation provided by Sections 3, 5, 7, 8, 10, 11, and 12 herein, to the appropriation provided the Motion Picture Development Office in Section 7, in order to provide sufficient appropriation for the State Economic Developer I and Administrative Assistant II positions authorized in Section 6 of this Act.

SECTION 36. SPECIAL RATES OF PAY. Due to the highly competitive job market conditions for Industrial and Economic Development Professionals, and the necessity of recruiting and retaining qualified personnel, the Arkansas Industrial Development Commission is authorized special entry rates of pay for current and new employees in classifications listed below. Special rates may be authorized up to the maximum authorized for the grade assigned the classification of a position for the following specific classifications only:

Class			
Code	Title	Grade	Step
R379	ST. ECON. DEV. III	25	8
906Z	AIDC RESEARCH MGR.	25	7
R378	ST. ECON. DEV. III	23	7
R377	ST. ECON. DEV. I	21	7

SECTION 37. Arkansas Code 15-4-211 (a) is hereby amended to read as follows:

"(a) The Arkansas Industrial Development Commission is authorized to engage the services of a European Office Director, Industrial Development Director, Marketing Director and Administrative Assistant under a contractual agreement. Combined salaries for all four positions shall not exceed the line item appropriation."

SECTION 38. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this Act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Purchasing Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the

Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 39. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 40. All provisions of this Act of a general and permanent nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code Revision Commission shall incorporate the same in the Code. Act 767 of 1989 is hereby repealed.

SECTION 41. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Seventh General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1989 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1989 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1989.
