It is hereby found and determined by the General Assembly that the Constitution of the state of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this act on July 1, 1989 is essential to the operation of the agency for which the appropriations in this act are provided, and that in the event of an extension of the regular session, the delay in the effective date of this act beyond July 1, 1989 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for immediate the preservation of the public peace, health and safety, shall be in full force and effect from and after July 1, 1989.
