32 SECTION 1. This act shall be known as, and may be cited as the
33 "Arkansas Linked Deposit Program Act of 1991."

1 that it will be beneficial to the State of Arkansas to create a plan for
2 linked deposits in which the State Treasurer is authorized to deposit or
3 invest a portion of the state's portfolio of investments with participating
4 lending institutions in relatively low-yielding deposit accounts, certificates
5 of deposit, or other authorized investments, where such institutions have made
6 commitments to make available lower cost loans on the basis of these linked
7 deposits for qualifying small businesses and agricultural enterprises. The
8 General Assembly further finds that such lower cost loans will result in a
9 significant contribution to the economic and agricultural growth and
10 development of the state, and will assist in maintaining or improving business
11 and agricultural profitability as well as preserving and creating jobs for
12 Arkansas citizens.
