16

17 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

18

19 SECTION 1. PURPOSE. The General Assembly is cognizant of the
20 significant role aviation has played in the economic development and growth of
21 this state and of the many contributions that citizens of Arkansas have made
22 to aviation. The Arkansas Aviation Historical Society, Inc., a non-profit
23 corporation, has been established to engage in the preservation and public
24 display of a significant number of aircraft that have played an important role
25 in the aviation history in this state, and proposes to develop an Arkansas
26 Museum of Aviation History for such purpose, including the maintenance of
27 archival materials of major events and circumstances that exemplify Arkansas'
28 contribution to aviation history. In addition, the Little Rock Air Force Base
29 Historical Foundation, Inc., a private non-profit corporation, has been
30 founded to provide for the construction and operation, at a site on the Little

33 that Arkansas has played in the aviation efforts for the national defense.
34 The General Assembly hereby determines that the development of an Arkansas
35 Museum of Aviation History and the development of the Outdoor Air Park at the

1 Little Rock Air Force Base would make available to this and future generations
2 a living memorial to the history and development of the aviation industry in
3 this state, and the providing of the aforementioned facilities would serve a
4 public purpose. Therefore, the funds appropriated in this act are intended to
5 assist in the development of such facilities for the benefit of the people of

7 state that would result therefrom.

SECTION 6. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 7. CODE. All provisions of this Act of a general and permanent nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code Revision Commission shall incorporate the same in the Code.

SECTION 8. SEVERABILITY. If any provision of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

SECTION 9. GENERAL REPEALER. All laws and parts of laws in conflict with this Act are hereby repealed.

SECTION 10. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Eighth General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1991 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1991 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1991.
