32 prescribed by the Federal-Aid Highway Act of 1956 which limits exceed, in full
33 or in part, the provisions of subsections (a), (b), (c), (d), or (e) of this
34 section, the State Highway Commission shall adopt size and weight limits

20

21 SECTION 6. Emergency. It is hereby found and determined by the
22 Seventy-Eighth General Assembly of the State of Arkansas that unless
23 subsections (b) and (e) of Arkansas Code § 27-35-203 are amended, thus
24 insuring that Arkansas laws are compatible with federal laws and regulations,
25 federal-aid highway funds accruing to this state will be withheld; that such
26 federal-aid highway funds are essential to the highway, road, and street
27 programs of this state; and that in the event of an extension of the 1991
28 Regular Session, the delay of the effective date of this act could work
29 irreparable harm upon the proper administration and provision of these
30 essential highway, road, and street programs. Therefore, an emergency is
31 hereby declared to exist, and this act being necessary for the immediate
32 preservation of the public peace, health, and safety, shall be in full force
33 and effect from and after its passage and approval.
