33

34 ~~SECTION 3. SPECIAL LANGUAGE - FUNDS TRANSFERRED. Upon direction by the~~
35 ~~Governor and upon certification from time to time by the Chief Fiscal Officer~~
36 ~~of the State, the State Treasurer shall transfer from the General Revenue Fund~~

1 Account of the State Apportionment Fund, an amount not to exceed ten million
 2 dollars (\$10,000,000) during the biennial period ending June 30, 1999, to the
 3 Industry and Aerospace Development Fund for the purpose of creating various
 4 economic development enhancements in the aviation and aerospace industry in
 5 Arkansas, provided however not more than \$4,000,000 may be transferred prior
 6 to June 30, 1998. Funding not to exceed \$4,000,000 may be transferred prior
 7 to June 30, 1998 if the Governor determines that such funds are necessary to
 8 secure the location or expansion of projects eligible for funding under
 9 Section 2 of this Act. If on June 30, 1998, net general revenue available for
 10 distribution exceeds funding of 100% of the "B" allotment of the Revenue
 11 Stabilization Act, A.C.A. ^Å 19-5-402 (b), an amount not to exceed \$10,000,000
 12 or the amount by which net general revenue available for distribution exceeds

15

16 During the fiscal year ending June 30, 1999, no funds may be transferred
 17 unless the Chief Fiscal Officer of the State has provided a forecast of net

 20 fiscal year ending June 30, 1999 by a minimum of \$10,000,000, except that
 21 funding not to exceed \$4,000,000 may be transferred if the Governor determines
 22 that such funds are necessary to secure the location or expansion of projects
 23 eligible for funding under Section 2 this Act. Provided however, that in no
 24 event may more than a total of \$10,000,000 be transferred during the biennium
 25 ending June 30, 1999.

26

27 SECTION 7. REPEALER. Section 3 of Act 1023 of 1995 is hereby repealed.

28

29 SECTION 3. FUNDS TRANSFERRED. Upon direction by the Governor and upon
 30 certification from time to time by the Chief Fiscal Officer of the State, the
 31 State Treasurer shall transfer from the General Revenue Fund Account of the
 32 State Apportionment Fund, an amount not to exceed ten million dollars
 33 (\$10,000,000) during the biennial period ending June 30, 1997, to the Industry
 34 and Aerospace Development Fund for the purpose of creating various economic

1 ~~1996. Funding not to exceed \$4,000,000 may be transferred prior to June 30,~~
2 ~~1996 if the Governor determines that such funds are necessary to secure the~~
3 ~~location or expansion of projects eligible for funding under this Act. If on~~
4 ~~June 30, 1996, net general revenue available for distribution exceeds funding~~
5 ~~of 100% of the "B" allotment of the Revenue Stabilization Act, A.C.A. [§] 19-5-~~
6 ~~402 (b), an amount not to exceed \$10,000,000 or the amount by which net~~
7 ~~general revenue available for distribution exceeds 100% of "B" allotment of~~
8 ~~said Revenue Stabilization Act, whichever is less, may be transferred to the~~
9 ~~fund.~~

10

11 ~~During the fiscal year ending June 30, 1997, no funds may be transferred~~
12 ~~unless the Chief Fiscal Officer of the State has provided a forecast of net~~
13 ~~general revenue available for distribution that exceeds funding of 100% of the~~
14 ~~"B" allotment of the Revenue Stabilization Act, A.C.A. [§] 19-5-404 (b), for the~~

21

22 SECTION 8. Any enactment of the 81st General Assembly appropriating or
23 allocating funds to be payable from the "General Improvement Fund", for which
24 a specific allocation of funds is specifically authorized in this Act, shall
25 be deemed to be payable from the "81st Session Projects Account" within the
26 "General Improvement Fund" unless a specific intent is otherwise provided by
27 law. Any enactment of the 81st General Assembly appropriating funds payable
28 from the General Improvement Fund which is not enumerated in this Act shall
29 not be financed from monies accruing to the 81st Session Projects Account.
30 Provided that monies reappropriated by the 81st General Assembly for projects
31 for which appropriations were made by the 80th General Assembly, which are not
32 enumerated in this Act and which are made payable from the "General
33 Improvement Fund", shall be payable from the "80th Session Projects Account"
34 of the "General Improvement Fund" and allowances shall be made therefore in
35 arriving at the uncommitted and unobligated balance of monies in the "General
36 Improvement Fund" before making transfers therefrom to the "81st Session

1 Projects Account", as authorized by this Act.

2

3 SECTION 9. Distribution of funds for constructing and equipping the
4 radiation therapy institutes specified herein, shall be contingent upon the
5 provision of matching funds, including those monies previously raised but not
6 previously used to match state funds, on a dollar by dollar basis on behalf of
7 each such radiation therapy institute.

8

9 SECTION 10. CODE. All provisions of this Act of a general and
10 permanent nature are amendatory to the Arkansas Code of 1987 Annotated and the
11 Arkansas Code Revision Commission shall incorporate the same in the Code.

12

13 SECTION 11. SEVERABILITY. If any provision of this Act or the
14 application thereof to any person or circumstance is held invalid, such
15 invalidity shall not affect other provisions or applications of the Act which
16 can be given effect without the invalid provision or application, and to this
17 end the provisions of this Act are declared to be severable.

18

19 SECTION 12. GENERAL REPEALER. All laws and parts of laws in conflict
20 with this Act are hereby repealed.

21

22 SECTION 13. EMERGENCY CLAUSE. It is hereby found and determined that
23 the Eighty-First General Assembly meeting in Regular Session has considered
24 and enacted appropriations for construction projects and other programs to be
25 financed from the accumulated surplus and reserve funds available in the State
26 Treasury; that the total of the enacted appropriations exceed the estimated
27 available funds and that the immediate passage of this Act is necessary to
28 establish a method of providing for the orderly financing and a system of
29 priority for the financing of such projects. Therefore, an emergency is
30 hereby declared to exist, and this Act being necessary for the immediate
31 preservation of the public peace, health, and safety shall be in full force
32 and effect from and after its passage and approval. If the bill is neither
33 approved nor vetoed by the Governor, it shall become effective on the
34 expiration of the period of time during which the Governor may veto the bill.
35 If the bill is vetoed by the Governor and the veto is overridden, it shall
36 become effective on the date the last house overrides the veto.
