SECTION 22. Arkansas Code Title 20, Chapter 76, Subchapter 4 is amended by adding the following section to be appropriately numbered by the Arkansas Code Revision Commission:

"Education and Training.

- (a) The department shall permit TEA recipients to obtain the education
 and training they need to obtain jobs that pay wages allowing them to be
 economically self-sufficient.
- 10 (1) TEA recipients who are assessed to have basic education deficiencies 11 shall be allowed to combine educational activities leading to a high school 12 diploma or GED and employment and work experience. Participants may be 13 required to engage in internships, work experience or employment. Work 14 requirements shall not exceed fifteen (15) hours per week unless the 15 department certifies that allowing education to count towards recipients' 16 required work activities would affect the state's ability to meet federal work 17 participation rates. To the extent possible, educational activities shall 18 take place in a work context.
 - (2) Qualified TEA recipients shall be allowed to enroll in vocational educational courses designed to prepare them for jobs in high growth, high wage occupations. Participants may be required to engage in internships or work experience related to their course of study. Work requirements shall not exceed fifteen (15) hours per week unless the department certifies that allowing education to count towards recipients' required work activities would affect the state's ability to meet federal work participation rates. The department shall seek to allow at least seven hundred (700) participants this option.
- 28 (3) Qualified TEA recipients shall be allowed to enroll in post-29 secondary courses leading to a two (2) or four (4) year degree or a five (5) 30 year teaching degree. Participants may be required to engage in internships or work experience related to their course of study. Work requirements shall 31 32 not exceed fifteen (15) hours per week unless the department certifies that allowing education to count towards recipients' required work activities would 33 34 affect the state's ability to meet federal work participation rates. The 35 department shall seek to allow at least four hundred (400) participants this 36 opti on.

1	(4) Participants under each of these options shall be provided the
2	supportive services they need to attend classes and other educational
3	activities, including at least, child care and transportation.
4	(b) TEA recipients shall be assigned to work activities that prepare
5	them for long-term economic self-sufficiency, including basic, vocational and
6	post-secondary education where appropriate.
7	(c) Participation in combined work and education activities shall be
8	deemed to meet TEA recipients' work activity requirements. The department may
9	require additional or fewer hours of federally defined work activities if it
10	certifies that the state may not meet federal work participation rates after
11	taking into account the caseload reduction credit because recipients enrolled
12	in educational courses are not required to engage in federally defined work
13	activities for the minimum number of hours.
14	
15	SECTION 23. Arkansas Code 19-10-305 is amended to add the following new
16	I anguage:
17	"(c) For purposes of this chapter, persons acting individually or on
18	behalf of charitable organizations, other than motor carriers as defined by
19	Arkansas Code 23-13-203(9), shall have the status of an employee while
20	transporting persons as a service of the Transitional Employment Assistance
21	(TEA) program."
22	
23	SECTION 24. (a)(1) There is created on the books of the Treasurer of
24	State, Auditor of State, and Chief Fiscal Officer of the State a fund to be
25	known as the "Arkansas Transitional Employment Fund".
26	(2) The Arkansas Transitional Employment Fund shall consist of such
27	revenue as may be provided for by law.
28	(b) The fund shall be used exclusively by the Arkansas Transitional
29	Employment Board to fund its programs, operations, and activities.
30	
31	SECTION 25. All provisions of this act of a general and permanent
32	nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas
33	Code Revision Commission shall incorporate the same in the Code.
34	
35	SECTION 26. If any provision of this act or the application thereof to

any person or circumstance is held invalid, such invalidity shall not affect

1	other provisions or applications of the act which can be given effect without
2	the invalid provision or application, and to this end the provisions of this
3	act are declared to be severable.
4	
5	SECTION 27. All laws and parts of laws in conflict with this act are
6	hereby repealed.
7	
8	SECTION 28. EMERGENCY CLAUSE. It is found and determined by the General
9	Assembly of the State of Arkansas that the United States Congress has amended
10	the laws pertaining to certain federally funded public assistance programs;
11	that these programs are crucial to the life and health of many needy citizens
12	of the State of Arkansas who otherwise will be unable to obtain food,
13	clothing, shelter, or medical care; that federal funds have already been
14	appropriated for this program and any delays could work irreparable harm upon
15	the proper administration of essential governmental programs and the State of
16	Arkansas may risk forfeiture of the federal funding; that this act so
17	provides. Therefore, an emergency is declared to exist and this act being
18	necessary for the preservation of the public peace, health, and safety, shall
19	be in full force and effect on July 1, 1999.
