1 regular interest from the date of withdrawal to the date of repayment.

2 (b)(1) In any case of doubt as to the period of armed service to be so
 3 credited a member under this section, the Board of Trustees of the Arkansas
 4 Local Police and Fire Retirement System shall have final power to determine
 5 the period.

6 (2) Except for service credited under subsection (d) of this
 7 section, no person shall be credited with a total of more than five (5) years
 8 of armed service.

9 (c) During the period of armed service and until his or her return as
 10 an employee, his or her contributions to the system shall be suspended, and
 11 any balance remaining to his or her credit in the system shall be accumulated
 12 at regular interest.

13 (d)(1)(A) Under the requirements of Section 4312 of Pub. L. 103-353,
 14 the Uniformed Services Employment and Reemployment Act of 1994 in effect
 15 October 13, 1996, a member who leaves covered employment to serve in the
 16 uniformed services of the United States after giving notice to the employer,
 17 and who returns to employment, shall be treated as not having incurred a
 18 break in service with the employer.

19 (B) The employer shall certify to the system that
 20 reemployment was in accordance with the Section 4312 of Pub. L. 103-353.

21 (2) Under this subsection (d), the uniformed services of the
 22 United States are limited to the armed forces of the United States, the Army
 23 and Air National Guard when engaged in active duty for training, inactive
 24 duty training, or full time National Guard duty, the commissioned corps of
 25 the Public Health Service, and any other category of persons designated by
 26 the President in time of war or national emergency.

27 (3) The cumulative length of the absence from a position of
 28 employment with the employer by reason of service in the unformed services
 29 for which service credit will be given shall not exceed five (5) years.

30 (4) A member whose uniformed service is honorably terminated and
 31 who reports for reemployment under this subsection within the time provided
 32 in Section 4312 of Pub. L. 103-353 shall be entitled to accrue benefits for
 33 the time the member served in the uniformed services by paying the employee
 34 contributions required by § 24-10-404, if any, within the time provided in
 35 Section 4312 of Pub. L. 103-353, and repaying any amount the member may have
 36 previously withdrawn from the system, with interest.

1 (5)(A) An employer reemploying a member under this subsection
2 shall pay to the system the employer contributions due for the time the
3 member served in the uniformed services as required by § 24-10-405.

4 (B) However, if a member does not pay the employee
5 contributions due, then no employer contributions are due.

6 (6) For the purposes of determining the employee and employer
7 contributions due, the member's compensation during the period of service in
8 the uniformed services shall be computed at:

9 (A) The rate the member would have received if the member
10 not served in the uniformed services; or

11 (B) The member's average compensation level during the
12 twelve (12) month period, or shorter if applicable, immediately preceding the
