18 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
19

20 SECTION 1. Arkansas Code § 23-86-503 is amended to read as follows:

21 23-86-503. Health insurance purchasing group organization  
22 requirements.

23 (a) Each health insurance purchasing group shall be a nonprofit  
24 corporation operated under the direction of a board of directors which is  
25 composed of five (5) representatives of eligible employers.

26 (b)(1)(A) Each health insurance purchasing group shall be composed of  
27 at least five hundred (500) eligible employees from one (1) or more eligible  
28 employers.

29 (B) However, a health insurance purchasing group shall  
30 have twelve (12) months from the time of formation to reach the level of five  
31 hundred (500) eligible employees.

32 (C) At the time of formation, the health insurance  
33 purchasing group shall have at least one hundred (100) eligible employees.

34 (2)(A) Upon the failure of a health insurance purchasing group  
35 to maintain the required size restrictions described in this subsection, the  
36 health insurance purchasing group shall notify the Insurance Commissioner in

1 writing that the health insurance purchasing group does not comply with the  
 2 size requirements under subdivision (b)(1) of this section.

3 (B) The health insurance purchasing group may then  
 4 continue to operate the health benefits plan for its members, but shall  
 5 within sixty (60) calendar days comply with the size requirements of this  
 6 section, or within a time period as determined by the commissioner.

7 (C) Upon the failure of the health insurance purchasing  
 8 group to maintain size requirements as required under this section, after  
 9 sixty (60) calendar days or after the time period determined by the  
 10 commissioner, the health insurance purchasing group may then be terminated  
 11 following notice and hearing before the commissioner.

12 (c)(1)(A) Subject to the provisions of this subchapter, a health  
 13 insurance purchasing group shall permit any eligible employer, which meets  
 14 the membership requirements of the health insurance purchasing group, to  
 15 contract with the health insurance purchasing group for the purchase of a  
 16 health benefits plan for its eligible employees and dependents of those  
 17 eligible employees.

18 (B) The health insurance purchasing group may not vary  
 19 conditions of eligibility, including premium rates and membership fees, for  
 20 any employer meeting the membership requirements of the health insurance  
 21 purchasing group, nor may it vary conditions of eligibility for any employee  
 22 to qualify for a health insurance purchasing group health benefits plan  
 23 offered to the eligible employer by the group health insurance purchasing  
 24 group.

25 ~~(2)(A) A health insurance purchasing group may not require a~~  
 26 ~~contract under this subsection between a health insurance purchasing group~~  
 27 ~~and a purchaser to be effective for a period of longer than twelve (12)~~  
 28 ~~months.~~

29 ~~(B) This shall not be construed to prevent a contract from~~  
 30 ~~being extended for additional twelve month periods or preventing the~~  
 31 ~~purchaser from voluntarily electing a contract period of longer than twelve~~  
 32 ~~(12) months.~~

33 ~~(3)(2)~~(A) A contract shall provide that the purchaser agrees not  
 34 to obtain or sponsor a health benefits plan on behalf of any eligible  
 35 employees and their dependents other than through the health insurance  
 36 purchasing group.

1 (B) This shall not be construed to apply to an eligible  
2 individual who resides in an area for which no coverage is offered by a  
3 health insurance purchasing group health carrier.

4 ~~(4)~~(3)(A)(i) Under rules established to carry out this  
5 subchapter, with respect to an eligible employer that has a purchaser  
6 contract with a health insurance purchasing group, individuals who are  
7 eligible employees of an eligible employer may enroll for a health benefits  
8 plan offered by a health insurance purchasing group health carrier.

9 (ii) This may include coverage for dependents of the  
10 enrolling employees, if this coverage is offered.

11 (B) The employees may enroll for health benefits provided  
12 through their employer’s contract with a health insurance purchasing group.

13 ~~(5)~~(4) A health insurance purchasing group shall not deny  
14 enrollment as a member to an individual who is an eligible employee or  
15 dependent of an employee qualified to be enrolled based on health status-  
16 related factors, except as may be permitted by law.

17 ~~(6)~~(5) In the case of members enrolled in a health benefits plan  
18 offered by a health insurance purchasing group health carrier, the health  
19 insurance purchasing group shall provide for an annual open enrollment period  
20 of thirty (30) calendar days during which the members may change the coverage  
21 option in which the members are enrolled.

22 ~~(7)~~(6)(A) Nothing in this subsection shall preclude a health  
23 insurance purchasing group from establishing rules of employee eligibility  
24 for enrollment and re-enrollment of members during the annual open enrollment  
25 period under subdivision (c)(6) of this section.

26 (B) The rules shall be applied consistently to all  
27 purchasers and members within the health insurance purchasing group and shall  
28 not be based in any manner on health status-related factors and shall not  
29 conflict with sections of this subchapter.

30 (d)(1) Each health insurance purchasing group shall annually file with  
31 the commissioner:

32 (A) A description of its plan of operation, including each  
33 of the products it intends to sell;

34 (B) A description of its marketing methods and materials;  
35 and

36 (C) A description of its membership and disclosure

1 requirements or other information as required by the commissioner through  
 2 rules and regulations.

3 (2) The plan of operation filed with the commissioner by the  
 4 health insurance purchasing group pursuant to this subsection shall be deemed  
 5 approved sixty (60) calendar days after the date of filing, unless additional  
 6 time is requested by the commissioner to review the plan.

7 (e) Each health insurance purchasing group shall be considered a large  
 8 group for purposes of application of the Arkansas Insurance Code, § 23-60-101  
 9 et seq., to the activities and health benefit plans of the health insurance  
 10 purchasing group, unless stated otherwise in this subchapter.

11 (f) No purchaser, health insurance purchasing group, or health insurer  
 12 providing coverage to a health insurance purchasing group, shall be subject  
 13 to any provisions in §§ 26-57-601 through 25-57-616 for insurance premiums  
 14 collected for health benefit plans of health insurance purchasing groups.

15  
 16 SECTION 2. Arkansas Code § 23-86-504(e) and (f), concerning health  
 17 insurance purchasing group benefits coverage requirements, is amended to read  
 18 as follows:

24 (f) The health insurance purchasing group shall offer at least two (2)  
 25 types of plans ~~to its members~~, including one (1) plan providing a choice of  
 26 deductibles with state-mandated health benefits.

27  
 28 SECTION 3. Arkansas Code § 23-86-505 is amended to read as follows:

29 23-86-505. Notice ~~and requirement of eligible employee to reject a~~  
 30 ~~state-mandated health benefits plan in writing~~ requirements.

31 ~~(a)(1)~~ In each sale of a health benefits plan to a proposed eligible  
 32 employer through a health insurance purchasing group in which the health  
 33 insurance purchasing group offers an option to an eligible employer to obtain  
 34 a health benefits plan which, either in whole or in part, does not provide  
 35 state-mandated health benefits or does not contain standard provisions as may  
 36 be determined by rules and regulations of the Insurance Commissioner, the

1 health insurance purchasing group shall+

2 (A) ~~Provide to the proposed eligible employee a written~~

12 (b) ~~The written notice required in subsection (a) of this section~~  
13 ~~shall state in the written application or enrollment form to the eligible~~  
14 ~~employee for the health benefits plan the following language in bold type:~~

16 or health plan which is not subject to all of the state mandated health  
17 benefits, or standard health insurance policy or contract provisions,  
18 normally required in insurance policies or contracts in Arkansas. Some  
19 examples of state mandated health benefits which may be rejected by you  
20 include maternity and newborn coverage, in vitro fertilization, diabetes and  
21 pediatric preventative care. In addition, you may be allowed to reject  
22 standard insurance contract provisions and rights required by state law to be  
23 present in health benefits plans. This alternative health insurance policy or  
24 contract may provide a more affordable health insurance policy for you  
25 although, at the same time, it may provide you with fewer health benefits  
26 coverages than those normally imposed on health insurance policies in  
27 Arkansas."

28 (c) ~~Upon the failure to provide the written notice or rejection as~~  
29 ~~required in this section, the proposed eligible employee is deemed to have~~  
30 ~~selected a health benefits plan subject to all applicable state mandated~~  
31 ~~health benefits and services and standard provisions and rights required by~~  
32 ~~state law on health benefits plans.~~
