19 of Education Administrators; and

20                   (E) One (1) member to represent the Arkansas Parent  
21 Teacher Association.

22                   (c) Terms of committee members shall be three (3) years except for the  
23 initial members whose terms shall be determined by lot so as to stagger terms  
24 to equalize as nearly as possible the number of members to be appointed each  
25 year.

26                   (d) If a vacancy occurs, the officer who made the original appointment  
27 shall appoint a person who represents the same constituency as the member  
28 being replaced.

29                   (e) The committee shall elect one (1) of its members to act as chair  
30 for a term of one (1) year.

31                   (f) A majority of the members shall constitute a quorum for the  
32 transaction of business.

33                   (g) The committee shall meet at least monthly.

34                   (h) The Department of Health shall provide office space and staff for  
35 the committee.

36                   (i) Members of the committee shall serve without pay but may receive

1 expense reimbursement in accordance with § 25-16-902, if funds are available.

2  
3 6-7-118. Powers and duties.

4 (a) The Child Health Advisory Committee shall meet at least once per  
5 month and make recommendations to the State Board of Education and the State  
6 Board of Health consistent with the intent and purpose of §§ 6-7-117 through  
7 6-7-119.

8 (b) The Committee shall develop nutrition and physical activity  
9 standards and policy recommendations with consideration of the following:

10 (1) Foods sold individually in school cafeterias but outside the  
11 regulated National School Lunch Program;

12 (2) Competitive foods as defined by the United States Department  
13 of Agriculture, as in existence on January 1, 2003, and offered at schools  
14 typically through vending machines, student stores, school fundraisers, food  
15 carts, or food concessions;

16 (3) The continuing professional development of food service  
17 staff;

18 (4) The expenditure of funds derived from competitive food and  
19 beverage contracts;

20 (5) Physical education and activity;

21 (6) Systems to ensure the implementation of nutrition and  
22 physical activity standards; and

23 (7) The monitoring and evaluating or results and reporting of  
24 outcomes.

25  
26 6-17-119. Nutrition and physical activity standards - Implementation.

27 (a) The State Board of Education, after having consulted the committee  
28 and the State Board of Health, shall promulgate appropriate rules and  
29 regulations to ensure that nutrition and physical activity standards are  
30 implemented to provide students with the skills, opportunities, and  
31 encouragement to adopt healthy lifestyles.

32 (b) Beginning with the 2003-2004 school year, the Department of  
33 Health, in consultation with the Department of Education, shall:

34 (1) Employ one (1) doctoral level person to be housed within the  
35 Department of Health as a community health promotion specialist to plan,  
36 develop, implement, and evaluate pilot or model programs to support schools

1 and communities in nutrition and physical activity;

2 (2) Employ one (1) statewide health promotion consultant to be  
3 housed within the Department of Education;

4 (3) Employ one (1) person as a community health promotion  
5 specialist to support implementation of pilot or model programs in schools  
6 and communities in nutrition and physical activity in several distinct  
7 geographical areas of the state, if funds are available; and

8 (4) Not use more than four percent (4%) of the annual Department  
9 of Health Master Settlement Agreement funds for the salaries or programs  
10 created under this subsection (b).

11 (c) Beginning with the 2003-2004 school year, every school district  
12 shall:

13 (1) Prohibit, for elementary school students, in-school access  
14 to vending machines offering food and beverages;

15  
16 (2) Require schools to include as part of the annual report to  
17 parents and the community the amounts and specific sources of funds received  
18 and expenditures made from competitive food and beverage contracts;

19 (3) Require school to include as part of the student report card to  
20 parents an annual body mass index percentile by age for each student; and

21 (4) Require schools to annually provide parents with an  
22 explanation of the possible health effects of body mass index, nutrition and  
23 physical activity.

24 (d) Beginning with the 2004-2005 school year, the Department of  
25 Education shall:

26 (1) Begin the implementation of standards developed by the  
27 committee and approved by the Department of Education; and

28 (2) Annually monitor and evaluate the implementation and  
29 effectiveness of the nutrition and physical education standards.

30 (e) Beginning with the 2004-2005 school year, every school district  
31 shall:

32 (1) Convene a school nutrition and physical activity advisory  
33 committee that shall include members from school district governing boards,  
34 school administrators, food service personnel, teacher organizations,  
35 parents, students, and professional groups such as nurses and community  
36 members, to:

1                   (A) Help raise awareness of the importance of nutrition  
2 and physical activity; and

3                   (B) Assist in the development of local policies that  
4 address issues and goals, including, but not limited to, the following:

5                   (i) Assisting with the implementation of nutrition  
6 and physical activity standards developed by the committee with the approval  
7 of the Department of Education and the State Board of Health;

8                   (ii) Integrating nutrition and physical activity  
9 into the overall curriculum;

10                   (iii) Ensuring that professional development for  
11 staff includes nutrition and physical activity issues;

12                   (iv) Ensuring that students receive nutrition  
13 education and engage in healthful levels of vigorous physical activity;

14                   (v) Improving the quality of physical education  
15 curricula and increasing training of physical education teachers;

16                   (vi) Enforcing existing physical education  
17 requirements; and

18                   (vii) Pursuing contracts that both encourage healthy  
19 eating by students and reduce school dependence on profits from the sale of  
20 foods of minimal nutritional value;

21                   (2) Begin the implementation of standards developed by the  
22 committee with the approval of the Department of Education and the State  
23 Board of Health; and

24                   (3) Require that goals and objectives for nutrition and physical  
25 activity be incorporated into the annual school planning and reporting  
26 process.

27                   (f) The Department of Education and the Department of Health shall  
28 report annually on progress in implementing nutrition and physical education  
29 standards to the cochairs of the House and Senate Interim Committees on  
30 Public Health, Welfare, and Labor.
