20 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
21

22 SECTION 1. Arkansas Code Title 8, Chapter 6, Subchapter 2 is amended
23 to add an additional section to read as follows:

24 8-6-223. Convenience centers.

25 (a) "Convenience centers" means staffed facilities primarily
26 established for the collection of bagged waste identified by regulation of
27 the Arkansas Pollution Control and Ecology Commission as Class 1 or Class 4
28 from individual households, businesses, and industries.

29 (b)(1) Convenience centers are exempted from the permitting
30 requirements of the Arkansas Department of Environmental Quality.

31 (2) Convenience centers shall not be considered transfer
32 stations.

33 (c) Convenience centers shall:

34 (1) Be fenced and locked to prevent entry during hours the
35 facility is not open for business;

36 (2) Be staffed during hours the facility is open for business;

1 (3) Accept only waste identified by regulation of the Arkansas
2 Pollution Control and Ecology Commission as Class 1 or Class 4 and
3 recyclables from households, businesses, and industries that have been bagged
4 and closed;

5 (4) Not accept any waste from commercial waste haulers;

6 (5) Collect all Class 1 waste in a separate enclosed container;

7 (6) Deliver waste collected at the center to a permitted
8 transfer station, solid waste management facility, or landfill as needed, but
9 at least monthly;

10 (7) Be encouraged to accept a minimum of three (3) types of
11 recyclable materials;

12 (6) Accept a minimum of three (3) types of recyclable materials;
13 and

14 (8) Deliver all recycled materials collected at the center to a
15 materials recovery facility for recycling.

16 (d)(1) A person who operates a convenience center shall notify the
17 Solid Waste Division of the Arkansas Department of Environmental Quality
18 thirty (30) days before beginning operations.

19 (2) The notification shall include the following information:

20 (A) The location of the facility, including latitude and
21 longitude;

22 (B) The owner's name, address, and telephone number;

23 (C) The operator's name, address, and telephone number;

24 (D) The days and hours of operation;

25 (E) The materials to be collected;

26 (F) The location at which the waste will be delivered for
27 transfer or disposal;

28 (G) The location at which recyclable materials will be
29 delivered for processing and recycling;

30 (H) A seven and five-tenths (7.5) minute topographic quad
31 map as prepared according to the Unified Soil Classification System showing
32 the location of the facility; and

33 (I) A certification from a regional solid waste management
34 district showing that the facility meets all relevant regulations of the
35 district.

36 (3)(A) Within ten (10) days of receipt of the notice required under

1 subdivision (d)(1) of this section, the department shall inform the person
2 whether the required notice is or is not complete.

3 (B) If the required notice is complete, the person may
4 begin operating the convenience center.

5 (C) If the required notice is not complete, the person
6 shall complete the notice before beginning operation of the convenience
7 center.

8 (e) Operators of convenience centers shall maintain a Level B,
9 Journeyman's, license issued by the Arkansas Department of Environmental
10 Quality under Regulation 27.

11 (f)(1) Regional solid waste management districts shall survey each
12 convenience center at least quarterly and if the survey identifies any
13 violations of the district's regulations, the district shall:

14 (A) Close the convenience center; and

15 (B) Notify the Arkansas Department of Environmental
16 Quality that the certification has been rescinded.

17 (2)(A) A convenience center may request a new survey, at any
18 time after a closure by the regional solid waste management district.

19 (B) If the district finds that the center has returned to
20 compliance with the district's regulations, the district shall immediately:

21 (i) Rescind the closure; and

22 (ii) Notify the Arkansas Department of Environmental
23 Quality that the center has returned to compliance.
