16 TO REAPPORTION THE ARKANSAS COURT OF
17 APPEALS.

19
20 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
21

SECTION 1. Purpose.

22
23 (a) Under Act 889 of 1999, the Arkansas Court of Appeals Apportionment
24 Commission was created to review the electoral districts for the Court of
25 Appeals and make a recommendation on the changes to be made effective January
26 1, 2004. The commission has reviewed the current districts and the data from
27 the 2000 census, received input from judges, lawyers, and the general public,
28 and considered the requirements and restrictions of federal and state law.
29 Because of major shifts in population which have occurred since the current
30 districts were created utilizing the 1970 census, a realignment of these
31 districts is necessary.

32 (b) The Arkansas Court of Appeals consisted of six (6) judges when it
33 was first created. The number of members grew to nine (9) judges in 1996,
34 and to twelve (12) judges in 1997. However, when the new judgeships were
35 created, no plan was made to stagger the dates of the end of the terms for
36 each of the judges. As a result, the terms of eight (8) of the twelve (12)

1 judges end in 2004. In order to provide for an orderly transition of members
 2 and create a reasonable level of stability on the court, it is necessary to
 3 adjust the current terms of office.

4 (c) It is the purpose of this act to create new electoral districts
 5 for the Arkansas Court of Appeals and to establish the dates for electing the
 6 judges within each of these districts.
