2	84th General Assembly			110
3	Regular Session, 2003	SEN.	ATE BILL	118
4 5	By: Senator J. Jeffress			
6	By. Senator J. Jerness			
7				
, 8		For An Act To Be Entitled		
9	AN AG	CT TO REGULATE THE PRACTICE OF NATUROPATHY;		
10	TO PI	ROVIDE PENALTIES; AND FOR OTHER PURPOSES.		
11				
12		Subtitle		
13	A	NACT TO REGULATE THE PRACTICE OF		
14	NA	ATUROPATHY.		
15				
16				
17	BE IT ENACTED BY TH	E GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:		
18				
19		rkansas Code Title 17 is amended to add an add	litional	
20	chapter to read as			
21	<u>5</u>	<u>UBCHAPTER 1 - GENERAL PROVISIONS</u>		
22 23	17 107 101	This chapter shall be known and may be cited a	a UTho	
23 24	Naturopathic Practi		is The	
25				
26	17-107-102.	Findings and purpose.		
27		ral Assembly finds that:		
28	<u>(1)</u> A	significant number of the citizens of this sta	ate are	
29	turning to naturopa	thic practitioners for their health care needs	s; and	
30	<u>(</u> 2) Na	turopathy is a distinct health care profession	<u>ı that</u>	
31	affects the public	health, safety, and welfare and provides the p	oublic wit	<u>h</u>
32	freedom of choice i	n health care.		
33	<u>(b) This cha</u>	pter is intended to:		
34	<u>(1)</u> Pr	ovide standards for the licensing and regulati	lon of	
35	<u>naturopathy</u> to prot	ect the public health, safety, and welfare; an	<u>nd</u>	
36	<u>(2)</u> Pr	ovide a means of identifying qualified naturop	<u>pathic</u>	

1	practitioners.
2	
3	<u>17-107-103. Definitions.</u>
4	As used in this chapter:
5	(1) "Advisory committee" means the Naturopathic Practitioners Advisory
6	<u>Committee;</u>
7	(2) "Approved naturopathic college" means a college granting the
8	degree of doctor of naturopathy, doctor of naturopathic health care, or
9	doctor of nutritional science that:
10	(A) Is accredited by the federal government, or by a nationally
11	recognized accreditation and certification board, such as the American
12	Association of Naturopathic Medical Certification and Accreditation Board,
13	and approved by the board;
14	(B) Has candidate-for-accreditation status with the accrediting
15	agency; or
16	(C) Has been approved by the advisory committee after the
17	college was investigated and found to meet education standards equivalent to
18	those established by the accrediting agency;
19	(3) "Board" means the State Board of Health;
20	(4) "Department" means the Department of Health;
21	(5) "Natural antibiotics" means antimicrobial, antifungal, and
22	antiprotozoal agents that are naturally occurring substances or manufactured
23	substances that are substantially identical to the naturally occurring
24	substances;
25	(6) "Natural medicines" means food, food extracts, dietary supplements
26	as defined by the Federal Food, Drug, and Cosmetic Act, as in effect January
27	1, 2003, homeopathic remedies, plant substances that are not designated as
28	prescription drugs or controlled substances, over-the-counter medications,
29	and substances prepared according to the official Homeopathic Pharmacopoeia
30	of the United States, as in effect January 1, 2003;
31	(7) "Naturopathic medicine" means a system of health care practiced by
32	naturopathic practitioners for the prevention, evaluation, and care of human
33	health conditions that uses education, and natural substances and remedies to
34	support and stimulate the individual's intrinsic self-healing processes;
35	(8)(A) "Naturopathic physical modality" means the use of the physical
36	agents of air, water, heat, cold, sound, light, and electromagnetic

SB118

1	nonionizing radiation and the physical modalities of electrotherapy,
2	biofeedback, diathermy, ultraviolet light, ultrasound, hydrotherapy, and
3	exercise.
4	(B) "Naturopathic physical modality" does not include the
5	practice of physical therapy, acupuncture, or chiropractic, unless the
6	naturopath is qualified and has passed an examination approved by the
7	appropriate board to practice in physical therapy, acupuncture, or
8	chiropractic;
9	(9) "Naturopathic practitioner" means a person who is licensed by the
10	board to practice naturopathy;
11	(10) "Practice of naturopathy" means a system of health care for the
12	prevention and care of human conditions, injuries, and diseases that uses
13	education, natural substances, and natural therapies to support and stimulate
14	the patient's intrinsic self-healing processes; and
15	(11) "Topical preparations" means topical over the counter
16	preparations.
17	
18	<u>17-107-104. Exceptions.</u>
19	(a) This chapter does not:
20	(1) Prevent any other professional who is licensed, certified,
21	or registered under the laws of this state from providing services consistent
22	with the professional's scope of practice;
23	(2) Apply to a student of naturopathy who is currently enrolled
24	in an approved naturopathic course of study and who gratuitously evaluates
25	human conditions under the direct supervision of a naturopathic physician
26	regulated under the laws of this state, if the student's activities are
27	within the scope of practice of the supervising naturopathic practitioner and
28	are limited to activity consistent with the scope of practice authorized by
29	this chapter;
30	(3) Prohibit or restrict a person engaged in the sale of
31	vitamins, health foods, dietary supplements, herbs, or other products of
32	nature not otherwise prohibited under state or federal law;
33	(4) Prohibit a person from providing nutritional advice, giving
34	advice concerning proper nutrition, or giving information as to the use and
35	role of food and food ingredients, including dietary supplements, except that

1	authority to practice medicine or surgery, to undertake the treatment or cure
2	of a disease, pain, injury, deformity, or physical or mental condition, or to
3	state that a product might cure a disease, pain, injury, deformity, or other
4	condition; or
5	(5) Apply to a naturopathic <i>practitioner</i> licensed in another
6	state, a territory of the United States, or the District of Columbia, if the
7	state, territory, or the District of Columbia requires credentials equivalent
8	to those of this chapter, when the physician is incidentally called into this
9	state for consultation with a naturopathic practitioner licensed in this
10	state.
11	(b) This chapter does not apply to:
12	
13	(1) The activities and services of members of other professions
14	licensed or certified by the state, including, but not limited to,
15	physicians, registered nurses, psychologists, social workers, marriage and
16	family therapists, chemical dependency counselors, physician assistants,
17	occupational therapists, optometrists, Christian Science practitioners or
18	other recognized religious practitioners performing counseling consistent
19	with the laws of this state, their training, and any code of ethics of their
20	professions, if they do not represent themselves by any title or description
21	in the manner prescribed by § 17-107-303;
22	(2) The activities, services, titles, and descriptions of
23	persons licensed to practice law;
24	(3) A student in training in a medical school approved by the
25	State Board of Health while performing the duties assigned in the course of
26	training, if the duties are performed under the supervision of a licensed
27	practitioner, except that medical residents, interns, and fellows shall be
28	required to register and be subject to the other applicable provisions of
29	this chapter; or
30	(4) A physician licensed in another state who is in this state
31	for consultation with a naturopathic practitioner licensed in this state but
32	who does not:
33	(A) Have an office in this state; or
34	(B) Appoint a place in this state for seeing, examining,
35	or treating patients.
36	

SB118

1	SUBCHAPTER 2 - THE NATUROPATHIC PRACTITIONER ACT - STATE BOARD OF
2	HEALTH
3	
4	17-107-201. Powers and duties of board and department.
5	(a) The State Board of Health, with the advice of the Naturopathic
6	Practitioners Advisory Committee, shall adopt rules consistent with this
7	<u>chapter.</u>
8	(b) The Department of Health shall administer this chapter,
9	investigate violations of this chapter, prepare and administer examinations
10	required by the board, and perform other duties authorized by this chapter.
11	(c) The board may adopt rules authorizing the use by naturopathic
12	practitioners of other evaluative procedures and other natural substances,
13	treatments, procedures, and therapies if the substances, treatments,
14	procedures, and therapies are taught in approved courses of study or used by
15	practitioners licensed by other entities of the state and are consistent with
16	this chapter.
17	
18	17-107-202. Naturopathic Practitioners Advisory Committee.
19	(a)(1) The Naturopathic <i>Practitioners</i> Advisory Committee is created as
20	an advisory committee to the State Board of Health, to be composed of seven
21	(7) members appointed by the board, of whom one (1) shall be a member of a
22	minority community.
23	(2) The board shall appoint the members of the committee within
24	thirty (30) days of the effective date of this chapter.
25	(b)(1)(A) Three (3) members shall be representatives of the general
26	public; and
27	(B) Four (4) members shall be naturopathic practitioners
28	licensed under this chapter.
29	(2) In appointing the initial naturopathic practitioner members
30	of the Naturopathic Practitioners Advisory Committee, the board, in lieu of
31	appointing members who are naturopathic practitioners licensed under this
32	chapter, may appoint four (4) members who are otherwise qualified and have
33	applied for licenses as naturopathic practitioners under this chapter.
34	(c)(1) Members shall be appointed for staggered terms of six (6)
35	years, with three (3) members' terms expiring January 1 of each even-numbered
36	year.

SB118

1	(2) The initial members shall draw lots to determine the lengths
2	of their terms.
3	(d) The board shall call the first meeting of the committee within
4	sixty (60) days of the effective date of this chapter.
5	(e) If a vacancy occurs on the advisory committee, the board shall
6	appoint a person having the appropriate qualifications to serve the unexpired
7	part of the term.
8	(f) The committee may adopt rules for the conduct of its activities
9	and shall elect from among its members a chair who shall serve a one (1) year
10	term.
11	(g) A majority of the members of the committee shall constitute a
12	quorum to transact the business of the committee.
13	(h) The committee shall meet at least once each calendar year and
14	shall meet at other times at the call of the presiding officer as necessary
15	to transact its business.
16	(i) The members of the committee may not receive compensation, but may
17	receive expense reimbursement in accordance with § 25-16-902.
18	(j) The advisory committee shall:
19	(1) Recommend to the board rules to implement standards adopted
20	under this chapter;
21	(2) Perform other duties assigned by the board; and
22	(3) Recommend to the board examinations required by this
23	chapter.
24	(k) A naturopathic practitioner member of the advisory committee may
25	be licensed as a member of another health profession regulated or licensed by
26	the state.
27	
28	17-107-203. Complaint procedure in general.
29	(a) The Department of Health shall establish and keep current an
30	information file that shall contain a record for each complaint of:
31	(1) All persons contacted in relation to the complaint;
32	(2) A summary of findings made at each step of the complaint
33	process;
34	(3) An explanation of the legal basis and reason for a complaint
35	that is dismissed; and
36	(4) Other relevant information.

1	(b) If a written complaint is filed with the department that the
2	department has authority to resolve, the department, at least as frequently
3	as quarterly and until final disposition of the complaint, shall notify the
4	parties to the complaint of the status of the complaint unless the notice
5	would jeopardize an undercover investigation.
6	(c)(l) The State Board of Health shall adopt a form to standardize
7	information concerning complaints made to the department.
8	(2) The department shall provide to a person who files a
9	complaint with the department a list and explanation of the required
10	standardized information.
11	(d) The department shall provide reasonable assistance to a person who
12	wishes to file a complaint with the department.
13	
14	17-107-204. Complaint investigation and disposition.
15	(a) The State Board of Health shall adopt rules concerning the
16	investigation of a complaint filed with the Department of Health.
17	(b) The rules adopted under this section shall:
18	(1) Distinguish between categories of complaints;
19	(2) Ensure that complaints are not dismissed without appropriate
20	consideration;
21	(3) Require that the advisory committee be advised of a
22	complaint that is dismissed and that a letter be sent to the person who filed
23	the complaint explaining the action taken on the dismissed complaint; and
24	(4) Ensure that the person who filed the complaint has an
25	opportunity to explain the allegations made in the complaint.
26	(c) The department shall dispose of all complaints in a timely manner.
27	
28	17-107-205. Discipline of license holder.
29	(a) A license to practice naturopathy may be denied or, after notice
30	and hearing, suspended, probated, or revoked if the applicant for a license
31	or the holder of a license:
32	(1) Uses drugs or intoxicating liquors to an extent that affects
33	the person's professional competence;
34	(2) Obtains or attempts to obtain a license by fraud or
35	deception;
36	(3) Is adjudged mentally incompetent by a court of competent

1	jurisdiction;
2	(4) Practices naturopathy in a manner detrimental to the public
3	health and welfare;
4	(5) Violates this chapter or a rule adopted under this chapter;
5	(6) Is convicted of a felony, a crime involving moral turpitude,
6	or fraud of any kind; or
7	(7) Holds himself or herself out as a physician or surgeon or
8	any combination or derivative of those terms unless the person is also
9	licensed under the Arkansas Medical Practices Act, § 17-95-201 et seq.
10	(b) If a license suspension is probated, the Department of Health may
11	require the license holder to:
12	(1) Report regularly to the department on matters that are the
13	basis of the probation;
14	(2) Limit practice to areas prescribed by the department; or
15	(3) Continue professional education until he or she attains a
16	degree of skill satisfactory to the department in those areas that are the
17	basis of the probation.
18	(c) A person whose application for a license is denied or whose
19	license is suspended or revoked is entitled to a hearing before the
20	department if the person submits a written request to the department.
21	
22	SUBCHAPTER 3 - THE NATUROPATHIC PRACTITIONER ACT - LICENSING
23	
24	17-107-301. License qualifications.
25	(a) A person is qualified to be licensed as a naturopathic
26	practitioner if the person:
27	(1) Completes and submits to the Department of Health an
28	application accompanied by the appropriate fees;
29	(2) Is a graduate of an approved naturopathic college under §
30	<u>17-107-103</u> ;
31	(3) Has passed an examination prescribed or endorsed by the
32	Naturopathic Practitioners Advisory Committee covering the appropriate
33	naturopathic subjects; and
34	(4) Is of good moral character.
35	(b) A person is qualified to be licensed as a naturopathic
36	practitioner without examination if:

2 state, a territory of the United States, or the District of Columbia, under 3 conditions and circumstances that the State Board of Health finds to be 4 comparable to the requirements of this state for obtaining a license to 5 practice naturopathy and the state, the territory, or the District of 6 Columbia requires the successful completion of a professional examination for 7 the issuance of a license: 8 (2) The applicant has graduated from a naturopathic college 9 approved by the board or, if the applicant was licensed before a date 10 designated by board rule, the applicant graduated from a college approved by 11 the acceptable education standards in existence at the time of the 12 spplicant's graduation; and 14 (3) The applicant produces evidence satisfactory to the advisory 15 committee that the applicant produces evidence of naturopathy for not 16 (4) Is of good moral character. 17 (c) A person may sit for the examination prescribed or endorsed by the 18 (d) Is of good moral character. 19 (c) A person may sit for the examination prescribed or endorsed by the 19 advisory committee under subsection (a) of this section and be eligible for	1	(1) The applicant is licensed to practice naturopathy in another

11 the advisory committee after the college was investigated and found to meet 12 the acceptable education standards in existence at the time of the 13 applicant's graduation; and 14 (3) The applicant produces evidence satisfactory to the advisory 15 committee that the applicant holds a valid, unsuspended, and unrevoked 16 license, has been actively engaged in the practice of naturopathy for not 17 less than one (1) year; and 18 (4) Is of good moral character. 19 (c) A person may sit for the examination prescribed or endorsed by the 20 advisory committee under subsection (a) of this section and be eligible for 21 licensure as a naturopathic physician on the passage of the examination if, 25 before December 1, 2003, the person files a license application, pays the 26 required fees, and submits proof to the department that the person: 27 (1) Attended a naturopathic college and received a doctorate 26 degree in naturopathy from the college before January 1, 2003, and the 27 (2) Before May 1, 2003, provided in this state and on a regular 28 and ongoing basis health care services using natural medicines or therapies 27 (2) Before May 1, 2003, provided in	9	approved by the board or, if the applicant was licensed before a date
12the acceptable education standards in existence at the time of the13applicant's graduation; and14(3) The applicant produces evidence satisfactory to the advisory15committee that the applicant holds a valid, unsuspended, and unrevoked16license, has been actively engaged in the practice of naturopathy for not17less than one (1) year; and18(4) Is of good moral character.19(c) A person may sit for the examination prescribed or endorsed by the20advisory committee under subsection (a) of this section and be eligible for21licensure as a naturopathic physician on the passage of the examination if,25before December 1, 2003, the person files a license application, pays the26required fees, and submits proof to the department that the person:27(1) Attended a naturopathic college and received a doctorate28degree in naturopathy from the college before January 1, 2003, and the29college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)33of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or o	10	designated by board rule, the applicant graduated from a college approved by
13applicant's graduation; and14(3) The applicant produces evidence satisfactory to the advisory15committee that the applicant holds a valid, unsuspended, and unrevoked16license, has been actively engaged in the practice of naturopathy for not17less than one (1) year; and18(4) Is of good moral character.19(c) A person may sit for the examination prescribed or endorsed by the20advisory committee under subsection (a) of this section and be eligible for21licensure as a naturopathic physician on the passage of the examination if,22before December 1, 2003, the person files a license application, pays the23required fees, and submits proof to the department that the person:24(1) Attended a naturopathic college and received a doctorate25degree in naturopathy from the college before January 1, 2003, and the26college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)33of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or older;	11	the advisory committee after the college was investigated and found to meet
14(3) The applicant produces evidence satisfactory to the advisory15committee that the applicant holds a valid, unsuspended, and unrevoked16license, has been actively engaged in the practice of naturopathy for not17less than one (1) year; and18(4) Is of good moral character.19(c) A person may sit for the examination prescribed or endorsed by the20advisory committee under subsection (a) of this section and be eligible for21licensure as a naturopathic physician on the passage of the examination if,22before December 1, 2003, the person files a license application, pays the23required fees, and submits proof to the department that the person:24(1) Attended a naturopathic college and received a doctorate25degree in naturopathy from the college before January 1, 2003, and the26college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)33of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or older;	12	the acceptable education standards in existence at the time of the
15committee that the applicant holds a valid, unsuspended, and unrevoked16license, has been actively engaged in the practice of naturopathy for not17less than one (1) year; and18(4) Is of good moral character.19(c) A person may sit for the examination prescribed or endorsed by the20advisory committee under subsection (a) of this section and be eligible for21licensure as a naturopathic physician on the passage of the examination if,22before December 1, 2003, the person files a license application, pays the23required fees, and submits proof to the department that the person:24(1) Attended a naturopathic college and received a doctorate25degree in naturopathy from the college before January 1, 2003, and the26college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)30of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or older;	13	applicant's graduation; and
16license, has been actively engaged in the practice of naturopathy for not17less than one (1) year; and18(4) Is of good moral character.19(c) A person may sit for the examination prescribed or endorsed by the20advisory committee under subsection (a) of this section and be eligible for21licensure as a naturopathic physician on the passage of the examination if,22before December 1, 2003, the person files a license application, pays the23required fees, and submits proof to the department that the person:24(1) Attended a naturopathic college and received a doctorate25degree in naturopathy from the college before January 1, 2003, and the26college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)30of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or older;	14	(3) The applicant produces evidence satisfactory to the advisory
17less than one (1) year; and18(4) Is of good moral character.19(c) A person may sit for the examination prescribed or endorsed by the20advisory committee under subsection (a) of this section and be eligible for21licensure as a naturopathic physician on the passage of the examination if,22before December 1, 2003, the person files a license application, pays the23required fees, and submits proof to the department that the person:24(1) Attended a naturopathic college and received a doctorate25degree in naturopathy from the college before January 1, 2003, and the26college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)33of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or older;	15	committee that the applicant holds a valid, unsuspended, and unrevoked
18(4) Is of good moral character.19(c) A person may sit for the examination prescribed or endorsed by the20advisory committee under subsection (a) of this section and be eligible for21licensure as a naturopathic physician on the passage of the examination if,22before December 1, 2003, the person files a license application, pays the23required fees, and submits proof to the department that the person:24(1) Attended a naturopathic college and received a doctorate25degree in naturopathy from the college before January 1, 2003, and the26college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)33of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or older;	16	license, has been actively engaged in the practice of naturopathy for not
19(c) A person may sit for the examination prescribed or endorsed by the20advisory committee under subsection (a) of this section and be eligible for21licensure as a naturopathic physician on the passage of the examination if,22before December 1, 2003, the person files a license application, pays the23required fees, and submits proof to the department that the person:24(1) Attended a naturopathic college and received a doctorate25degree in naturopathy from the college before January 1, 2003, and the26college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)33of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or older;	17	less than one (1) year; and
20advisory committee under subsection (a) of this section and be eligible for21licensure as a naturopathic physician on the passage of the examination if,22before December 1, 2003, the person files a license application, pays the23required fees, and submits proof to the department that the person:24(1) Attended a naturopathic college and received a doctorate25degree in naturopathy from the college before January 1, 2003, and the26college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)33of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or older;	18	(4) Is of good moral character.
21licensure as a naturopathic physician on the passage of the examination if,22before December 1, 2003, the person files a license application, pays the23required fees, and submits proof to the department that the person:24(1) Attended a naturopathic college and received a doctorate25degree in naturopathy from the college before January 1, 2003, and the26college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)33of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or older;	19	(c) A person may sit for the examination prescribed or endorsed by the
22before December 1, 2003, the person files a license application, pays the23required fees, and submits proof to the department that the person:24(1) Attended a naturopathic college and received a doctorate25degree in naturopathy from the college before January 1, 2003, and the26college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)33of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or older;	20	advisory committee under subsection (a) of this section and be eligible for
required fees, and submits proof to the department that the person: (1) Attended a naturopathic college and received a doctorate degree in naturopathy from the college before January 1, 2003, and the college is subsequently approved by the advisory committee; (2) Before May 1, 2003, provided in this state and on a regular and ongoing basis health care services using natural medicines or therapies for patients in this state; and (3) Is of good moral character. (4) A person is qualified to be licensed under this chapter without taking the examination or meeting the requirements of subsections (a) and (b) of this section if the person: (1) Is a resident of the state; (2) Is twenty-one (21) years of age or older;	21	licensure as a naturopathic physician on the passage of the examination if,
 (1) Attended a naturopathic college and received a doctorate degree in naturopathy from the college before January 1, 2003, and the college is subsequently approved by the advisory committee; (2) Before May 1, 2003, provided in this state and on a regular and ongoing basis health care services using natural medicines or therapies for patients in this state; and (3) Is of good moral character. (d) A person is qualified to be licensed under this chapter without taking the examination or meeting the requirements of subsections (a) and (b) of this section if the person: (1) Is a resident of the state; (2) Is twenty-one (21) years of age or older; 	22	before December 1, 2003, the person files a license application, pays the
25degree in naturopathy from the college before January 1, 2003, and the26college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)33of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or older;	23	required fees, and submits proof to the department that the person:
26college is subsequently approved by the advisory committee;27(2) Before May 1, 2003, provided in this state and on a regular28and ongoing basis health care services using natural medicines or therapies29for patients in this state; and30(3) Is of good moral character.31(d) A person is qualified to be licensed under this chapter without32taking the examination or meeting the requirements of subsections (a) and (b)33of this section if the person:34(1) Is a resident of the state;35(2) Is twenty-one (21) years of age or older;	24	(1) Attended a naturopathic college and received a doctorate
27 (2) Before May 1, 2003, provided in this state and on a regular 28 and ongoing basis health care services using natural medicines or therapies 29 for patients in this state; and 30 (3) Is of good moral character. 31 (d) A person is qualified to be licensed under this chapter without 32 taking the examination or meeting the requirements of subsections (a) and (b) 33 of this section if the person: 34 (1) Is a resident of the state; 35 (2) Is twenty-one (21) years of age or older;	25	degree in naturopathy from the college before January 1, 2003, and the
28 and ongoing basis health care services using natural medicines or therapies 29 for patients in this state; and 30 (3) Is of good moral character. 31 (d) A person is qualified to be licensed under this chapter without 32 taking the examination or meeting the requirements of subsections (a) and (b) 33 of this section if the person: 34 (1) Is a resident of the state; 35 (2) Is twenty-one (21) years of age or older;	26	college is subsequently approved by the advisory committee;
29 for patients in this state; and 30 (3) Is of good moral character. 31 (d) A person is qualified to be licensed under this chapter without 32 taking the examination or meeting the requirements of subsections (a) and (b) 33 of this section if the person: 34 (1) Is a resident of the state; 35 (2) Is twenty-one (21) years of age or older;	27	(2) Before May 1, 2003, provided in this state and on a regular
 30 (3) Is of good moral character. 31 (d) A person is qualified to be licensed under this chapter without 32 taking the examination or meeting the requirements of subsections (a) and (b) 33 of this section if the person: 34 (1) Is a resident of the state; 35 (2) Is twenty-one (21) years of age or older; 	28	and ongoing basis health care services using natural medicines or therapies
31 (d) A person is qualified to be licensed under this chapter without 32 taking the examination or meeting the requirements of subsections (a) and (b) 33 of this section if the person: 34 (1) Is a resident of the state; 35 (2) Is twenty-one (21) years of age or older;	29	for patients in this state; and
32 taking the examination or meeting the requirements of subsections (a) and (b) 33 of this section if the person: 34 (1) Is a resident of the state; 35 (2) Is twenty-one (21) years of age or older;	30	(3) Is of good moral character.
33 of this section if the person: 34 (1) Is a resident of the state; 35 (2) Is twenty-one (21) years of age or older;	31	(d) A person is qualified to be licensed under this chapter without
 34 (1) Is a resident of the state; 35 (2) Is twenty-one (21) years of age or older; 	32	taking the examination or meeting the requirements of subsections (a) and (b)
35 (2) Is twenty-one (21) years of age or older;	33	of this section if the person:
	34	(1) Is a resident of the state;
36 (3) Provides proof acceptable to the advisory committee that the	35	(2) Is twenty-one (21) years of age or older;
	36	(3) Provides proof acceptable to the advisory committee that the

1	person has been actively engaged in naturopathic health care and has held
2	himself or herself out to the public as a naturopathic practitioner for at
3	least three (3) years before January 1, 2003, or has accumulated not less
4	than three thousand eighty (3,080) patient contact hours before January 1,
5	<u>2003;</u>
6	(4) Is not licensed as a physician or chiropractor;
7	(5) Derives the majority of his or her earned income from the
8	practice of naturopathy; and
9	(6) Applies for a license under this subsection before January
10	<u>1, 2004.</u>
11	(e) A person licensed under subsection (d) of this section may:
12	(1) Use the title "naturopathic practitioner" and any other
13	title permitted under § 17-107-303(a); and
14	(2) Practice naturopathy only within the scope of practice that
15	reflects the limits of his or her training and experience.
16	(f)(1) The board may adopt rules providing for limitations on the
17	practice of a person licensed under subsection (d) of this section.
18	(2) However, the board may not require a person licensed under
19	subsection (d) of this section to be identified as a person whose practice is
20	limited.
21	
22	<u>17-107-302. Examination.</u>
23	(a)(1) The Naturopathic <i>Practitioners</i> Advisory Committee may prescribe
24	a nationally developed standard examination as part or all of the examination
25	prescribed or endorsed under § 17-107-301(a).
26	(2)(A) The State Board of Health shall promulgate rules to
27	establish criteria for passing the examination.
28	(B) The board may promulgate other rules necessary to the
29	administration of the examination.
30	(b) The board shall set the fees for the examination, reexamination of
31	the entire examination, and reexamination of separate components of the
32	examination in amounts necessary to cover the actual cost of the examination
33	and the expenses of administration.
34	
35	17-107-303. Use of titles - penalty - injunction.
36	(a) Only a naturopathic practitioner may use the title "naturopathic

1	practitioner", "doctor of naturopathy", "naturopathy", or "N.D.".
2	(b) A person not licensed under this chapter is guilty of a Class A
3	misdemeanor and is subject to penalties applicable to the unlicensed practice
4	of naturopathic medicine if he or she:
5	(1) Holds himself or herself out as a person who practices
6	naturopathic medicine;
7	(2) Uses any combination or abbreviation of the terms described
8	in subsection (a) of this section without holding a license or while he or
9	she is on retired or inactive status; or
10	(3) Acts as a naturopathic practitioner.
11	(c) The State Board of Health make seek an injunction against a person
12	who violates this section in the circuit court of the county in which the
13	violation occurs.
14	
15	<u>17-107-304. License fees.</u>
16	The State Board of Health shall adopt an initial licensing fee and
17	annual renewal fees in amounts necessary to cover the costs of administering
18	this chapter.
19	
20	17-107-305. License renewal.
21	(a) A license to practice as a naturopathic practitioner shall be
22	renewed annually.
23	(b) To renew a license, each naturopathic practitioner shall submit to
24	the Department of Health evidence of successful completion of the required
25	hours of continuing education from programs approved by the State Board of
26	Health.
27	(c) The board shall adopt rules establishing approved programs of
28	continuing education and the manner for verifying participation.
29	(d) The board may adopt other rules necessary to the administration of
30	license renewals.
31	
32	17-107-306. Continuing education.
33	(a) The State Board of Health shall require not fewer than fifteen
34	(15) hours annually of continuing education hours for all naturopathic
35	practitioners.
36	(b)(l) A person who seeks to renew a license that expired within the

1	preceding year shall comply with the continuing education requirements for
2	the regular renewal of the license.
3	(2) A person seeking to renew a license that has been expired
4	for more than one (1) year must present evidence of completion of not less
5	than one-half (1/2) of the required hours of approved continuing education
6	requirements during the year preceding the date of the application for
7	<u>renewal.</u>
8	
9	17-107-307. Inactive status - retired status.
10	(a) To place a license on inactive status, the license holder must
11	notify the Department of Health at the time of renewal and pay a fee for
12	inactive status.
13	(b) To activate a license on inactive status, the license holder must
14	pay the regular renewal fee and present evidence of having completed not less
15	than one-half $(1/2)$ of the required hours of approved continuing education
16	requirements during the year preceding the date of the application for
17	activation.
18	(c)(1) A license holder seeking to place a license on retired status
19	must notify the department at the time of renewal.
20	(2) A license on retired status may not be reactivated.
21	(d) A license holder who holds a license that is on inactive or
22	retired status may not practice naturopathic medicine.
23	
24	SUBCHAPTER 4 - THE NATUROPATHIC MEDICINE ACT - NATUROPATHIC PRACTICE
25	
26	17-107-401. Authorized activities.
27	(a) A person licensed as a naturopathic <i>practitioner</i> under this
28	chapter may use for preventive and therapeutic purposes the following
29	preparations and therapies:
30	(1) Natural medicines;
31	(2) Minor office procedures;
32	(3) Natural antibiotics;
33	(4) Naturopathic medicine;
34	(5) Topical preparations; and
35	(6) Naturopathic physical modality.
36	(b) A person licensed as a naturopathic <i>practitioner</i> under this

1	chapter may use the following for evaluation purposes, if the practitioner
2	has met the appropriate educational requirements and has obtained the
3	approval of the board:
4	(1) Physical and orificial examinations;
5	<u>(2) X-rays;</u>
6	(3) Electrocardiograms;
7	(4) Therapeutic ultrasound;
8	(5) Phlebotomy;
9	(6) Clinical laboratory tests and examinations;
10	(7) Physiological function tests; and
11	(8) The noninvasive diagnostic procedures commonly used in
12	general practice.
13	
14	17-107-402. Specialty practice.
15	(a) Comply with the requirements adopted by the State Board of Health
16	for issuance of the specialty certification that are equivalent to the
17	minimum requirements, including any examination required by the board, to
18	obtain a license to practice in this state a different specialty not covered
19	under this chapter.
20	(b) The advisory committee may recommended a national standardized
21	examination in a requested specialty as constituting the specialty
22	examination.
23	
24	<u>17-107-403. Use of X-ray.</u>
25	(a) A naturopathic practitioner licensed under this chapter may use an
26	X-ray in the course of practice only if the naturopathic practitioner is
27	certified by the State Board of Health as qualified to perform X-ray
28	procedures.
29	(b) The board shall adopt rules for the issuance of a certification
30	under this section that are equivalent to the requirements for other health
31	professionals to engage in the use of X-rays.
32	
33	17-107-404. Prohibited Acts.
34	A naturopathic practitioner may not:
35	(1) Prescribe, dispense, or administer any legend drugs or controlled
36	substances;

1	(2) Perform X-ray procedures except those procedures authorized by
2	this chapter;
3	(3) Practice emergency care except as a Samaritan rendering gratuitous
4	services in the case of emergency, and except for the care of minor injuries;
5	or
6	(4) Claim to practice allopathic medicine or surgery, osteopathy,
7	dentistry, podiatry, optometry, chiropractic, physical therapy, acupuncture,
8	or any other system or method of treatment not authorized by this chapter.
9	
10	17-107-405. Duties and responsibilities.
11	A naturopathic practitioner has the same responsibility as any other
12	licensed health care provider regarding public health laws, reportable
13	diseases and conditions, communicable disease control and prevention, the
14	recording of vital statistics, health and physical examinations, and
15	competency examinations, except that the authority under this section is
16	limited to activity consistent with the scope of practice authorized by this
17	chapter.
