 19 reimbursement rate for personal care and Elderchoices homemaker, respite, and
 20 chore services shall be increased from the current rate of \$12.35 per hour to

23
 24 SECTION 19. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS
 25 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. FUND
 26 USAGE AUTHORIZED. The Arkansas Children's Hospital may request the
 27 Department of Human Services - Division of Medical Services to retain in the
 28 Department of Human Services Grant Fund account an amount not to exceed
 29 \$2,100,000 each fiscal year from funds made available by this Act for the

 31 match federal funds used for supplemental Medicaid payments to Arkansas
 32 Children's Hospital. These retained funds shall not be recovered for transfer
 33 to the General Revenue Allotment Reserve Fund.

34
 35 SECTION 20. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS
 36 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. The State

1 Plan must include the provision of EPSDT services as those services are
2 defined in §1396d(r). See §§ 1396a(a)(10)(A), 1396d(a)(4)(B); see also
3 1396a(a)(43). Section 1396d(r) lists in detail the screening services,
4 vision services, dental services, and hearing services that the State Plan
5 must expressly include, but with regard to treatment services, it states that
6 EPSDT means "[s]uch other necessary health care, diagnostic services,
7 treatment, and other measures described in subsection (a) of this section to
8 correct or ameliorate defects and physical and mental illnesses and
9 conditions discovered by the screening services, whether or not such services
10 are covered under the State plan." 42 U.S.C. § 1396d(r)(5) (emphasis added).
11 Reading §1396a, § 1396d(a), and § 1396d(r) together, we believe that the State
12 Plan need not specifically list every treatment service conceivably available
13 under the EPSDT mandate.

14
15 The State Plan, however, must pay part or all of the cost of treatments to
16 ameliorate conditions discovered by the screening process when those
17 treatments meet. The definitions set forth in § 1396a. See § 1396d(r)(5);
18 see also §§ 1396a(a)(10), 1396a (a)(43), and 1396d(a)(4)(B). The Arkansas
19 State Plan states that the "State will provide other health care described in
20 [42 U.S.C. 1396d(a)] that is found to be medically necessary to correct or
21 ameliorate defects and physical and mental illnesses and conditions
22 discovered by the screening services, even when such health care is not
23 otherwise covered under the State Plan." See State Plan Under Title XIX of
24 the Social Security Act Medical Assistance Program, State Of Arkansas at §
25 4.b. This provision Meets the EPSDT mandate of the Medicaid Act.

26
27 We affirm the district court's decision to the extent that it holds that a
28 Medicaid-Eligible individual has a federal right to early intervention day
29 treatment when a physician recommends such treatment. Section 1396d(r)(5)
30 states that EPSDT includes any treatments or measures outlined in § 1396d(a).
31 There are twenty-seven sub-parts to § 1396d(a), and we find that sub-part
32 (a)(13), in particular, when read with the other sections of the Medicaid Act
33 listed above, mandates that early intervention day treatment be provided when
34 it is prescribed by a physician. See 42 U.S.C. § 1396d(a)(13) (defining
35 medical assistance reimbursable by Medicaid as "other diagnostic, screening,
36 preventive, and rehabilitative services, including any medical or remedial

1 services recommended by a physician...for the maximum reduction of physical and
2 mental disability and restoration of an individual to the best possible
3 functional level"). Therefore, after CHMS clinic staff perform a diagnostic
4 evaluation of an eligible child, if the CHMS physician prescribes early
5 intervention day treatment as a service that would lead to the maximum
6 reduction of medical and physical disabilities and restoration of the child
7 to his or her best possible functional level, the Arkansas State Plan must
8 reimburse the treatment. Because CHMS clinics are the only providers of
9 early intervention day treatment, Arkansas must reimburse those clinics.

10
11 SECTION 21. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS
12 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. ARKANSAS
13 HEALTH CENTER. (A) The Department of Human Services shall not close the
14 Arkansas Health Center that provides skilled nursing through specialized
15 services and programs.

16 (B) The Department of Human Services shall continue to accept clients for
17 whom it has determined that skilled nursing and specialized services are
18 needed at the Arkansas Health Center.

19 (C) No funds shall be transferred or reduced from the Arkansas Health
20 Center, except for use as federal matching funds, below the approved funding
21 level on March 1, 2003 without the prior approval of the Arkansas Legislative
22 Council or the Joint Budget Committee.

23 (D) Determining the maximum amount of appropriation and general revenue
24 funding for a state agency each fiscal year is the prerogative of the General
25 Assembly. This is usually accomplished by delineating such maximums in the
26 appropriation act(s) for a state agency and the general revenue allocations
27 authorized for each fund and fund account by amendment to the Revenue
28 Stabilization law. Further, the General Assembly has determined that the
29 Department of Human Services may operate more efficiently if some flexibility
30 is provided to the Department of Human Services authorizing broad powers
31 under this Section. Therefore, it is both necessary and appropriate that the
32 General Assembly maintain oversight by requiring prior approval of the
33 Legislative Council or Joint Budget Committee as provided by this section.
34 The requirement of approval by the Legislative Council or Joint Budget
35 Committee is not a severable part of this section. If the requirement of
36 approval by the Legislative Council or Joint Budget Committee is ruled

1 unconstitutional by a court of competent jurisdiction, this entire section is
2 void.

3 The provisions of this section shall be in effect only from July 1, 2003
4 through June 30, 2005.

5
6 SECTION 22. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized
7 by this act shall be limited to the appropriation for such agency and funds
8 made available by law for the support of such appropriations; and the
9 restrictions of the State Purchasing Law, the General Accounting and
10 Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary
11 Procedures and Restrictions Act, or their successors, and other fiscal
12 control laws of this State, where applicable, and regulations promulgated by
13 the Department of Finance and Administration, as authorized by law, shall be
14 strictly complied with in disbursement of said funds.

15
16 SECTION 23. LEGISLATIVE INTENT. It is the intent of the General Assembly
17 that any funds disbursed under the authority of the appropriations contained
18 in this act shall be in compliance with the stated reasons for which this act
19 was adopted, as evidenced by the Agency Requests, Executive Recommendations
20 and Legislative Recommendations contained in the budget manuals prepared by
21 the Department of Finance and Administration, letters, or summarized oral
22 testimony in the official minutes of the Arkansas Legislative Council or
23 Joint Budget Committee which relate to its passage and adoption.

24
25 SECTION 24. EMERGENCY CLAUSE. It is found and determined by the General
26 Assembly, that the Constitution of the State of Arkansas prohibits the
27 appropriation of funds for more than a two (2) year period; that the
28 effectiveness of this Act on July 1, 2003 is essential to the operation of
29 the agency for which the appropriations in this Act are provided, and that in
30 the event of an extension of the Regular Session, the delay in the effective
31 date of this Act beyond July 1, 2003 could work irreparable harm upon the
32 proper administration and provision of essential governmental programs.
33 Therefore, an emergency is hereby declared to exist and this Act being
34 necessary for the immediate preservation of the public peace, health and
35 safety shall be in full force and effect from and after July 1, 2003, except
36 for Section 9 which shall be in full force and effect from and after the date

1 of passage and approval of this Act.
