30 Law, the General Accounting and Budgetary Procedures Law, the Revenue
31 Stabilization Law and any other applicable fiscal control laws of this State
32 and regulations promulgated by the Department of Finance and Administration,
33 as authorized by law, shall be strictly complied with in disbursement of any
34 funds provided by this act unless specifically provided otherwise by law.

35
36 SECTION 43. LEGISLATIVE INTENT. It is the intent of the General Assembly

1 that any funds disbursed under the authority of the appropriations contained
2 in this act shall be in compliance with the stated reasons for which this act
3 was adopted, as evidenced by the Agency Requests, Executive Recommendations
4 and Legislative Recommendations contained in the budget manuals prepared by
5 the Department of Finance and Administration, letters, or summarized oral
6 testimony in the official minutes of the Arkansas Legislative Council or
7 Joint Budget Committee which relate to its passage and adoption.

8
9 SECTION 44. EMERGENCY CLAUSE. It is found and determined by the General
10 Assembly, that the Constitution of the State of Arkansas prohibits the
11 appropriation of funds for more than a two (2) year period; that previous
12 General Assemblies have provided appropriations for the projects provided or
13 enumerated in this act; that certain appropriations will expire before the
14 adjournment of the General Assembly; and that if such appropriations expire,
15 the projects and programs authorized herein will cease thereby depriving the
16 citizens of the State of the benefits to be derived from such projects.
17 Therefore, an emergency is hereby declared to exist and this Act being
18 necessary for the immediate preservation of the public peace, health and
19 safety shall be in full force and effect from and after July 1, 2006.
