19 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
20

21 SECTION 1. Arkansas Code Title 6, Chapter 64, Subchapter 4 is amended  
22 to add an additional section read as follows:

23 6-64-419. Adult Sickle Cell Clinic of the University of Arkansas for  
24 Medical Sciences.

25 (a)(1) The Adult Sickle Cell Clinic of the University of Arkansas for  
26 Medical Sciences is created.

27 (2) The clinic shall be a comprehensive clinic at which adults  
28 in Arkansas with sickle cell anemia may receive specialty care, including  
29 without limitation:

30 (A) Advanced, specialized health care;

31 (B) Preventive health care; and

32 (C) Local health care provider support.

33 (b) The clinic shall provide services, including without limitation:

34 (1)(A) An annual visit for comprehensive diagnosis and treatment  
35 for adult patients with sickle cell anemia from all over the state.

36 (B) A patient with more severe complications from sickle

1 cell anemia may receive more frequent treatment as needed;

2 (2)(A) On the basis of each comprehensive visit under  
3 subdivision (b)(1) of this section, a care plan for that patient is developed  
4 to serve as a blueprint for the patient's medical care throughout the year.

5 (B) For acute medical events, treatment under this section  
6 shall be based on the care plan created under subdivision (b)(2)(A) of this  
7 section as the guide for management of sickle cell anemia and complications  
8 of sickle cell anemia; and

9 (3) Designing a training program regarding sickle cell anemia  
10 and complications of sickle cell anemia for:

11 (A) Physicians, nurses, and social workers throughout the  
12 state;

13 (B) Medical students and residents;

14 (C) Health care providers; and

15 (D) Health care provider students.

16 (4) Through the Center for Distance Health of the University of  
17 Arkansas for Medical Science, training and case consultation with health care  
18 providers across the state; and

19 (5) A program to:

20 (A) Track adult patients with sickle cell anemia; and

21 (B) Measure the effectiveness of the clinic.

22 (c)(1) The clinic shall make staff personnel available to primary care  
23 physicians and medical staff of area health education centers for  
24 consultation regarding sickle cell anemia and complications of sickle cell  
25 anemia as needed.

26 (2) A nurse practitioner employed in this clinic shall be  
27 available twenty-four (24) hours per day, seven (7) days per week to receive  
28 and respond to telephone calls from physicians or patients regarding sickle  
29 cell anemia and complications of sickle cell anemia.

30 (3) A social worker shall assist patients with sickle cell  
31 anemia and their families in finding ways to meet the needs of the patient  
32 and his or her family, including without limitation:

33 (A) Health-related expenses not covered by insurance  
34 plans;
